Replica of medal awarded to Finnigans in
Great Exhibition, London, England, 1851

Over a hundred years ago Finnigans came of age. It was the year of the Great Exhibition in Hyde Park, at which Finnigans, already renowned as Britain's foremost craftsmen in leather, were awarded a Gold Medal. To-day they retain that proud reputation, but the premises in Bond Street now display a wide range of beautiful merchandise, including a whole floor devoted to the many fashions, and accessories for all occasions.

FLAGS.

1. In countries where it is the custom for diplomatic and consular representatives to fly their national flags over their official premises or private residences, afloat, on cars, or, where appropriate, on aircraft, Her Majesty's Foreign Service officers hoist the relevant British diplomatic or consular flag.

2. The usual size of the flag to be used by diplomatic and consular officers is as follows :—

For use on shore	8 breadths, i.e., 12 feet by 6 feet.
For use on shore when specially ordered ...	{ 4 breadths, i.e., 6 feet by 3 feet. 12 breadths, i.e., 18 feet by 9 feet.
For use on boats	
For use on board ship	8 breadths, i.e., 12 feet by 6 feet.
For use on cars	12 inches by 8 inches.
For use on aircraft	18 inches by 9 inches.

At ports where the prevalence of high winds makes large flags unsuitable, flags of four breadths only are flown.

3. The flag to be used by Her Majesty's diplomatic representatives whether on shore or embarked in boats or other vessels, or in cars or, where appropriate, on aircraft, is the Union, with the Royal Arms in the centre, on a white shield, surrounded by a green garland. The use of this flag does not apply to the aircraft of the R.A.F. for which Queen's Regulations and Air Ministry Instructions provide that the R.A.F. ensign may be flown on their aircraft when carrying H.M. Ambassadors outside the United Kingdom.

4. The flag to be used by Her Majesty's consular officers ashore to distinguish their official premises or private residences or cars or, where appropriate, aircraft, is the Union with the St. Edward's Crown in the centre on a white shield. The use of the aircraft flag does not apply to aircraft of the R.A.F. for which Queen's Regulations and Air Ministry Instructions do not provide that any flag may be flown when carrying H.M. Consular Officers.

5. The flag to be used by Her Majesty's consular officers, when embarked in boats or other vessels, is the Blue Ensign, of three breadths or, if a larger flag is desired, of four breadths, with the Royal Arms in the centre of the fly, that is, in the centre of that part between the Union and the end of the flag. The Consular Blue Ensign, being a personal distinguishing flag, must in boats be flown at the bow, and not at the stern, which is the accepted position for the national colours. No further flag is necessary, but if for some special reason it is desired to fly a flag at the stern, this should be the Red Ensign. The consular flag is hoisted in boats only and not in ships except when a salute is given to the consular officer concerned, when it is hoisted at the fore.

6. The flag should be flown ashore on the British anniversaries enumerated in the list below. It should also be flown over official premises or private residences at ports during the stay in port of one of Her Majesty's ships.

7. On the occasion of local official celebrations or mourning, local usages should be observed, it being as a general rule desirable that the flag should be flown (at the mast-head or at half-mast according to circumstances) on all occasions when this would be regarded as complimentary to the local authorities or to countries locally represented, or when omission to do so might give offence (*e.g.*, on the accession or death of a foreign Sovereign or on the occasion of the birth, marriage or death of a member of the Royal Family of a country locally represented; or on a Presidential inauguration, etc.).

8. Foreign Service officers may also fly their flags at any time if they think it desirable, paying due regard to the views of the local authorities and to the practice followed by their foreign colleagues.

9. On the occasion of the death of a member of the British Royal Family the flag should be flown at half-mast from the date of the death until after the funeral.

PENSIONS.

The following is a brief summary of the main pension provisions applicable to established members of the Foreign Service. Superannuation law and practice are closely controlled by Acts of Parliament and Service Regulations, and this summary is not intended to be an interpretation of law, or a complete exposition of practice.

No person has an absolute right to pension, and the decision of the Treasury is final in all matters concerning superannuation payments. Amounts which have been granted, or might otherwise be granted, may be reduced, or forfeited altogether, in cases of demerit.

Established members of the Foreign Service, with any exceptions as shown below, are eligible for pension under the Superannuation Acts, which govern Civil Servants' pensions. The principal Acts are those of 1859, 1909, 1935, and 1949.

The 1859 Act provided for a pension equal to 1/60th of annual salary for each year of service up to 40 years. This Act covers officers who did not elect, or were rejected, for the 1909 Act.

The 1909 Act provided for a pension of 1/80th of annual salary for each year of service up to 40 years' together with a lump sum of 1/80th of annual salary (actual or average, as indicated below) for each year of service up to 45 years. The lump sum is increased by one half per cent. for each year of service before the 1909 Act (men), or the 1935 Act (women). The Act also provides for a gratuity equal to at least one year's salary (actual or average) to the legal personal representative of an officer dying in harness after not less than 5 years' service. This Act covers officers not under the 1859 Act.

The 1935 Act made the 3-year "averaging" of salary universal, and the lump sum was increased to 3/80ths of average annual salary for each year of service up to 40 years. Officers then serving were given the option to remain on the old basis, which laid down that annual salary on which pension and gratuity are calculated is the actual salary at the date of retirement if the officer has been in the same grade or on the same salary for three years preceding retirement; if he has not, the average salary during the three years preceding retirement is taken as the annual salary for pension purposes.

The 1935 Act enables an officer retiring for reasons other than ill health, subject to certain conditions, to surrender a part of pension to secure an annuity to wife or husband, or one named dependant. The annuity varies according to the ages of the pensioner and the beneficiary as shown in tables prepared by the Government Actuary.

The principal provision of the 1949 Act is for widows' and children's pensions. The widows' pension would amount to one-third of the deceased officer's pension if he had retired when he died, with a minimum of £26 a year. The children's pension would vary between one quarter of the widow's pension (for one child) and an amount equal to the widow's pension (for four or more children, or three or more children if no widow's pension is paid). The children's pension would be payable only during childhood and full-time education, except in the case of incapacitated children. The scheme is contributory, by deduction of 1½% from annual salary or by abatement of the lump sum payable on death or retirement, or by a combination of both methods. It is compulsory for entrants after 13th July, 1949, but optional for then existing officers. A woman officer, if her husband is dependent on her, may contract into the scheme. Provision is also made for a contributory scheme to cover dependent relatives.

The Act makes various amendments. With certain exceptions the minimum pension and lump sum (subject to 10 years' service) may be based on 20 years' service. Officers not covered by the Foreign Service Act, 1943, will be able to retire at or after 50 years of age, without loss of pension and lump sum at the normal retiring age of 60. They may also be called upon to retire, if this is in the public interest, at or after 50 years of age, with earned pension and lump sum.

Under the Diplomatic Salaries Act of 1869, the Treasury could grant pensions of defined amounts according to rank, subject to a minimum period of 15 years since the officer's first Commission, and of 10 years service abroad.

Any existing member of the Diplomatic Service at the time of the passing of the Superannuation (Diplomatic Service) Act of 1929 could opt to remain under the Diplomatic Salaries Act 1869. Otherwise that Act ceased to have effect, and the Superannuation Acts 1834 to 1919 were applied to persons then in the Diplomatic Service, with the addition to the lump sum of one half per cent. for each completed year of service up to the passing of the 1929 Act. New entrants to the Diplomatic Service after the passing of the Act came under its provisions.

Under the Foreign Service Act of 1943 pension and lump sum may be granted to an officer of grade not lower than Grade 8 of Branch A or Grade 4 of Branch B who, having served for not less than 10 years, is retired before the normal retiring age, having regard to his qualifications and conditions existing in the Service. In such cases special increases of the pension and the lump sum may be awarded.

As a general rule, for entrants after March 1, 1948, pension will be abated to take account of the retiring pension under National Insurance provisions at age 65 (men) and 60 (women).

A minimum of 10 years' actual service is an essential qualification for pension.

The normal retiring age is 60, and the compulsory retiring age is 65. For officers of the former China Consular Service who continue to serve at posts normally staffed from that Service, the retiring age is 55. (Special provision is made for unavoidable absence from such posts during the war period).

Service at posts specially scheduled for the purpose is reckoned for pensions as 1½ times actual service. It will enable an officer to retire before the age of 60, but not before 55, three months' abatement of age being allowed for each year of such service.

As from 1st January, 1919, temporary service prior to establishment before 14th July 1949, counts as to one half for pension calculation. Such temporary service subsequent to 14th July, 1949, will count in full.

Retirement on the ground of ill health is subject to incapacity to render further service. A gratuity not exceeding 1/12th of average annual salary for each year of service may be awarded on retirement through ill health before the completion of 10 years' service. A gratuity of 3/80ths of average annual salary for each year of service (after two years' service) may also be awarded.

Officers retiring before the normal retiring age may be required, subject to fitness, to serve again.

In the event of an officer being injured in the actual discharge of his duties, and without his own default, and by some injury specifically attributable to the nature of his duty, a gratuity or annual allowance may

be awarded to him or if he dies from the injury, to his widow (while unmarried) and children, and to his mother (while unmarried), or, if his mother is dead, his father, if wholly or mainly dependent upon him.

In the case of a female officer, the above provision for a widow would apply to a dependent widowed husband.

Marriage gratuities may be granted to women officers

who resign on marriage after 6 years' service. These amount to one month's pay for each year of established service, subject to a maximum of 12 months' pay.

A gratuity may be awarded on death or resignation of an unestablished officer after not less than seven years' service.

For income tax purposes pension is regarded as earned income.

PRECEDENCE

1. Officers of Her Majesty's Foreign Service will take precedence *inter se* according to their grade in the Service.

2. Officers of the same grade will take precedence according to the dates of their respective appointments to the grade.

3. For the purposes of the local Diplomatic List the order of seniority derived from the application of the general principle referred to in paragraphs 1 and 2 will be followed.

4. The officer normally designated to act as Chargé d'Affaires in the absence of the Head of the Mission will be the senior officer handling political work.

5. Service Attachés at Her Majesty's Diplomatic Missions will rank with but after the Foreign Service officer normally designated to act as Chargé d'Affaires in the absence of the Head of the Mission and other career members of the Foreign Service of the same grade as that officer: except that Foreign Service Officers of Grade 5 holding the rank of Minister will in all cases take precedence before Service Attachés.

6. Assistant Service Attachés will rank with but after Foreign Service officers of Grade 8 (Second Secretaries): except at posts where such Assistant Service Attachés are the only resident Service Representatives, when they will take the precedence indicated in the preceding paragraph.

7. Non-Service specialist Attachés will rank with but after Service Attachés: Assistant specialist Attachés will rank with but after Assistant Service Attachés, but will in no case take precedence before Foreign Service Officers of Grade 8 (Second Secretaries). As between themselves non-Service specialist Attachés and Assistant Attachés will rank in order of their date of appointment, regardless of personal rank.

The foregoing does not apply to Labour Attachés whose position shall be as stated in paragraph 17 below.

8. Precedence at consular posts shall be decided by the grade of the Foreign Service officer concerned, and by the date of his appointment to that Grade.

9. At both diplomatic and consular posts—

Officers of Grade B.1. will rank with but after officers of Grade A.6.

Officers of Grade B.2 will rank with but after officers of Grade A.7.

Officers of Grade B.3. will rank after officers of Grade B.2.

Officers of Grade B.4 will rank with but after officers of Grade A.8 (Second Secretary and Senior Vice-Consul) and all Assistant Attachés.

Officers of Grade B.5 will rank after officers of Grade A.8 (Third Secretary and Junior Vice-Consul).

10. A Foreign Service officer performing the duties of Consul-General will take precedence, at his own post, over a visiting officer of Grade A.6.

11. A Foreign Service officer performing the duties of Consul will take precedence, at the post of which he is in charge, over a visiting officer of Grade A.7.

12. These rules (at paragraphs 10 and 11 above) do not, of course, apply to Foreign Service officers acting as Heads of Consular Sections in His Majesty's Missions, nor do they apply in the case where the visiting officer is at the time Chargé d'Affaires.

13. The general precedence of diplomatic agents is governed by the Regulations annexed to the Vienna Congress Treaty of 9th June, 1815, which together with the addition embodied in the Protocol of the Congress of Aix la Chapelle of 21st November, 1818, are printed below.

14. The precedence which consular officers resident at the same post should take among themselves is decided by the Consular Body concerned, with whom it rests to designate who should occupy the position of doyen. As a general rule, consular officers take precedence among their colleagues in their respective grades according to the dates of their *Requêtes* of their recognition by the local authorities.

15. The comparative precedence of officers holding consular rank and of officers of Her Majesty's Armed Forces is shown below.

16. Rules for the relative precedence of United Kingdom and Commonwealth diplomatic and consular officers on the occasion of visits of United Kingdom naval units or ships of Commonwealth navies to foreign ports are given below.

17. Officers of Her Majesty's Foreign Service holding local or acting rank will take precedence according to that rank, but below officers holding the same substantive rank.

18. The diplomatic rank accorded to Labour Attachés will be equated to the appropriate Foreign Service grade at the post where they are attached; this rank shall not be higher than that of Counsellor nor than that of the Chargé d'Affaires designate. For formal purposes they should be referred to as "Counsellor (Labour)," "First Secretary (Labour)" or "Second Secretary (Labour)." They should be shown as such on the local Diplomatic List and should not be placed with the other Attachés, but after the members of Her Majesty's Foreign Service of the same grade.

19. When Foreign Service officers (and certain temporary officers) who are junior to a third secretary are included in the local Diplomatic List, they should

be given the diplomatic rank of junior attaché. This title is to be used in order to avoid confusion between the old use of the word "attaché" which described the status of officers now to be styled "junior attachés" and the new meaning the word has come to bear, namely, the status of a member of a Government

Department other than the Foreign Office, who, by virtue of his position as a representative in a Diplomatic Mission of that Department, ranks immediately after the Service Attachés. The names of junior attachés should appear at the end of the local Diplomatic List.

PRECEDENCE OF DIPLOMATIC AGENTS

REGULATIONS annexed to the VIENNA CONGRESS TREATY, of June 9, 1815.

In order to prevent the inconveniences which have frequently occurred, and which might again arise, from claims of precedence among different Diplomatic Agents, the Plenipotentiaries of the Powers who signed the Treaty of Paris have agreed on the following Articles, and they think it their duty to invite the Plenipotentiaries of other Crowned Heads to adopt the same regulation:—

ARTICLE I.—Diplomatic Agents are divided into three classes.—That of Ambassadors, Legates, or Nuncios; that of Envoys, Ministers, or other persons accredited to Sovereigns; that of Chargés d'Affaires accredited to Ministers for Foreign Affairs.

II. Ambassadors, Legates, or Nuncios, only, have the representative character.

III. Diplomatic Agents on an extraordinary mission have not, on that account, any superiority of rank.

IV. Diplomatic Agents shall take precedence in their respective classes, according to the date of the official notification of their arrival. The present Regulation

shall not cause any innovation with regard to the Representatives of the Pope.

V. A uniform mode shall be determined in each State for the reception of Diplomatic Agents of each class.

VI. Relations of consanguinity, or of family alliance between Courts, confer no precedence to their Diplomatic Agents. The same rule also applies to political alliances.

VII. In Acts or Treaties between several Powers which grant alternate precedence, the order which is to be observed in the signatures shall be decided by lot between the Ministers.

The present Regulation is inserted in the Protocol of the Plenipotentiaries of the Eight Powers who signed the Treaty of Paris at their sitting of the 19th March, 1815.

Signed in the alphabetical order of the Courts by the Principal Plenipotentiaries of Austria, (Espagne) Spain, France, Great Britain, Portugal, Prussia, Russia, Sweden.

Protocol of Conference of the Five Powers. Aix-la-Chapelle, November 21, 1818. (Ministers Resident)

In order to avoid inconvenient discussion which might in future arise upon a point of Diplomatic Etiquette, which appears not to have been anticipated in the Annex to the Treaty of Vienna, whereby questions of precedence were regulated, it is agreed

between the Five Courts, that Ministers Resident accredited to them shall form, with respect to their precedence, an intermediate class between Ministers of the Second Class and Chargés d'Affaires.

PRECEDENCE *between* OFFICERS holding CONSULAR RANK and OFFICERS of the ARMED SERVICES

Consuls-General rank with, but after, Rear-Admirals, Major-Generals, Air Vice-Marshal.

Consuls rank with, but after, Captains, R.N. Colonels, and Group Captains.

Vice-Consuls rank with, but after, Lieutenant-Commanders, Majors, and Squadron Leaders.

Consular Agents rank with, but after, Lieutenants R.N., Captains in the Army and Flight Lieutenants.

The officer in charge of a consular post during the absence of the titular holder of the post will take for the time being the rank of that officer for this purpose.

VISITS *between* OFFICERS of H.M. FLEET and H.M. DIPLOMATIC and CONSULAR REPRESENTATIVES—ORDER of PRECEDENCE

With reference to Q.R. and A.I. (1943), Articles 97 and 98, the following information concerning questions of Precedence which may arise on the occasion of visits of units of H.M. Fleet to foreign and Commonwealth ports at which Commonwealth as well as United Kingdom diplomatic and/or consular officers are stationed, is promulgated for guidance.

2. When United Kingdom ships are making a visit, United Kingdom diplomatic and/or consular officers should, irrespective of their seniority in the matter of rank or of residence at their posts, take precedence of their Commonwealth colleagues. Conversely, in the

case of visits of ships of a Commonwealth Navy to ports at which are stationed diplomatic and/or consular officers of that Commonwealth country, United Kingdom Officers should yield precedence to them irrespective of seniority or rank or residence.

3. Visits may be paid from time to time by ships belonging to one Commonwealth country to ports at which are stationed diplomatic and/or consular officers not of that country but of other Commonwealth countries. In cases of this kind, United Kingdom Officers will not raise objection if their Commonwealth colleagues claim precedence in virtue of seniority.

VISITS OF CEREMONY.

Articles 97 and 98 of Queen's Regulations and Admiralty Instructions.

BRITISH DIPLOMATIC FUNCTIONARIES.

97.—(1) Every Flag or other Officer in Command will, on arrival, pay the first visit to Her Majesty's Diplomatic Functionaries in charge of Embassies or Legations of or above the rank of Chargé d'Affaires, but they will receive the first visit from Diplomatic Functionaries below that rank.

(2) In case of doubt as to the status of a Diplomatic Functionary in charge of an Embassy or Legation an Officer should be sent on shore to ascertain it previous to the interchange of visits.

CONSULAR AUTHORITIES.

98.—(1) On the arrival of a Fleet, Squadron, or Ship at a Foreign Port, the first visit will be made by the Naval or Consular Officer who is subordinate in rank to the other, according to the following scale:—

- | | | | | |
|---------------------|-----|-----|-----|--|
| (a) Consuls-General | ... | ... | ... | To rank with, but after, Rear-Admirals. |
| (b) Consuls | ... | ... | ... | To rank with, but after, Captains of the Royal Navy. |
| (c) Vice-Consuls | ... | ... | ... | To rank with, but after, Lieutenant-Commanders. |
| (d) Consular Agents | ... | ... | ... | To rank with, but after, Lieutenants. |

(2) The officer in charge of a Consular post during the absence of the titular incumbent will take for the time being the rank of that incumbent.

PROPERTY OF HER MAJESTY'S GOVERNMENT.

REGULATIONS AFFECTING THE CARE AND ACCOUNTING OF GOVERNMENT PROPERTY PROVIDED EITHER BY THE FOREIGN OFFICE, MINISTRY OF WORKS OR STATIONERY OFFICE ARE SET OUT IN DETAIL IN CHAPTERS 28 AND 29 OF THE FOREIGN SERVICE INSTRUCTIONS.

UNIFORMS.

Details of a new general uniform which The Queen has approved for the Foreign Service, to be worn at diplomatic and consular posts alike, are given in Annex 1. Annex 2 gives particulars of a new white uniform which Her Majesty has similarly approved for Foreign Service wear in hot climates.

2. Officers in possession of diplomatic uniform as hitherto worn may continue to use it, in accordance with the classification indicated in the Schedule in Annex 3, which applies to such uniform and the new one alike. It is not the intention, however, that uniforms of the earlier style should remain in use indefinitely, i.e., by officers other than their present owners; and officers requiring new uniforms, or alterations to those of earlier pattern already in their possession, should procure uniforms of the new style or have their present uniforms converted to the latter where this is practicable.

3. New entrants should defer obtaining a uniform until they have passed their probationary period, unless specially authorised to procure one by Personnel Department, who will advise officers of the type of uniform they will need. (See also paragraph 5 below.)

4. Officers in possession of the existing consular uniform should provide themselves with uniform of the new style on promotion to a higher grade or transfer to a diplomatic appointment, unless conversion of the present uniform proves practicable.

5. The Foreign Service Regulations (Chapter II, Reg. 2 and Chapter III, Reg. 2) lay down the conditions under which the cost of buying a new uniform, or of altering one already in an officer's possession, may be recovered from public funds. Officers should therefore consult Establishment and Organisation Department before incurring expenditure on this account.

6. The Privy Councillor's uniform is not affected by the new arrangements and will, of course, continue to be worn as at present by those entitled to it.

7. Uniform is worn only during tenure of office, or, on retirement, by special permission, the grant of which is regulated as follows:—

(i) An officer of the Foreign Service may be granted permission to wear the uniform appropriate to his grade on retirement or resignation, provided that—

(a) he has served for not less than 10 years; and

(b) there is in the view of the Secretary of State no special reason for withholding permission.

(ii) An officer with less than 10 years' service who has occupied a post of high importance, e.g., as Ambassador or Under-Secretary of State, may request the Secretary of State to submit to The Queen an application that he may be permitted to wear his uniform on retirement or resignation.

8. Naval, Military and Air Attachés on the staffs of Her Majesty's Missions abroad wear the uniform of their respective Services as prescribed by the Dress Regulations of the latter.

9. The Queen's Foreign Service Messengers are permitted to wear the Foreign Service uniform of the 4th Class, and are furnished by the Foreign Office with a badge for use when travelling, which may also be worn with the uniform. The badge must be returned to the Foreign Office in good condition on the retirement of the Messenger from the service.

10. Annex 4 gives particulars of Evening Dress that may be worn at Her Majesty's Embassies and Legations abroad at the discretion of the Ambassador or Minister at official dinners and parties (a) in the presence of members of the British Royal Family who are Royal Highnesses, and (b), if in accordance with local custom, in the presence of members of the Royal Family of the country in which the Ambassador or Minister is accredited. This dress is never worn in the United Kingdom.

11. Consular Agents may wear the Foreign Service uniform of the 5th Class. No uniform is worn by Pro-Consuls.

12. Officers at consular posts remain at liberty to wear on suitable occasions, should they so desire, the white evening dress composed as follows: white drill mess jacket with three small gilt buttons on each side of the front and one, two or three small gilt buttons for vice-consuls, consuls and consuls-general respectively along the outer seam of each cuff; white waistcoat with three small gilt buttons; white trousers.

13. No uniforms other than those referred to should be worn during Foreign Service employment without special permission from the Secretary of State.

14. The occasions on which uniform is worn vary from post to post and depend to a large extent on local custom. Uniform will, however, normally be worn by Her Majesty's Representative when presenting his credentials, and also by those members of his staff who accompany him on this occasion. It will also be worn at official functions and ceremonies (depending on local custom) and on other State occasions when considered appropriate by the Head of Mission.

15. Uniform should also be worn by Her Majesty's Representatives when calling officially upon (i) Flag Officers and Commodores on their first visit when newly appointed, or when their ship or squadron is paying a formal visit, and (ii) Captains when in command of a single ship or squadron paying a formal visit.

On receiving visits from Flag Officers or Officers Commanding Her Majesty's Ships, however, Her Majesty's Representatives may use their discretion as to the dress to be worn, but if they do not wear uniform they should wear a morning coat, with Star in cases where the representative has received the 1st or 2nd Class of one of the British Orders of Knighthood.

An Ambassador or Minister accompanying a Naval Commander-in-Chief on a visit to pay his respects to the Head of a State should wear uniform. This, as in the circumstances contemplated above, may be the white uniform, if appropriate to local conditions.

16. At consular posts uniform will be worn on State occasions, on paying official visits to, and receiving official visits from, the Commanders of Her Majesty's Ships, and at Naval Courts.

The white uniform may be worn at any post where the use of such uniforms by officials is customary.

FOREIGN SERVICE REGULATIONS

CHAPTER I

General

REGULATION No. 1. HIS MAJESTY'S FOREIGN SERVICE

The Foreign Service is composed of the following four Branches. Members of all Branches, with the exception of Branch D, are liable to serve in the Foreign Office or at a diplomatic or consular post abroad as and when required.

1. **BRANCH A**, consisting of persons appointed, after receiving a certificate of qualification from the Civil Service Commissioners, to the Foreign Service to serve as Third Secretary or Vice-Consul (Grade 9, see Chapter II, Regulation No. 1) or in any superior grade.

The following persons at present in the Foreign Service are members of Branch A, namely :—

- (a) Persons who, at the date of the Foreign Service Order-in-Council of the 20th May, 1943, were members of the Foreign Office and Diplomatic Service, the Commercial Diplomatic Service, or the Consular Service.
- (b) Persons who became members of the Foreign Service under Article 3 of the Foreign Service Order-in-Council and hold a position in Grade 9 or in any superior grade of Branch A.

2. **BRANCH B**, consisting of persons appointed to the Foreign Service for the performance of executive and clerical duties.

The following persons at present employed in the Foreign Office or at diplomatic or consular posts abroad will, if they are suitable, and if they are prepared to accept liability for service both abroad and in the Foreign Office, be eligible to become members of the Foreign Service under Branch B, namely :—

- (a) Members of the executive and clerical classes in the Foreign Office.
- (b) Established accountants, archivists, cypher officers and clerks abroad.
- (c) Existing unestablished employees of equivalent grades at diplomatic and consular posts whose establishment is approved by the Treasury.

Certain posts both at home and abroad, which have hitherto been filled by members of Branch A, will be made available for members of Branch B.

3. **BRANCH C**, consisting of persons appointed to the Foreign Service for the performance of shorthand-typing and typing duties.

Established persons in these grades at present employed in the Foreign Office or in diplomatic or consular posts abroad will, if they are suitable, be eligible to become members of Branch C of the Foreign Service if they are prepared to accept liability for service both in the Foreign Office and abroad.

4. **BRANCH D**, consisting of established members of the messengerial grades such as chancery servants, messengers and night guards in diplomatic and consular posts abroad.

REGULATION No. 2. MARRIAGE.

1. Any male member of the Foreign Service who proposes to marry a person who does not possess British nationality must notify the Head of the Personnel Department of his intention. The Secretary of State reserves the right to inform the officer concerned, whenever the circumstances in his view necessitate this course, that, if he marries a person

not possessing British nationality, he will have to resign.

Comment :—

It must be realised that, even when the Secretary of State does not adopt the course of calling on an officer to resign under this regulation, a marriage to a person who does not possess British nationality may well diminish an officer's utility as a British representative abroad and limit the number of posts at which he can be employed. Marriage to a person who does not possess British nationality may even result, either immediately or at some later stage in the officer's career, in there being no post in the Foreign Service to which he can properly be appointed. In this case every endeavour would be made to find other official employment for him, but, failing that, it may be necessary either to retire him on pension under the Foreign Service Act, 1943, or to place him *en disponibilité* until a suitable vacancy occurs. While *en disponibilité* the officer would draw no salary and would not earn pension rights, but the pension rights which he had previously earned or those which he would earn if re-employed afterwards would not be affected.

2. Any woman member of the Foreign Service who proposes to marry must notify the Head of the Personnel Department of her intention. As a rule a woman member of the Service will be required to resign upon marriage, but the Secretary of State reserves the right in special circumstances to permit her to continue as a member of the Service either unconditionally or subject to conditions.

Comment :—

This regulation applies to women members of the Service and to marriages contracted by them whether to British subjects or to other persons. When announcing in Parliament that His Majesty's Government had decided to accept the report of the Gowers Committee on the admission of women to the Foreign Service, the Secretary of State said that this acceptance was "on the assumption that a general marriage bar will be imposed which I shall have the power to waive in exceptional circumstances."

3. Any woman member of the Foreign Service resigning on marriage may, at the discretion of the Secretary of State and with the approval of the Treasury, be granted a gratuity calculated on the basis of one month's pay for each completed year of established service but with a maximum of twelve months' pay.

To qualify for an award a minimum service of six years is required : previous unestablished service reckons towards this period but not for the purpose of calculating the gratuity.

REGULATION No. 3. DIVORCE

If a member of the Foreign Service becomes involved in a matrimonial suit which may, in the opinion of the Secretary of State, bring discredit upon that member or upon the Service, the Secretary of State may call upon him to resign. A member of the Service who becomes involved in a divorce suit must therefore notify the Head of the Personnel Department of the facts of the case at the earliest possible moment.

REGULATION No. 4. ACCEPTANCE OF FOREIGN DECORATIONS

1. Generally speaking, members of the Foreign Service, like other persons in the service of the Crown, are not eligible for the King's permission to accept

and wear foreign decorations and medals. Such permission may, however, be given in the case of decorations conferred for distinguished services in the saving of life, or, if such a case should arise, services performed by a member of the Foreign Service while lent to a foreign Government, if he is paid by them and not from British public funds during the period of the loan.

2. A restricted form of permission may be granted in the case of decorations conferred in recognition of personal attentions to a foreign Sovereign or Head of State, or a member of a foreign Royal Family, on the occasion of State or official visits by such personages, in the case of decorations conferred upon His Majesty's Ambassadors or Ministers abroad when The King pays a State visit to the countries to which they are accredited, and in the case of decorations conferred upon Foreign Service officers when forming part of a Special Mission when The King is represented at a foreign Coronation, Wedding, Funeral, or similar occasion, or upon any diplomatic representative when specially accredited to represent His Majesty on such an occasion (but not on the members of his staff).

3. The King's Regulations do not contemplate the grant of any permission for the acceptance and wearing of foreign decorations offered to His Majesty's Ambassadors or Ministers abroad when leaving, even on final retirement. When, as sometimes happens, a foreign Sovereign or Head of State presents a departing Head of Mission with a decoration without having given any previous notice, either to His Majesty's Government or the recipient of his intention to do so and the recipient cannot decline it without giving offence, he should make it clear that he will not be able to wear it without The King's permission. The grant of this, however, must not be expected, and if it is refused the most that the recipient may expect is permission to retain the decoration as a simple souvenir not to be worn.

4. In any case in which a member of the Foreign Service learns that the bestowal of a foreign decoration upon him is in contemplation, his informant should be reminded of the desire of His Majesty's Government to be consulted through the diplomatic channel before any final decision to confer it is taken, and also, if the case is clearly of such a character that their consent is not likely to be forthcoming. In no case should the grant of The King's permission be assumed.

5. The foregoing applies equally to medals, including State decorations not carrying membership of foreign Orders of Chivalry. Medals for saving or attempting to save life, whether awarded by the Head or Government of a foreign State or by private life-saving societies or institutions, may be accepted and worn without restriction.

6. The wives of members of the Foreign Service are regarded as subject to the same general disabilities as their husbands where the acceptance of foreign honours is concerned.

REGULATION No. 5. PRESENTATIONS

A member of the Foreign Service may not receive gifts or presentations, whether in the shape of money, goods, free passages, or other benefits, from any person in recognition of services rendered by virtue of his official position, or, in any case, from foreigners resident in the foreign country where that member is serving without having first secured the permission of the Secretary of State.

Comment :—

This Regulation, which also applies to the families of members of the Foreign Service, should not be regarded as applying to small personal gifts such as may be received from colleagues and friends.

REGULATION No. 6. PRIVATE OCCUPATIONS

1. No member of the Foreign Service may, without the permission of the Secretary of State, accept any post in the management of any trading, commercial, industrial, financial, or professional firm or company.

Comment :—

Permission under paragraph 1 is only likely to be given in very exceptional cases, for instance in some cases permission to become a director in a small private company which is confined to members of the officer's family may be given; or occasionally an officer may be permitted temporarily to take some part in the organisation of a firm as executor for a deceased relative until new arrangements for the carrying on of the firm's business can be made.

2.—(1) No member of the Foreign Service may at any time engage in any activity which would in any way tend to impair his usefulness as a public servant.

(2) No member of the Foreign Service may engage in any occupation or undertaking which might in any way conflict with the interests of the Service or be inconsistent with his position as a member of the Foreign Service.

(3) In no circumstances may a member of the Foreign Service make use of his official position to further his private interests and any attempt to do so constitutes a grave disciplinary offence. Furthermore, a member of the Foreign Service commits an offence if he so acts as to create a reasonable suspicion that he has used his official position to further his private interests.

Comment :—

(1) There is, of course, nothing to prevent members of the Service from becoming members of, or occupying posts on the Councils or, charitable or learned societies, provided that their responsibilities in that concern are not serious enough to conflict with the discharge of their official duties and provided also that the activities of these societies are not such as to bring paragraph 2 (1) or (2) of this Regulation into play.

(2) The Treasury have laid down certain principles governing the receipt by Crown servants of payments for activities which are in some degree connected with their official duties but not actually part of those duties. These cover the writing of books and articles, broadcasting of talks, lecturing, etc. It is the duty of any member who may have any doubt as to the propriety of undertaking any particular work to consult the Head of the Personnel Department.

(3) Paragraph 2 (3) above is based on the report of the Board of Enquiry appointed by the Prime Minister to investigate certain statements affecting Civil Servants—Cmd. 3037 of 1928. Paragraphs 17, 56 and 58 of this report are reproduced below but members of the Foreign Service are advised to read the full report.

APPENDIX

Extracts from the Report of the Board of Enquiry appointed by the Prime Minister to investigate certain statements affecting Civil Servants.

Paragraph 17.

We should be unwilling to lay down any hard-and-fast rule on the subject of gambling transactions by Civil Servants. These may take many forms, from a trifling bet upon a horse race to transactions such as those we have been considering, and the propriety of a Civil Servant engaging in any of them must necessarily depend to some degree upon the circum-

stances of the case. But of these circumstances, one of the most material to be considered is without doubt the functions of the Department in which he is employed. Thus Civil Servants employed in certain Departments will plainly come under a special obligation to be discreet and careful in all their private financial transactions: the Treasury is pre-eminently one such Department, the Foreign Office is a second, and the Revenue Departments and the Post Office are others. We think that the opportunity of turning official information to private gain is likely to be much less frequent in the Foreign Office than, for instance, in the Treasury, but that such opportunities occur from time to time in most Departments there can be no doubt whatsoever; and where this is so, and indeed we might say, so long as the public, whether rightly or wrongly, believe it to be so, Civil Servants engaged in those Departments cannot and ought not to expose themselves, their Departments or the Civil Service at large to public criticism by gambling or by rash and hazardous speculation. It is unnecessary to elaborate the reasons for a rule of this kind, which we should have thought was elementary and axiomatic.

Paragraph 56.

The first duty of a Civil Servant is to give his undivided allegiance to the State at all times and on all occasions when the State has a claim upon his services. With his private activities the State is in general not concerned, so long as his conduct therein is not such as to bring discredit upon the Service of which he is a member. But to say that he is not to subordinate his duty to his private interests, nor to make use of his official position to further those interests, is to say no more than that he must behave with common honesty. The Service exacts from itself a higher standard, because it recognises that the State is entitled to demand that its servants shall not only be honest in fact, but beyond the reach of suspicion of dishonesty. It was laid down by one of His Majesty's Judges in a case some few years ago that it was not merely of some importance but of fundamental importance that in a Court of Law justice should not only be done, but should manifestly and undoubtedly be seen to be done; which we take to mean that public confidence in the administration of justice would be shaken if the least suspicion, however ill-founded, were allowed to arise that the course of legal proceedings could in any way be influenced by improper motives. We apply without hesitation an analogous rule to other branches of the public service. A Civil Servant is not to subordinate his duty to his private interests; but neither is he to put himself in a position where his duty and his interests conflict. He is not to make use of his official position to further those interests; but neither is he so to order his private affairs as to allow the suspicion to arise that a trust has been abused or a confidence betrayed. These obligations are, we do not doubt, universally recognised throughout the whole of the Service; if it were otherwise, its public credit would be diminished and its usefulness to the State impaired.

Paragraph 58.

Between the regular investment or management of a private fortune on the one hand, and speculative transactions in stocks, exchange or commodities on the other, there are obviously numerous gradations, and it may often be difficult to draw the precise line of demarcation between what is lawful and what is prohibited; it may even be inadvisable to make the attempt, because many things, though lawful, may yet be inexpedient. But some transactions fall indubitably on one side of the line rather than upon

the other. It might well be desirable for a Civil Servant in all circumstances to avoid transactions wholly speculative in character; but where he is employed in any Department to which, whether rightly or wrongly, the public attribute the power of obtaining special information, such as the future course of political or financial events likely to affect the rise and fall of markets, then we assert unhesitatingly that participation in such transactions is not only undesirable or inexpedient, but wrong. The knowledge that Civil Servants so employed are engaged in them could not fail to shock public confidence at home, and, especially if matters of foreign exchange are involved, to produce a deplorable effect upon opinion abroad.

REGULATION No. 7. INTEREST IN CONTRACTS

1. Any member of the Foreign Service having an interest in a company or partnership or business with which a contract with a Government Office is concluded or may be concluded, must disclose the measure of that interest fully to the Under-Secretary of State for Administration in writing.

2. Any member who has occasion to come in contact in his official capacity with any matter concerning a company, partnership or other business concern in which he has an interest, must disclose that interest to the Under-Secretary of State for Administration.

3. Paragraphs 1 and 2 of this Regulation do not, however, apply to the mere holding of shares in a public company by a member of the service unless such holding is so great as to give the member a controlling interest in the said company.

REGULATION No. 8. BANKRUPTCY AND INSOLVENCY

1. A member of the Foreign Service who becomes bankrupt or insolvent must at once report the fact to the Secretary of State. If the member is serving abroad the report should be made through the Head of the post at which he is serving. Failure to report this matter is a grave disciplinary offence.

2. A member who has reported his bankruptcy or insolvency must then at the earliest possible moment submit a complete statement of the facts of his case to the Secretary of State, who will decide, in his discretion, whether the circumstances are such as to call for disciplinary action under Regulations No. 10 of Chapter II, No. 10 of Chapter III, No. 9 of Chapter IV, or No. 9 of Chapter V.

Comment :—

(1) If the officer who has become bankrupt or insolvent has committed any act of dishonesty or has otherwise acted discreditably, he may be dismissed. The Secretary of State may also take steps to prosecute the offender if there is evidence of the misappropriation of public monies.

(2) Pending the result of any enquiry into his case, the officer concerned may be continued in his post unless there is *prima facie* reason to believe that public monies have been or are likely to be involved, in which case he will be suspended.

(3) In no circumstances may an officer who is bankrupt or insolvent continue to be employed on duties involving the handling of public monies.

REGULATION No. 9. POLITICAL ACTIVITIES

1. No member of the Foreign Service may engage in any political activity which shall in any way conflict with the interests of the Service or be inconsistent with his position as a member of the Foreign Service.

2. A member of the Foreign Office seeking a seat in the House of Commons must resign from the Service before he issues his address to the electors or in any

other manner publicly announces himself as candidate or prospective candidate.

Comment :—

The Servants of the Crown (Parliamentary Candidature) Order, 1927, on which this Regulation is based, imposes the same obligation on all Servants of the Crown, whether they belong to the Foreign Service, the Military Forces or the Civil Service.

REGULATION No. 10. OFFICIAL SECRETS AND CUSTODY OF OFFICIAL DOCUMENTS

1. It is the duty of every member of the Foreign Service to acquaint himself with the provisions of the Official Secrets Acts of 1911, 1920 and 1939.

2. Any offence under the Official Secrets Acts committed by a member of the Foreign Service is, unless the member establishes extenuating circumstances, a grave disciplinary offence (see Regulations No. 10 of Chapter II, No. 10 of Chapter III, No. 9 of Chapter IV, and No. 9 of Chapter V), exposing the member to the disciplinary penalties for such an offence, whether or not he is also prosecuted for the criminal offence in the courts.

Comment :—

The Official Secrets Acts apply to all confidential documents or information which come into the possession, custody or knowledge of members of the Service. Any improper communication of confidential documents or information is a criminal offence under these Acts, even if the communication is made to another person in His Majesty's Service. It is also a criminal offence if a member of the Service fails to return official documents if their return is demanded by the Foreign Office (see paragraphs 10 and 11 below and comment thereto as regards members of the Service who have retired and as regards the papers of members of the Service who die). The appendix to this Regulation gives extracts from the Official Secrets Acts containing those portions of them which are likely to be of most importance, to members of the Service. Members of the Service, however, are not thereby excused from making themselves acquainted with the provisions of the Acts as a whole. No definition is given in the Acts of "official documents," and there is no rule given in the Acts as to the burden of proof on the question whether a document or information was "entrusted in confidence." So far as the application of the Acts is concerned, it is for the courts to determine their effect, and the Secretary of State has no authority to give an official interpretation of them. On the other hand, so far as disciplinary offences are concerned, it is within the power of the Secretary of State to make his own rules as to what shall be deemed to constitute "official documents" and as to what test shall be applied to determine whether information or documents are confidential. Certain rules for this purpose are inserted in paragraphs 6 and 7 below.

3. Negligence by a member of the Service in the custody, disposal or handling of official documents or in communicating confidential information is a disciplinary offence, and may be regarded as a grave disciplinary offence.

4. Any improper communication of confidential official documents or confidential official information, whether orally or in writing, is a disciplinary offence, and may be regarded as a grave disciplinary offence.

5. Any failure by a member of the Service to return to the Foreign Office official documents, if their return is demanded is a disciplinary offence, and may be regarded as a grave disciplinary offence.

6. All information and documents falling within the classes specified in paragraph 7 of this Regulation shall, for the purposes of these Regulations and of deciding whether a disciplinary offence has been committed, be deemed to be confidential and official, unless the Secretary of State otherwise decides; and the onus of proof to show, in any case, that any information or any document falling within these classes is not confidential or is not official will rest upon the member of the Service concerned.

Comment :—

In the case of information or documents not falling within the classes specified in paragraph 7 of this Regulation, the question whether they are official and confidential is left by these Regulations to be decided according to the circumstances of each case, without any rule placing the onus of proof on the officer concerned to show that they should not be held to be official or confidential.

7.—(a) The classes of documents referred to in paragraph 6 above comprise all documents or correspondence (and copies thereof) relating to any matter of official concern to any branch of His Majesty's Service and emanating from or addressed to—

- (i) any diplomatic mission or consulate of His Majesty;
- (ii) any Department of any of His Majesty's Governments in the United Kingdom or the Dominions, or of the Governments of India or of any territory under British administration;
- (iii) any Department of any foreign Government;
- (iv) any foreign diplomatic mission or consulate;
- (v) any person in the service of any of the diplomatic missions, consulates or Government Departments referred to in (i), (ii), (iii) and (iv) above.

(b) The classes of information referred to in paragraph 6 above comprise all information relating to any matter of official concern to any branch of His Majesty's Service and obtained orally from, or from documents or observation at any of the sources specified in (i), (ii), (iii), (iv) and (v) of sub-paragraph (a) above.

Comment :—

(1) Documents and correspondence may be official and confidential under this paragraph, notwithstanding that they have been addressed or sent in a personal form or marked "personal" or "private." Indeed under the paragraph the presumption is that they are official and confidential. It is, in fact, a common practice to send most secret information or most confidential instructions in a letter so marked. Similarly, oral information may be official and confidential although it has been given casually and in a non-official manner.

(2) The enumeration in paragraph 7 is not, and is not intended to be, exhaustive. Written or oral communications from non-official persons relating to matters of official concern may often be confidential official information and, if in writing, official documents. As indicated by the comment to paragraph 6, the difference between documents which are covered by the enumeration in paragraph 7 (a) and information covered by the enumeration in paragraph 7 (b), and documents or information not so covered, is that in the former case there is a strong *prima facie* presumption that the document or information is both official and confidential, and in the latter case there is no such presumption.

8. Members of the Foreign Service shall, on the outbreak of war or other emergency, destroy official documents which are in their possession or custody, in accordance with the instructions in force for such

eventuality. Except in cases of emergency, they shall not destroy the originals or sole copies of official documents except under authority from the Foreign Office, unless it is clear that such documents do not possess, or no longer possess, any interest for the purpose of official record. They may, however, from time to time destroy surplus copies of documents of ephemeral interest, in accordance with standing instructions.

9.—(a) Members of the Foreign Service must not, without the permission of the Secretary of State, publish any book or article, or give any public lecture or broadcast, which is based in whole or in part upon their experiences as members of the Service or upon information obtained by them as a member of the Service.

(b) The reproduction in *extenso* of unpublished official documents (and this includes memoranda prepared by officials in their official capacity and with access to official information) is not permitted.

(c) Members of the Service, in publishing any book or article, or in giving any public lecture or broadcast talk (whether such book, lecture or talk is or is not based upon their experiences as members of the Service, or upon information obtained by them as members of the Service), must not, without the permission of the Secretary of State, refer to or permit any reference to be made to the position they hold or have held as a member of the Service.

10. Former members of the Foreign Service, or of those services which are now incorporated in the Foreign Service, remain subject to the Official Secrets Acts as regards all official documents and as regards all confidential information obtained by them while members of the Service.

11. Whenever a member of the Service ceases to be a member, he shall inform the Secretary of State of all papers in his possession which come, or may reasonably be thought to come, under any of the provisions of this Regulation. The Secretary of State may then give directions as to the future custody and disposal of such papers. A failure by the member to comply with the provision of this paragraph, or with the directions of the Secretary of State under it, will be a matter of which the Secretary of State may take account in connexion with his recommendations to the Lords Commissioners of His Majesty's Treasury as regards the award of a pension.

Comment :—

When a member of the Foreign Service dies, he cannot by his will bequeath to any other person papers which are the property of His Majesty's Government as official papers, nor can he give any right to his executors or legatees to read secret papers which he could not show to them in his lifetime. Members of the Service should make arrangements to secure that, on their death, all papers which might come under this Regulation are delivered to the Foreign Office for examination and decision as to their custody and disposal.

or a person to whom it is in the interest of the State his duty to communicate it, and (b) retains . . . the document in his possession or control when he has no right to retain it or when it is contrary to his duty to retain it; that person shall be guilty of a misdemeanour.

Subsection (3).

A person guilty of a misdemeanour under this section shall be liable to imprisonment with or without hard labour to a term not exceeding two years, or to a fine, or to both imprisonment and a fine.

Section 12.

In this Act . . . the expression "office under His Majesty" includes any office or employment in or under any department of the Government of the United Kingdom or of any British possession.

OFFICIAL SECRETS ACT, 1920. *Section 1.*

Subsection (2).

If any person (a) retains for any purpose prejudicial to the safety or the interests of the State any official document, whether or not completed or issued for use, when he has no right to retain it, or when it is contrary to his duty to retain it, or fails to comply with any direction issued by any Government Department, or any person authorised by such Department with regard to the return or disposal thereof; or (b) allows any other person to have possession of any official document issued for his use alone, or communicates any official code or password issued, or, without lawful authority or excuse, has in his possession any official document . . . issued for the use of some person other than himself, or, on obtaining possession of any document by finding or otherwise, neglects or fails to restore it to the person or authority by whom or for whose use it was issued . . . ; or (c) . . . he shall be guilty of a misdemeanour.

REGULATION No. 11. SOLICITATION OF OUTSIDE INFLUENCE IN SUPPORT OF PERSONAL CLAIMS

Members of the Foreign Service are forbidden from attempting to bring political or outside influence to support their personal claims in matters affecting the Service or their position in the Service. It must be emphasised that such attempts cannot fail to have a prejudicial effect upon the officer's career and may, in serious cases, result in disciplinary action.

Comment :—

A member of the Foreign Service, like anyone else, may write to his Member of Parliament, so long as it is about a general problem affecting others besides the writer himself, or, if it is a personal problem, so long as it is not one relative to his position in the Service. What he must not do is to attempt, when writing to a Member of Parliament or other outside person in authority, to obtain some personal advantage over other members of the Foreign Service in regard to Service matters for example, to secure some desirable appointment for himself.

REGULATION No. 12. RETIREMENT

1. Retirement at the wish of the Department will take place at any time after the officer reaches the age at which he will be eligible to receive a pension. He will not necessarily be required to retire on reaching this age.

2. The decision to retain an officer beyond his minimum retiring age will be based on the following considerations:—

- (a) Efficiency.
- (b) Physical fitness.
- (c) Necessity for promotion of junior officers at a suitable age.

- (d) Any change in the requirements of the Service after contraction or reorganisation.

Comment :—

The decision to retain an officer will be taken on the recommendation of the appropriate Promotions Board.

3. An officer may retire at his own wish when he has reached the age at which he is eligible for pension or at any time thereafter.

4. An officer of a grade not lower than that of Second Secretary (Grade A.8 or B.4) may be required to retire under the special procedure laid down in Section 2 of the Foreign Service Act, 1943.

5. An officer of a grade lower than that of Second Secretary who has attained the age of 50 years may retire voluntarily or be required to retire under the special procedure and on the conditions laid down in Section 34 of the Superannuation Act, 1949.

6. The Consular Service Order in Council, 1896, the Consular Service Order in Council, 1921, and the Consular Service Order in Council, 1935, are revoked as from 1st October, 1953.

A special increment of £50 within the scale will be payable on completion of 3 years' probation.

Comment :—

The salaries of officers in Grades 1 to 4 are at revised rates which will be introduced by stages from 1st October, 1950, to 30th September, 1951.

Grade 1 will consist of the Permanent Under-Secretary of State and the Heads of the major Missions.

Grade 2 will consist of the Political Deputy Under-Secretary of State, the Heads of the other leading Missions and the Legal Adviser.

Grade 3 will include certain Heads of Missions and other Deputy Under-Secretaries of State.

Grade 4 will include Assistant Under-Secretaries

* The salaries of grades 4 to 9 have been revised since this Regulation was issued.

of State in the Foreign Office, the Heads of certain Missions, the Minister (Deputy Head) at certain major Missions and the holders of the most important commercial diplomatic, consular and oriental secretaries' and inspectors' posts.

Grade 5 will consist of Heads of some minor Missions, of the holders of other important commercial diplomatic, consular and oriental secretaries' posts, of other inspectors' and Minister-Counsellors' posts and the Second Legal Adviser.

Grade 6 will include Heads of other minor Missions, Counsellors, the majority of Consuls-General and the Third Legal Adviser.

Grade 7 will consist of First Secretaries, Consuls and the Assistant Legal Advisers (the last-named are on a salary scale of £1,150-£1,500).

Grade 8 will consist of Second Secretaries and Senior Vice-Consuls.

Grade 9 will consist of persons who, after receiving a certificate of qualification from the Civil Service Commissioners, are appointed to the Foreign Service to serve as Third Secretaries or Vice-Consuls. Subject to satisfactory service, promotion from Grade 9 to Grade 8 will take place five years from passing the entrance examination into Branch A of the Foreign Service. This period may be reduced for members of the Foreign Service who have already served in Branch B.

2. Any officer who is called upon to assume the full duties of a post higher than his own, either at his own or at another station, may, after a continuous period of 61 days, be granted an allowance for performing such duties. Where the higher post is vacant, that is, where the salary of the post is not being paid to any other person, the allowance may be paid immediately the officer assumes the higher duties.

The allowance will be calculated so as to bring the salary of the officer up to the amount which he would receive if he were promoted to the grade in which he is acting.

Comment :—

It does not follow that an officer assuming higher duties will always receive an allowance, the payment of which will depend on his ability to assume the full duties of the post.

3. If a Head of Mission, being under the age of 60, is recalled from his post on the rupture of diplomatic relations, or in other special circumstances, and if he is not appointed to another post, he may, at the discretion of the Secretary of State, and provided that it is the intention to re-employ him in his existing grade or in a higher grade, continue to receive the full salary attaching to the post which he has just vacated, for a period not exceeding twelve months, after which the position will be reviewed. During this period of twelve months he will be required to perform such duties as may be assigned to him by the Secretary of State. If during this period he declines to proceed to any vacant post in which the Secretary of State is prepared to employ him, he will immediately be placed *en disponibilité* without salary or pension rights in respect of the period while still unemployed.

REGULATION No. 2. OUTFIT AND TRANSFER ALLOWANCES

Outfit allowances will be payable to members of Branch A of the Foreign Service on the following basis :—

1. The actual reasonable cost of a Foreign Service uniform when its purchase is authorised.

2. On first appointment abroad :—

£200 if the officer is married ; £100 if he is unmarried.

Comment :—

The allowance referred to in paragraph 2 is intended to assist the newly-appointed officer to meet the expenses of purchasing the clothes required for formal occasions and such other equipment as an officer serving abroad may require. Payment of allowances under paragraphs 1 and 2 will be subject to the production of a certificate that the sums claimed have been expended for the purposes laid down.

3. On first appointment as Head of a Mission in Grade 5 or above and on first appointment as Head of a Mission in Grade 2 or Grade 1 : £200.

Comment :—

The above paragraph means that a Head of a Mission is entitled to the outfit allowance of £200 on not more than two occasions.

4. On appointment to a post at home after service abroad :—

One-tenth of the mean of the salary scale of the grade of the officer concerned.

5. On transfer from one post abroad to another post abroad, or from the United Kingdom to a post abroad other than in the cases provided for in paragraphs 2 and 3 above :—

One-tenth of the mean of the salary scale of the grade of the officer concerned in the case of a transfer to a post where furniture is not provided, and one-twentieth if furniture is provided, or the cost of furnished accommodation is met from public funds, subject to a minimum of £25.

Comment :—

(1) Where transfer is accompanied by promotion the amounts provided under paragraphs 4 and 5 will be calculated on the new salary. No outfit allowance will be granted in respect of promotion alone.

(2) Pending the provision for Heads of Missions of residences fully equipped with linen, blankets, china, glass and plate, outfit allowances will be payable to Heads of Missions on the basis of the regulations in force on the 1st January, 1946, less percentage deductions for such of the above items of equipment as may have been supplied at public expense, always provided that the residual outfit allowance payable to a Head of a Mission shall not be reduced below those prescribed in paragraphs 3 and 5 above.

6. On appointment to a post at which special clothing is, in the opinion of the Secretary of State, necessary for climatic reasons, the above allowances will be increased by the actual cost of such clothing up to £50 in respect of an unmarried officer and up to £75 in respect of a married officer whose wife accompanies him. These increases will be subject to the production of a certificate that the sums claimed have been expended for the purposes laid down, and will be limited to three occasions during an officer's career.

7. On promotion with or without transfer: the actual cost of the alteration of the uniform rendered necessary by the promotion provided that the cost is reasonable and is supported by a certificate that the amount has been paid for the purpose stated.

Comment :—

(1) Where an officer prefers to buy a new uniform instead of having his present one altered, he may receive the cost which would have been incurred if he had had the necessary alterations made to his existing uniform.

(2) An allowance for a new uniform will not be granted except where special circumstances are proved to the satisfaction of the Secretary of State.

REGULATION No. 3. FOREIGN ALLOWANCES

1. A foreign allowance, or in the case of Heads of Diplomatic Missions *frais de représentation*, will be assigned to officers of Branch A serving abroad.

Comment :—

(1) Salary is intended to cover necessary expenditure in the United Kingdom and to take the first strain of the cost of living of the officer abroad, foreign allowances supplementing it to the extent to which the salary falls short of total necessary expenditure. In assessing foreign allowances, the following items *inter alia* are taken into account: (a) local cost of living; (b) expenditure which an officer serving abroad necessarily incurs, either at home or abroad, over and above that of an officer of corresponding grade serving in the Foreign Office; and (c) representational expenditure, i.e., expenditure which, while optional for a private individual, is obligatory for a member of the Foreign Service resident abroad by virtue of his official position.

(2) Foreign allowance is not subject to United Kingdom income tax.

2. The amount of a foreign allowance to be assigned to an officer will be determined by the Secretary of State in the light of the conditions at the particular post.

3. When an officer to whom a foreign allowance is assigned is absent from his post abroad, the foreign allowance will be paid on the basis specified in paragraphs 4-8 of this regulation.

4. When an officer who is to return to his station after his absence is—

(i) *Absent on Duty.*

(a) In the United Kingdom.

He will retain the foreign allowance of his post, less 12½ per cent. and draw subsistence allowance at the rates in force for the United Kingdom.

Comment :—

In the case of a married officer who takes his wife and family (if any) with him, he will draw subsistence allowance for himself only. The position will be reviewed after two months' absence. The officer will be responsible for the travelling expenses of his wife and family.

(b) Temporarily attached to another station.

He will retain the whole of the foreign allowance of his own post or draw that of the temporary post, whichever is the higher, and subsistence allowance at the discretion of the Secretary of State. Where approval is given for his wife to accompany him officially, he may also draw subsistence allowance for his wife at the discretion of the Secretary of State.

(c) In circumstances other than (a) and (b).

He will retain the foreign allowance of his post, less 12½ per cent., and draw subsistence allowance. When an officer is married and approval is given for his wife to accompany him officially, he may draw subsistence allowance for his wife.

(ii) *Absent on Earned Leave.*

He will draw no subsistence allowance but will retain the foreign allowance of his post, less 12½ per cent.

(iii) *Absent on Sick Leave outside the Country where he is posted.*

If the officer is married, and takes his wife and family (if any) with him, or if he is unmarried, he will retain the foreign allowance of his post less one-third, for such period as the Secretary of State considers reasonable in the circumstances. At the end of such period the Secretary of State will exercise full discretion with regard to the further payment of foreign allowance. If the officer is married and leaves his wife and family (if any) at his station, his case will be dealt with on its merits.

5. The reductions under paragraphs 4 (i) (a) and 4 (i) (c) above will not be applied in respect of brief absences on duty within a total of 14 days in one calendar year. The reduction under paragraph 4 (ii) will not be applied in respect of brief absences on leave within a total of 14 days in one calendar year.

The reduction under paragraph 4 (i) (c) will not be applied to a Head of Mission who is absent from his station but on duty within the country to which he is accredited nor will it be applied to a head of a consular post who is away from his station but on duty within his consular district.

6. When an officer who is *not* returning to his post after his absence is—

(i) *On Temporary Duty.*

(a) *In the United Kingdom.*

He will cease to receive his foreign allowance and will receive a taxable allowance at the following annual rates:—

Married Officers.

Grade 5	460
Grade 6	490
Grade 7	420
Grades 8 and 9	170

Grade 5	220
Grade 6	240
Grade 7	210
Grades 8 and 9	85

(b) *At another station.*

He will receive the foreign allowance of the post.

(ii) *On Earned Leave.*

He will receive the allowance described in paragraph 6 (i) (a) above.

(iii) *On Sick Leave in the United Kingdom.*

No allowance will be payable.

7. When a married officer, who is not returning to his station, is absent on temporary duty or on earned leave but leaves his wife and family (if any) at his station the case will be dealt with on its merits.

8. An officer, married or unmarried, who is on sick leave in the country where he is posted will retain his foreign allowance, less 12½ per cent., for two months. Thereafter he will receive two-thirds of the full allowance for such period as the Secretary of State considers reasonable in the circumstances.

9. An officer who is called upon to assume the full duties of a higher post at his own station will receive an allowance equivalent to 12½ per cent. of the foreign allowance of an officer of his own marital status of the grade of the higher post, always provided that the officer's own foreign allowance together with the acting allowance shall not exceed the foreign allowance of the grade for which he is acting.

10. The additional foreign allowance referred to in paragraph 9 above will not be payable to any officer substituting for an officer absent on duty or leave and in receipt of his full foreign allowance under paragraph 5 above.

11. An officer who is called upon to assume the full duties of a higher post at another station will receive the foreign allowance of that higher post.

12. Subject to a deduction of 12½ per cent. to be granted to the Chargé d'Affaires as provided in paragraph 13 of this Regulation, the Head of a Diplomatic

Mission will continue to receive his *frais de représentation* in full during absences on authorised leave or on duty outside the country to which he is accredited on the condition that he continues to defray the expenses of the upkeep of the Mission during his absence. On the expiry of his authorised leave, if he is still absent from his post, the extent of any further deduction will be determined by the Secretary of State.

13. When an officer acts as Chargé d'Affaires at a Diplomatic Mission during the absence of the Head of Mission he will draw, in addition to his own foreign allowance, an allowance equivalent to 12½ per cent. of the *frais de représentation* of the absent Head of Mission to enable him to meet the additional cost of entertainment.

REGULATION No. 4. HOME SERVICE ALLOWANCES

1. Home Service allowances will be payable to members of certain grades of Branch A of the Foreign Service appointed for duty at the Foreign Office after service abroad. They comprise three elements:—

This allowance is not payable in respect of more than two children unless the Secretary of State, at his discretion, so decides.

5. The period during which these allowances will be payable to any individual will be limited to a maximum of five years, before the expiry of which an officer may ordinarily expect to have again been posted abroad.

REGULATION No. 5. LEAVE

The following Regulation applies to members of Branch A of the Foreign Service:—

I.—Ordinary Leave.

1. Permission to take ordinary leave can only be granted subject to the exigencies of the Service.

2.—(a) Officers can take the ordinary leave for which they are eligible under this regulation only with the permission:—

- (i) in the case of officers serving at a post abroad, of the Secretary of State and, where applicable, of the Head of the post or of the superintending post, or in the case of superintending consular officers, of the Head of the Mission;
- (ii) in the case of an Assistant Under-Secretary or of the Head of a Department in the Foreign Office, of the Permanent Under-Secretary of State or of the Superintending Under-Secretary of State as the case may be;
- (iii) in the case of other officers serving in United Kingdom, of the Head of the Department in which they are serving.

(b) Applications for leave from Heads of posts should state the name of the officer to be left in charge.

(c) Brief absences on local leave may be authorised by the Head of the post without reference to the Foreign Office. Such absences must, however, be reported in Life Certificates.

3. In calculating for the purposes of paragraphs 6 to 11 below, the number of days of ordinary leave to which an officer is eligible at any time:—

- (a) Sundays, occurring during a period when leave is being taken, are counted;
- (b) the remainder of the calendar year in which leave is taken may, if the officer so desires, be included in the computation;
- (c) if an officer falls sick while on ordinary leave, or during travelling time under paragraph 11 below and furnishes a medical certificate to that effect, the period of sickness will be regarded as sick leave.

4. Officers serving in the United Kingdom are eligible for the amount of ordinary leave prescribed in paragraph 6.

5. The provisions of paragraphs 7 to 11 apply only to officers serving abroad.

6. Members of Branch A of the Foreign Service are eligible for ordinary leave at the rate of 42 days per annum during the first ten years of their service and 56 days per annum thereafter, together with any additional leave for which they may be eligible under paragraph 7 of this regulation.

Comment:—

An officer taking leave in respect of a period of service for which only a part falls within his first ten years, is eligible for leave at the rate of 42 days per annum in respect of that part and at the rate of 56 days per annum for the remainder of the period.

7. Officers who are stationed at certain posts or in certain countries, which shall from time to time be specified by the Secretary of State with the approval of the Treasury as unhealthy for purposes of leave of absence, and who, at the expiration of their leave, return to the same post or any other of the specified posts, are eligible for additional ordinary leave at the rate of 14 days per annum, with a maximum accumulation of 28 days.

8. Subject to the limitations of paragraph 10 below, ordinary leave may be taken:—

- (a) in the country where the officer is serving or in another country;
- (b) in one period during the calendar year covering all the leave for which the officer is eligible in that year;
- (c) in more than one period during the calendar year;
- (d) by accumulating in accordance with paragraph 10 below, the leave to which the officer is entitled (or any part thereof) over a period of more than one year.

Comment:—

Officers passing through the United Kingdom on transfer will normally be required to take at that time any leave for which they are then eligible.

9. Where an officer has spent sick leave in the United Kingdom, he should take any ordinary leave for which he is eligible at the time his sick leave terminates before he returns to his post abroad, unless the Secretary of State decides otherwise.

10. The following rules are applicable to accumulated leave:—

- (a) No officer of less than ten years' service can accumulate more than 126 days ordinary leave and no other officer more than 168 days ordinary leave. These limits of 126 and 168 days respectively are increased by 28 days in the case of officers serving at the posts or in the countries referred to in paragraph 7 of this regulation.
- (b) An officer who has accumulated ordinary leave must, unless the Secretary of State decides otherwise, on the next occasion when he is granted travelling time and travelling expenses for the purpose of proceeding on leave, take all the accumulated leave to which he is then entitled.
- (c) Save in exceptional circumstances and with the express permission of the Secretary of State, no leave may be accumulated in respect of service in the United Kingdom.

11. Travelling time (i.e., the time actually occupied by the outward and return journey by an approved route between the country where the officer is serving and the country where he is taking his leave) is allowed on one occasion in respect of each calendar year in addition to the periods of ordinary leave under the previous paragraphs of this regulation with the proviso that travelling time thus allowed shall not exceed the time occupied by a journey to and from the United Kingdom by an approved route.

Comment:—

For the conditions on which travelling allowances are granted, see Regulation No. 6.

II.—Sick Leave.

12. Unless otherwise stated, the following paragraphs of this regulation, apply to members of the Service whether they are serving in the United Kingdom or abroad.

13. The grant of sick leave is subject in all cases to the Secretary of State being satisfied that the officer

to whom it is granted has a reasonable prospect of recovery so as to enable him to return to his duties.

14. The grant of sick leave to any officer for a period exceeding four days is conditional on the production by the officer of a certificate by a duly qualified medical practitioner indicating the nature of the illness and the period estimated to be required for recovery. If the number of days during which any officer is absent on sick leave in any period of twelve months without such certificate shall exceed seven in the aggregate, the number of days of absence in excess of seven shall be deducted from the amount of ordinary leave allowable.

15. The permissions required for the grant of sick leave are the same as those described for ordinary leave in paragraph 2 of this Regulation. In the case of officers serving abroad, no reference need be made to the Foreign Office for any period of sick leave not exceeding 14 days.

16. The Secretary of State may require further medical certificates or periodical medical certificates reporting progress where he considers it desirable.

17. Subject to the provision of a medical certificate showing that the officer is likely to be able to resume his duties within a reasonable period, sick leave on full pay may be granted for a period or periods not exceeding six months in the aggregate during any period of twelve months. An officer who has had sick leave on full pay for the maximum period may be granted sick leave on half pay, subject always to a maximum of twelve months' sick leave (whether on whole or half pay and whether on the basis of a medical certificate or not) in any period of four years.

18. Where an officer has been granted the maximum amount of sick leave which can be granted on full or half pay, the grant of further sick leave will be conditional on the receipt by the Secretary of State of a reliable medical certificate showing that the officer is considered likely to be able to resume his duties within a reasonable period. If further sick leave is granted, the officer may be paid a salary at the rate not exceeding the amount of pension (if any) for which he would have been qualified if he had retired for reasons of health at the time when his period of sick leave expired (hereafter referred to as pension rate of pay); or on half pay if this would be less than pension rate of pay. If the officer is unable to furnish a medical certificate as described above, the Secretary of State may, if he thinks fit, call on him to retire on grounds of ill-health.

Comment :—

(1) Periods of sick leave in excess of twelve months during any period of four years will be excluded from service on which annual increments of salary, or pension on retirement are calculated.

(2) See paragraph 9 of this Regulation as to the taking of accrued ordinary leave at the end of sick leave in the case of an officer serving abroad.

(3) See paragraph 3 (c) of this Regulation as regards officers falling sick during their ordinary leave.

III.—Leave (General).

19. Every officer serving abroad must inform the Personnel Department, in advance if possible, of the date on which he intends to proceed on leave, and of the address to which he is going. Every subsequent change of address must be reported to that Department.

20. Every officer serving abroad must inform the Personnel Department in advance of the date on which he intends to leave the United Kingdom in order to return to his post from leave.

21. The actual dates of every officer's departure from his post abroad on leave and of his return must be officially reported to the Foreign Office by telegram in the case of heads of posts and by despatch in other cases.

Comment :—

When circumstances permit, officers serving abroad will be expected to spend their ordinary leave in the United Kingdom in order that they may keep in touch with developments in this country. They will be expected to undertake such tours or refresher courses and to pay such visits to Government Departments in London as are required of them. Time spent in this way will not count against leave. Officers will, during the period of such tours and visits, be eligible for subsistence allowance at the home rates. (See Regulation No. 6).

22. Every officer serving in the United Kingdom must, whenever absent from the Foreign Office, for whatever reason, leave his address with his superior officer or must follow such other procedure in this connexion as may be indicated in the departmental instructions in force at the time.

REGULATION No. 6. TRAVELLING ALLOWANCES

1. This regulation applies exclusively to members of Branch A of the Service.

2. Whenever an officer makes a journey on public Service, the amount of fares by rail, ship, aircraft or motor car, as the case may be, for the journey in question by the approved route will be payable to him.

Comment :—

The "approved route" means the route approved for the particular journey in question. In many cases there is a standard route for journeys between different countries which will be the "approved route." An officer who makes the journey by a route other than the approved route (e.g., travels by air or in his own car when the approved route is by rail, &c.) will not be able to claim more than the amount payable for a journey by the approved route. On the other hand, if the route which he takes is cheaper than the approved route he will not be able to claim more than the actual expenses incurred.

3. Journeys on the public Service include :—

(a) Any journey made by an officer serving at home or abroad for the purpose of attending an international conference or discussion or consultation, or of making a tour or visit, which the officer makes with the authority of the Secretary of State.

Comment :—

The Secretary of State may delegate to the Head of a Diplomatic Mission authority to sanction journeys by members of the Service in the territories within his jurisdiction.

(b) Any journey from the United Kingdom made by an officer to his post abroad on his appointment to such a post.

(c) Any journey to his new post made by an officer on transfer from the place where the officer was previously serving or, if he was on leave at the time of transfer, from the place where he was spending his leave. If, however, the journey from the place where he was spending his leave is more expensive than the journey from his previous post, the officer will not be able to claim more than the amount payable in respect of a journey from the United Kingdom or from his previous post as the Secretary of State may decide.

(d) Where the journey in the cases referred to in (b) and (c) above is made by an officer who is being moved at his own request before the completion of 3 years' service at his post or by an officer who is

being moved on account of misconduct, the officer is not entitled to be repaid the cost of his travelling expenses.

4. The amount of the fares by rail, ship, aircraft or motor car, as the case may be, by an approved route, will be payable to an officer serving abroad :—

(a) If he is proceeding from or returning to his post during ordinary leave, in the cases specified in paragraph 5 below.

(b) If he is proceeding from or returning to his post during sick leave, in the cases specified in paragraph 6 below.

(c) If he is retiring on pension and is proceeding from his post to his place of retirement. If the journey to the place of his retirement is a more expensive journey than a journey to the United Kingdom, the officer will not be entitled to claim more than would be payable in respect of the journey to the United Kingdom.

Comment :—

An officer who retires in circumstances where he is not granted a pension (i.e., at his own request or for misconduct) may not claim any travelling allowances on retirement.

5. An officer will only be entitled to receive the amount of fares in the case referred to in paragraph 4 (a) above (ordinary leave) after 24 months' consecutive service abroad, or in the case of officers serving at certain posts or in certain countries which are regarded as unhealthy for purposes of leave, after 18 months' service. Where leave is taken in a country other than the United Kingdom, the amounts payable in respect of fares will not usually be paid from public funds and will only be allowed if the Secretary of State decides that payment from public funds is warranted by the special circumstances of the case and, in any case, will not exceed those which would be payable in respect of a journey to or from the United Kingdom by an approved route. If, however, the amount of the fares to or from the place at which leave is being taken is less than the amount of the fares for a journey to the United Kingdom, the officer will not receive more than the amount of the fares for the journey actually taken.

6. In the cases referred to in paragraph 4 (b) above (sick leave), the Secretary of State may at his discretion allow the payment to the officer of the amount of the fares from his post to such place as the officer may proceed under medical advice on health grounds or for the purposes of undergoing treatment which is not available locally.

Comment :—

The Secretary of State will require, before sanctioning the payment of the amount of fares under the above paragraph, the production of a certificate by a duly qualified medical practitioner that it is necessary for the officer to proceed to the place to which the journey is made on health grounds.

7.—(a) An officer who is making a journey in any of the cases referred to in (b) or (c) of paragraph 3 or in (a) or (c) of paragraph 4 above will be entitled to receive the amount of the fares by the approved route for members of his family, as defined in paragraph (b) below. In the cases referred to in (a) of paragraph 3 and (b) of paragraph 4 he will only be entitled to receive the amounts of the fares for any members of his family if the Secretary of State in any particular case so decides.

Comment :—

(1) Families will be expected to travel together. Where the officer's family do not travel with him their expenses will not be paid unless the Secretary of State is satisfied that there was a good reason for

separate journeys. Family travelling expenses will be payable only where the family reside continuously with the officer at his post and not in respect of short term visits to the post.

(2) Travelling expenses will be allowed for an officer's wife in cases under (a) of paragraph 3 only where the journey is a local duty journey of a strictly representational or ceremonial nature and where the Secretary of State has been satisfied in advance that it was necessary or desirable for her to accompany the officer.

(3) Where, for the reasons given in paragraphs 3 (d) and the comment to paragraph 4, the officer is not entitled to receive the amount of the fares for himself, he will not be able to claim them for his family.

(b) The members of an officer's family referred to in (a) above are—

(i) his wife, or if he is unmarried or a widower and is not living in an hotel, a sister or other relative who lives with him and acts as his hostess ;

(ii) sons who at the time of the commencement of the journey are under 16 years of age, or who, though 16 years of age or over, reside with and are dependent on their father by reason of physical or mental infirmity ;

(iii) unmarried daughters residing with and dependent on their father ;

(iv) sons up to the age of 18 years who are resident at their father's post abroad and are receiving full-time education at that post.

Comment :—

Adopted or step-sons or daughters are included in the above enumeration.

(c) The amount of the fares of the members of the family of an officer serving abroad who dies, leaving his family abroad, for a journey from the place where they are to go, will be paid at the request of his widow or other member of his family up to the amount of the fares from the officer's post to the United Kingdom.

(d) If a member of the family of an officer serving abroad who is resident with the officer at his post is seriously ill and is required to proceed elsewhere on health grounds or for the purposes of treatment, the Secretary of State may, at his discretion allow payment to the officer of the return fares of the sick person and (where necessary) another person travelling with the sick person, from the officer's post to such place as the sick person may proceed on medical advice.

Comment :—

The comment to paragraph 6 above applies here.

8.—(a) An officer who is making a journey in any of the cases referred to in (b) or (c) of paragraph 3 or (a) or (c) of paragraph 4 above will be entitled to receive the amount of the fares by the approved route for servants (within the limits specified in paragraph (b) below). The Secretary of State may in special circumstances authorise the payment of the fares for a servant accompanying the officer in the cases referred to in (b) of paragraph 4 (provided no member of the family is also accompanying the officer) and (a) of paragraph 3 above.

(b) The maximum number of servants in respect of whom the amounts of fares may be paid are—

Heads of Missions : 5 ;

Married officers in Grades 4, 5 and 6 (other than Heads of Missions) : 3 ;

Married officers in Grades 7 to 9, and unmarried officers in Grades 4, 5, 6 : 2 ;

Other officers : 1 ;
except that in the cases referred to in (a) of paragraph 4 (ordinary leave) the maximum number of servants is—

Heads of Missions : 3 ;

Married officers in Grades 4 to 6 (other than Heads of Missions) : 2 ;

Other officers : 1.

Comment :—

Comments (1) and (2) to paragraph 7 (a) above also apply to the case of servants.

(c) Where an officer serving abroad dies, leaving at his post servants whom he had brought from the United Kingdom or elsewhere to his post and for whose return to their homes he has made himself responsible, the amount of the fares for such servants (within the limits of (b) above) for a journey from his post to their homes will be paid on request up to the amount of the fares to the United Kingdom.

9. Where the amounts of fares are payable under the previous paragraphs of this Regulation these fares will be (a) in the case of the officer or members of his family, first-class fares, including sleeping berths for a land journey, (b) in the case of servants, third-class fares in the United Kingdom and second-class fares elsewhere. Where, however, the servant is a nurse or governess travelling with the officer's child or children of 10 years of age or under, a first-class fare will be paid. (This does not apply to a journey, or part of a journey by land where (a) there is only one such child, or (b) first-class sleeping accommodation is obtainable on payment of a supplement to a second-class fare, in which case this supplement will be payable.) First-class fares will, however, be payable in respect of servants in cases where no second-class accommodation is available, or, in exceptional cases abroad where the Secretary of State is satisfied that second-class accommodation is unsuitable for Europeans.

10.—(a) In any case where the amount of fares is payable under the preceding paragraphs of this regulation, except in the case of journeys on ordinary and sick leave, a subsistence allowance will be granted to meet the expenses of food and sleeping accommodation, where these are not included in the fare. The subsistence allowance (or a proportion thereof—see (b) below) will be at the rate in force at the time for the countries traversed by the approved route or for journeys by sea, except when reduced as under (c) below.

(b) Full subsistence allowance will be payable in respect of the officer himself, three quarters of the full allowance for his wife, one half of the full allowance for every other member of his family above the age of 12 months, and three-eighths of the full allowance for servants, subject to the limitation as to numbers laid down in paragraphs 7 (b) and 8 (b) of this Regulation.

(c) Where some, but not all, of the items for which subsistence allowance is granted are provided under the fare, the subsistence allowance will be proportionately reduced.

Comment :—

(1) Where the expenses of a sleeping berth on a long journey are paid, only two thirds of the subsistence allowance to meet the cost of food will be granted.

(2) Subsistence allowances are payable only in cases where fares are payable or if the expenses which the allowance is designed to meet are not covered by the payment of a fare. Consequently, they are payable, *inter alia*, in the cases in 7 (c) or 8 (e), but not in cases under 3 (d) or when the officer retires in circumstances where he is not granted a pension (*i.e.*, at his own request or for misconduct).

(3) See the comment to paragraph 2 above.

11. Necessary expenses (such as taxi fares, fees for registration of luggage, portage, &c.) incidental to the journey in respect of which the amount of the fare is payable under the preceding paragraphs of this regulation will be payable to the officer on his application.

Comment :—

(1) Only incidental expenses which are reasonably necessary will be payable under this paragraph and the officer will be required to certify that the expenses which he claims were necessarily incurred.

(2) The comment to paragraph 2 above and comments (1) and (3) to paragraph 7 (a) above apply to claims to these expenses.

12. Where an officer is proceeding to his post on transfer or on first appointment abroad or leaving his post on retirement on pension or on an appointment to the United Kingdom, or when an officer dies while serving abroad, the cost of transporting his personal effects by an approved route and method of transport will be allowed up to such amount as the Secretary of State may consider to be reasonable, except in the circumstances indicated in paragraph 3 (d) or where the officer retires in circumstances where he is not granted a pension (*i.e.*, at his own request or for misconduct).

Comment :—

(1) This paragraph applies to heavy luggage containing personal effects as opposed to ordinary travelling luggage, which goes under paragraph 11 above, and the furniture which is dealt with in paragraph 13 below. It includes such things as clothes, household linen, books and small articles of decoration. The cost of transporting heavy articles such as pianos, radiograms and large gramophones would not be allowed under this head. As regards the transport of motor cars, see paragraph 16.

(2) Comments (1) and (3) to paragraph 7 (a) above also apply here.

13.—(a) Where an officer is appointed or transferred to a post and has been authorised by the Secretary of State to rent unfurnished accommodation, the cost of packing, unpacking and transporting the officer's own furniture by an approved route and method of transport to his post will be allowed, but only within the following limits :—

(i) In the case of unmarried officers below Grade 6 up to 4 tons, or 800 cubic feet, or 23 cubic metres.

(ii) In the case of married or unmarried officers of Grades 1 to 6, and married officers of lower grades, up to 10½ tons, or 2,100 cubic feet, or 60 cubic metres.

Comment :—

(1) The limits specified in (ii) above are the equivalent of about three van loads.

(2) In order to ensure that claims for the cost of transporting furniture are as low as possible, officers should, whenever possible, obtain three competitive tenders for transport, including insurance of the risk against damage in transport.

(3) Where the cost of packing cases or lift vans is included in the charge for removal of furniture, these may be either retained for further use or sold and the proceeds of sale credited to public funds. No storage charges for empty cases or vans can be allowed.

(b) Where an officer is allowed the cost of transporting his furniture under (a) above but cannot immediately find suitable unfurnished accommodation at his new post, he will be allowed storage charges

for furniture up to the limits specified in (a) above, for a reasonable period.

Comment :—

The storage under (b) may be at his new post or his old post. The period allowed will not ordinarily exceed 3 months. Storage charges in the United Kingdom will not be accepted.

(c) Where an officer has been given a rent allowance for furnished accommodation or where his official residence, though furnished, has not been completely equipped, he will be allowed the cost of transporting by an approved route and method of transport any essential articles of furniture, which are not included in the furniture provided.

(d) Where an officer is leaving his post on retirement, on pension or on appointment to the United Kingdom, or when an officer serving abroad dies, the cost of transporting his furniture to the United Kingdom or place of retirement by an approved route and method of transport will be allowed up to the limits as to quantity specified in (a) above, and up to the limits as to cost of the transport to London. In the case of an officer on retirement the cost of transport to his place of retirement in the United Kingdom may be paid.

(e) Where the officer is being moved in the circumstances indicated in paragraphs 3 (d) and in the comment to paragraph 4, no allowances can be claimed under this paragraph.

14. Where an officer serving abroad is, at the time of his transfer to a new appointment, in possession of furniture at his old post and is not granted an allowance for transferring his furniture to his new post under paragraph 13 (a) above, the officer will, at his option, be allowed (unless the transfer is made in the circumstances indicated in paragraphs 3 (d) or in the comment to paragraph 4) either the cost of removing the furniture to London up to the limits of the quantity of furniture specified in 13 (a), or the cost of storing the furniture up to these limits as to quantity, and up to the limits as to cost of the transport of the furniture to London.

Comment :—

If the officer is subsequently transferred to another post abroad in circumstances where he may be allowed the cost of removing his furniture to this post, he is then eligible to apply for the cost of removing his furniture under paragraph 13 (a) from London or the place abroad where he stored it, as the case may be. If he retires on pension or dies and his furniture has been stored abroad under paragraph 14, application may be made for the cost of removing his furniture to London under paragraph 13 (d).

15.—(a) Where an allowance is granted for the purpose of removing furniture under paragraphs 13 (a) or (d) or 14, or of removing essential articles of furniture under paragraph 13 (c) or of removing heavy luggage under paragraph 12, the reasonable cost of insuring during transit will also be allowed up to the limits specified in (b) below.

Comment :—

Only the premium to cover the additional risks on removal will be allowed. No allowance for insurance will be given in so far as the risk is covered by the contract of removal and therefore covered by the allowances for removal.

(b) The limits referred to in (a) of this paragraph are :—

(i) *Where an allowance for the removal of furniture has been given, under paragraph 13 (a).*

The total value of all insured property shall not exceed—

	£
In the case of the Head of a Mission ...	5,000
In the case of Officers in Grades 4, 5 and 6 (other than Heads of Missions) ...	3,000
In the case of other married officers ...	2,000
In the case of other unmarried officers ...	1,000

(ii) *Where an allowance for the removal of essential articles of furniture has been given, under paragraph 13 (c).*

The total value of all insured property shall not exceed—

	£
In the case of the Head of a Mission ...	4,000
In the case of Officers in Grades 4, 5 and 6 (other than Heads of Missions) ...	2,000
In the case of other married officers ...	1,500
In the case of other unmarried officers ...	750

(iii) *Where an allowance for the removal of personal effects only has been given, under paragraph 12.*

The total value of all insured property shall not exceed—

	£
In the case of the Head of a Mission ...	2,000
In the case of Officers in Grades 4, 5, and 6 (other than Heads of Missions) ...	1,500
In the case of other married officers ...	1,000
In the case of other unmarried officers ...	500

16. Where an officer is appointed or transferred to a post at which it is necessary for the proper execution of his duties that he should have his own private motor car and where the Secretary of State is satisfied that it is not possible for the officer to purchase a car locally on reasonable conditions, the cost of transporting a car from the United Kingdom or from his previous post by an approved route and method of transport may, in certain circumstances, be allowed.

Comment :—

The motor car need not be included within the limits as regards weight and cubic capacity specified in paragraph 13 above.

17. Where an officer already has a life insurance policy which does not cover the risk of a journey or of service abroad, the amount of the extra premium necessary to extend the insurance to cover these risks may be allowed.

If an officer's existing life insurance has been effected with a company which is unwilling to extend the insurance to cover risk abroad the cost of the premium necessary to cover the extra risk with another company, may be allowed.

If an officer takes out a new life insurance cover or increases an existing cover, the additional premium to cover risk of travel and service abroad may be allowed.

Payments under this paragraph will be limited to policies covering amounts not exceeding in total twice the officer's annual salary.

REGULATION No. 7. RENT ALLOWANCES

1. A member of Branch A of the Foreign Service serving abroad at a post at which a furnished residence is not provided, will receive a rent allowance sufficient, in the opinion of the Secretary of State, to enable him to defray the cost of renting suitable furnished accommodation, excluding services and other tenant's charges. Alternatively, in special cases approved by the Secretary of State, an officer may be provided with a rent allowance sufficient to enable him to defray the cost of renting suitable unfurnished accommodation,

excluding services and other tenant's charges, in which case under the provisions and within the limits of paragraph 13 (a) of Regulation No. 6 he is entitled to claim the cost of transporting his own furniture to his post.

Comment :—

The Ministry of Works Regulations regarding Government property will apply in all cases where Government furniture is provided. No charge will be made for the use of Government furniture.

2. The rent allowance becomes payable from the day when an officer arrives at his post unless he is granted a subsistence allowance, in which case it becomes payable when this allowance terminates. Subject to paragraph 4 below, rent allowance ceases to be payable on the day on which the officer leaves his post on termination of his appointment.

3. An officer who is unable to find suitable accommodation immediately on arrival at his new post may be allowed to claim, in lieu of foreign and rent allowances, subsistence allowance for himself and for each member of his family (including servants) for whom fares are payable from public funds for a period not normally exceeding 28 days, and at the rates specified in paragraph 10 of Regulation No. 6.

4. Where an officer who has been granted a rent allowance is transferred to another post otherwise than at his own request and can show that he has been unable to dispose of the lease of his residence, he will be allowed to claim, as compensation for the rent for which he is liable, a sum which shall not exceed the rent allowance previously granted to him, for a period which will be determined by the Secretary of State but which will not exceed three months except in special cases.

5. An officer who has been granted a rent allowance may receive that allowance during the periods of authorised absence if the Secretary of State is satisfied that he has not been able to sub-let.

Comment :—

Officers who rent accommodation must furnish a certificate from the Head of the Diplomatic Mission or the Superintending consular officer—as the case may be—that they have made the most economical arrangements consistent with their rank and requirements. They must themselves defray any additional expenditure on rent which may be caused by maintaining larger or more expensive establishments than are necessary. They must also endeavour to obtain a clause (known as a “diplomatic clause”) in any lease which will enable them to terminate it at short notice in the event of transfer before its expiry. In the case of a tenancy agreement which does not already provide for termination at short notice, an agreement should be made in writing with the lessor to enable the tenancy to be terminated before its expiry if the lessee is transferred.

REGULATION No. 8. LANGUAGE ALLOWANCES

1. A language allowance of £100 a year (taxable) will be payable to any officer of Branch A of the Foreign Service who is certified by the Civil Service Commission to have passed an examination in and to possess a competent knowledge, colloquial and otherwise, for ordinary purposes, of any of the following languages :—

CLASS I.

Chinese.	Amharic.	Burmese.
Japanese.	Arabic.	Korean.
Siamese.	Persian.	

CLASS II.

Bulgarian.	Hungarian.	Russian.
Czech or Slovak.	Modern Greek.	Serbo-Croat.
Finnish.	Polish.	Turkish.

2. The allowance may be increased to £200 a year (taxable) to officers who acquire a high standard of proficiency in any of the languages in Class I.

Comment :—

(1) Members of Branch A of the Foreign Service will be expected, wherever possible, to learn the language of the country in which they are posted, and may be allowed tuition fees on a reasonable scale for all languages other than French. The approval of the Secretary of State must be obtained for the course of study proposed before expenditure is incurred under this regulation. It will be necessary to requalify for £100 (but not for the £200) allowance after an absence of five years or more from a country where the allowance is payable. Tuition fees can only be claimed once in respect of the same language.

(2) Examinations for both lower and higher standards are held abroad and in London, as necessary, not more often than once in six months, at the request of officers who wish to compete.

3. Language allowances will be payable only in respect of the language of the country in which the officer is currently serving.

Comment :—

(1) An officer may receive at any time only one allowance under the provisions of this paragraph.

(2) As a general rule an allowance is payable only where the language concerned is an official language of the country.

REGULATION No. 9. TRANSFERS AND PROMOTIONS

This regulation applies to members of Branch A of the Foreign Service.

1. In regard to all appointments whatever in the Service, the Secretary of State will be free to make any such selection as, on his own responsibility, he may deem right without being bound by claims founded on seniority or on membership of the Service.

Comments :—

(1) The Secretary of State is not bound by the recommendations referred to in paragraphs 3 and 4 below.

(2) In accordance with Article 5 (3) of the Foreign Service Order in Council, 1943, the secondment or appointment of Foreign Service officers to posts outside the Foreign Service will not be excluded when it can be shown to be useful to the public service.

2. All members of the Service, whether married or unmarried, must be prepared to go to any post at which their services may be required.

Comment :—

When appointments and transfers are made account will be taken, so far as possible, of the circumstances and wishes of the individual; members of the Service will, however, be expected, save in exceptional circumstances, to regard an intimation that they are to be transferred to a certain post as an order and not as a request.

3. Recommendations for transfers and promotions in or to grade 6 or higher grades will be made to the Secretary of State by the Promotions Board.

Comment :—

The Promotions Board will be convened by the Permanent Under-Secretary as and when he considers it desirable for the purpose of advising the Secretary of State on appointments to higher posts in the Service as well as on other administrative or disciplinary questions. The Board will sit under the Chairmanship of the Permanent Under-Secretary of State and will ordinarily consist of the Parliamentary Under-Secretary of State, the Deputy and Assistant Under-Secretaries of State, the head of the Personnel Department, and the Principal Private Secretary to the Secretary of State. The President of the Board of Trade will be represented when appropriate.

4. Recommendations for transfers and promotions in or to grades 7, 8 and 9 of Branch A will be made by the Personnel Department in consultation with the Private Secretary to the Secretary of State, and the head of Department and Under-Secretary concerned. These recommendations will be subject to the approval of the Under-Secretary of State for Administration.

REGULATION No. 10. DISCIPLINARY QUESTIONS

1.—(1) This Regulation applies to all cases where a member of the Service is accused of a disciplinary offence. It does not apply to cases where an officer is merely admonished.

(ii) (a) In this Regulation the expression "disciplinary offence" means conduct by a member of the Service prejudicial to the interests of the Service or unbecoming the position which he holds in the Service, or disobedience of official instructions of such a character that a warning or a reprimand with or without a transfer to another post may be an appropriate penalty.

(b) In this Regulation a "grave disciplinary offence" means a disciplinary offence which, in the opinion of the Secretary of State, is of so serious a character that dismissal from the Service or a reduction in rank or a loss of seniority may be an appropriate penalty.

Comment to paragraph 1 (ii) (a) and (b):—

It is not possible or desirable to attempt to lay down rules which determine in all circumstances what conduct constitutes a disciplinary offence or a grave disciplinary offence or the penalty that would be appropriate. There are certain courses of conduct which are reprehensible whatever the rank of the member; in other cases conduct may be reprehensible if the member holds a high post, but less serious when the member is of junior status. There are also courses of conduct which may most appropriately be dealt with by the Head of the Post at which the officer is serving or by the Head of the Personnel Department direct. The Report of the 25th February, 1928 (Cond. 3037), of a Board of Enquiry appointed to investigate certain statements affecting civil servants is still fully applicable to members of the Foreign Service as a useful guide to their conduct.

(c) "Promotions Board" means either the whole Board or a committee of the Board selected by the Permanent Under-Secretary of State.

(d) Any reference to a person holding any office includes a person, who is, with the authority of the Secretary of State, temporarily acting for the holder of that office.

2. The expression "official superior" means in the case of:—

- (i) a member of the staff of a Diplomatic Mission abroad, the Head of that Mission or a Foreign Service Inspector or, in the case of the Head

of the Mission, a Foreign Service Inspector or a person charged by the Secretary of State to investigate the matter:

- (ii) a member of the staff of a Consulate, the senior Consular Officer of the district or a Foreign Service Inspector or, in the case of the senior Consular Officer of the district, the Head of the Diplomatic Mission of the country in which the Consulate is situated (if any) or a Foreign Service Inspector;
- (iii) a person working in the Foreign Office, the superintending Under-Secretary of State for the Department in which the person is working, or, where such person is not working in any particular Department or holds the rank of Under-Secretary of State, the Under-Secretary of State for Administration.

3. The Secretary of State may suspend a member of the Foreign Service from duty if the question whether he has been guilty of a disciplinary offence is raised and the Secretary of State considers that his suspension is desirable until the question has been investigated and a decision reached. Unless the Secretary of State shall determine otherwise, the remuneration of an officer suspended from duty will cease from the date of his suspension. In the event of his reinstatement, it may, however, be restored wholly or in part should the Secretary of State so determine.

4. Complaints of disciplinary offences by a member of the Service shall be made by the official superior in a letter addressed to the Under-Secretary of State for Administration setting out the full facts of the case with any comments or explanations which the official superior feels it necessary to make. A copy of this letter shall be communicated to the person complained of either by the official superior or, if he has not done so, by the Under-Secretary of State for Administration.

5. The member of the Service complained of may present his defence to the complaint made against him in a letter addressed to the Under-Secretary of State for Administration. The Under-Secretary of State for Administration may refer this letter to the official superior for his comments, and any comments received in reply from the official superior will be communicated to the person complained of in order that he may have an opportunity of making any further reply which he may think necessary.

6. It is not desirable that the official superior should address any other communications about the case to the Under-Secretary of State for Administration or to any other person, but, should he do so, they will be treated in accordance with the procedure laid down in paragraph 4 above.

7. If the disciplinary offence is an ordinary disciplinary offence and the person complained of does not dispute the facts, the decision as to the penalty to be imposed may be taken by the Under-Secretary of State for Administration and communicated by him or by the Head of the Personnel Department to the person concerned. If the person complained of disputes the facts alleged against him or wishes to appeal against the penalty, the case shall be referred to a committee of the Promotions Board under the chairmanship of the Under-Secretary of State for Administration on which a legal adviser of the Foreign Office shall sit if the Secretary of State so directs or if the person complained of so requests. In this event the Board shall furnish to the Secretary of State in writing its opinion on the facts and as to what, if any, offence is proved (if the facts are in dispute), and its advice upon the penalty.

8.—(i) If the disciplinary offence is a grave disciplinary offence, and the person complained of does not dispute the facts alleged against him, the case shall be sent to the Promotions Board to express their advice as to the penalty. This advice shall be furnished to the Secretary of State in writing.

(ii) If the person complained of disputes the facts alleged against him, his case shall be heard by a committee of the Promotions Board composed as provided in paragraph 7 above, and the Board shall furnish to the Secretary of State in writing its opinion as to the facts and what offence (if any) is proved and its advice as to the penalty. In either case the decision of the Secretary of State shall be communicated to the person concerned by the Under-Secretary of State for Administration.

9. When any disciplinary offence is referred for consideration to the Promotions Board, all the letters relating to the offence referred to in paragraphs 4, 5 and 6 above shall be laid before the Board. The Board may summon any witnesses whom it considers it desirable to hear, and the accused person shall have a right to be heard and subject to the consent of the Board to bring any witnesses whom he may desire. The accused person shall have the right to be present, when all other witnesses are giving evidence.

10. The decision as to the penalty shall in all cases remain vested in the Secretary of State after he has considered the report and advice of the Board.

REGULATION No. 11. ACCEPTANCE OF OUTSIDE APPOINTMENTS

1. The assent of the Secretary of State must be obtained before a member of Grades 1-6 of Branch A of the Foreign Service, after resignation or retirement, accepts an appointment in a business or other body :—

- (a) which is in contractual relationship with the Government;
- (b) which is in receipt of any subsidies or their equivalent from the Government;
- (c) in which the Government is a shareholder;
- (d) which is in receipt from the Government of any loans, guarantees, or other forms of capital assistance;
- (e) with which Services or Departments or Branches of Government are, as a matter of course, in a special relationship; and
- (f) any semi-public organisation brought into being by the Government and/or by Parliament.

2. After the lapse of two years from the date of retirement, such assent will no longer be required.

Grade 1A will consist of the Heads of certain Departments and Deputy Heads of other Departments in the Foreign Office.

Grade 4 will consist of officers who perform general duties in the Foreign Office or at Missions abroad or who act as Vice-Consuls.

Grade 5 will consist of officers who perform general duties in the Foreign Office or when serving abroad who act as Archivists, Accountants, &c., at Missions or as senior clerks in Consular offices.

Grade 5A. Officers of this grade will be few in number and will mainly be employed in the supervision of blocks of Grade 6 officers.

Grade 6 will consist of officers engaged in general clerical duties.

2. Any officer who is called upon to assume the full duties of a post higher than his own, either at his own or at another station, may after a continuous period of 61 days, be granted an allowance for performing such duties. Where the higher post is vacant, that is, where the salary of the post is not being paid to any other person, the allowance may be paid immediately the officer assumes the higher duties.

* These salaries have been revised since this Regulation was issued.

The allowance will be calculated so as to bring the salary of the officer up to the amount which he would receive if he were promoted to the grade in which he is acting.

Comment :—

It does not follow that an officer assuming higher duties will always receive an allowance, the payment of which will depend on his ability to assume the full duties of the post.

REGULATION No. 2. OUTFIT AND TRANSFER ALLOWANCES

Outfit allowances will be payable to members of Branch B of the Foreign Service on the following basis :—

1. The actual reasonable cost of a Foreign Service uniform when its purchase is authorised.
2. On first appointment abroad : £100 if the officer is married ; £50 if he is unmarried.
3. On first appointment abroad as an officer of Grade 3 : An additional allowance of £100 if the officer is married or £50 if he is unmarried.

Comment :—

(1) The allowances referred to in paragraphs 2 and 3 are intended to assist the officer to meet the expenses of purchasing the clothes required for formal occasions and such other equipment as an officer serving abroad may require. The allowance referred to in paragraph 3 will be paid in addition to the normal transfer grant if the officer is being transferred from one post to another abroad or from a post in the United Kingdom to a post abroad. It will be payable in addition to the allowance referred to in paragraph 2 above in the case of an officer who is appointed abroad for the first time upon or after attaining the rank of Grade 3 or above.

(2) Payment of allowances under paragraphs 1, 2 and 3 will be subject to the production of a certificate that the sums claimed have been expended for the purposes laid down.

4. On appointment to a post at home after service abroad : One-tenth of the mean of the salary scale of the grade of the officer concerned.

5. On transfer from one post abroad to another post abroad, or from the United Kingdom to a post abroad other than in the case provided for in paragraph 2 above : One-tenth of the mean of the salary scale of the grade of the officer concerned in the case of a transfer to a post where furniture is not provided, and one-twentieth if furniture is provided or the cost of furnished accommodation is met from public funds, subject to a minimum of £25.

Comment :—

(1) Where transfer is accompanied by promotion the amounts provided under paragraphs 4 and 5 will be calculated on the new salary. No outfit allowance will be granted in respect of promotion alone.

(2) Exceptionally, those officers who are established, while serving at a post abroad may be given, on the occasion of their first transfer to another post abroad, the allowance specified in paragraph 2 above plus the allowance specified in paragraph 3 above, if appropriate, or the allowance specified in paragraph 5 above, whichever is the greater.

6. On appointment to a post at which special clothing is, in the opinion of the Secretary of State necessary for climatic reasons, the above allowances will be increased by the actual cost of such clothing up to £30 in respect of an unmarried officer and up to £45 in respect of a married officer whose wife accom-

panies him. These increases will be subject to the production of a certificate that the sums claimed have been expended for the purposes laid down, and will be limited to three occasions during an officer's career.

7. On promotion with or without transfer : the actual cost of the alteration of the uniform rendered necessary by the promotion provided that the cost is reasonable and is supported by a certificate that the amount has been paid for the purpose stated.

Comment :—

(1) Where an officer prefers to buy a new uniform instead of having his present one altered, he may receive the cost which would have been incurred if he had had the necessary alterations made to his existing uniform.

(2) An allowance for a new uniform will not be granted except where special circumstances are proved to the satisfaction of the Secretary of State.

REGULATION No. 3. FOREIGN ALLOWANCES

1. A foreign allowance will be assigned to officers of Branch B serving abroad.

Comment :—

(1) Salary is intended to cover necessary expenditure in the United Kingdom and to take the first strain of the cost of living of the officer abroad, foreign allowances supplementing it to the extent to which the salary falls short of total necessary expenditure. In assessing foreign allowances, the following items, *inter alia*, are taken into account : (a) local cost of living ; (b) expenditure which an officer serving abroad necessarily incurs, either at home or abroad, over and above that of an officer of corresponding grade serving in the Foreign Office ; and (c) representational expenditure, where appropriate, *i.e.*, expenditure which, while optional for a private individual, is obligatory for a member of the Foreign Service resident abroad by virtue of his official position.

(2) Foreign allowance is not subject to United Kingdom income tax.

2. The amount of the foreign allowance to be assigned to an officer will be determined by the Secretary of State in the light of the conditions at the particular post.

3. When an officer to whom a foreign allowance is assigned is absent from his post abroad, the foreign allowance will be paid on the basis specified in paragraphs 4-8 of this regulation.

4. When an officer who is to return to his station after his absence is—

(1) *Absent on Duty.*

(a) In the United Kingdom.

He will retain the foreign allowance of his post, less 12½ per cent., and draw subsistence allowance at the rates in force for the United Kingdom.

Comment :—

In the case of a married officer who takes his wife and family (if any) with him, he will draw subsistence allowance for himself only. The position will be reviewed after two months' absence. The officer will be responsible for the travelling expenses of his wife and family.

(b) Temporarily attached to another station.

He will retain the whole of the foreign allowance of his own post or that of the temporary post, whichever is the higher, and subsistence allowance at the discretion of the Secretary of State. Where approval is given for his wife to accompany him officially, he may also draw

subsistence allowance for his wife at the discretion of the Secretary of State.

(c) In circumstances other than (a) and (b).

He will retain the foreign allowance of his post, less 12½ per cent., and draw subsistence allowance. When an officer is married and approval is given for his wife to accompany him officially, he may draw subsistence allowance for his wife.

(ii) *Absent on Earned Leave.*

He will draw no subsistence allowance but will retain the foreign allowance of his post, less 12½ per cent.

(iii) *Absent on Sick Leave outside the Country where he is posted.*

If the officer is married and takes his wife and family (if any) with him or if he is unmarried he will retain the foreign allowance of his post less one-third, for such period as the Secretary of State considers reasonable in the circumstances. At the end of such period the Secretary of State will exercise full discretion with regard to the further payment of foreign allowance.

If the officer is married and leaves his wife and family (if any) at his station, his case will be dealt with on its merits.

5. The reductions under paragraphs 4 (i) (a) and 4 (i) (c) above will not be applied in respect of brief absences on duty within a total of 14 days in one calendar year. The reduction under paragraph 4 (ii) will not be applied in respect of brief absences on leave within a total of 14 days in one calendar year.

The reduction under paragraph 4 (i) (c) will not be applied to the head of a consular post who is away from his station but on duty within his consular district.

6. When an officer who is *not* returning to his post after his absence is—

(i) *On Temporary Duty.*

He will cease to receive his foreign allowance and will receive a taxable allowance at the following annual rates:—

Married Officers.

	£
Grade 2	210
Grade 3	150
Grade 4	100
Grades 5 and 6	50

Unmarried Officers.

	£
Grade 2	100
Grade 3	70
Grade 4	35
Grades 5 and 6	Nil

(b) At another station.

He will receive the foreign allowance of the post.

(ii) *On Earned Leave.*

He will receive the allowance described in paragraph 6 (i) (a) above.

(iii) *On Sick Leave in the United Kingdom.*

No allowance will be payable.

7. When a married officer who is not returning to his station is absent on temporary duty or on earned leave but leaves his wife and family (if any) at his station the case will be dealt with on its merits.

8. An officer, married or unmarried, who is on sick leave in the country where he is posted will retain his foreign allowance, less 12½ per cent., for two months. Thereafter he will receive two-thirds of the full allowance for such period as the Secretary of State considers reasonable in the circumstances.

9. An officer who is called upon to assume the full duties of a higher post at his own station will receive an allowance equivalent to 12½ per cent. of the foreign allowance of an officer of his own marital status of the grade of the higher post, always provided that the officer's own foreign allowance together with the acting allowance shall not exceed the foreign allowance of the grade for which he is acting.

10. The additional foreign allowance referred to in paragraph 9 above will not be payable to any officer substituting for an officer absent on duty or leave and in receipt of his full foreign allowance under paragraph 5 above.

11. An officer who is called upon to assume the full duties of a higher post at another station will receive the foreign allowance of that higher post.

12. When an officer of Branch B acts as *Chargé d'Affaires* at a Diplomatic Mission during the absence of the Head of Mission he will draw, in addition to his own foreign allowance, an allowance equivalent to 12½ per cent. of the *frais de représentation* of the absent Head of Mission to enable him to meet the additional cost of entertainment.

REGULATION NO. 4. HOME SERVICE ALLOWANCES.

1. Home Service allowances will be payable to members of Branch B of the Foreign Service appointed for duty at the Foreign Office after service abroad. They comprise two elements:—

- (i) An annual allowance (towards special expenditure on rent and representation necessarily arising in connexion with an officer's position as a member of the Foreign Service) payable to senior and married officers.
- (ii) An annual allowance (designed to assist officers to meet extra expenditure resulting from special conditions in the Foreign Service in connexion with the education of their children).

Rent and Representation Allowance.

2. This allowance, which will be liable to income tax, will be payable to members of Branch B during service at home after duty abroad.

The amount of the allowance will vary according to the officer's grade and according to whether he is married or single, as shown in the following table:—

	Married	Single
	£	£
Grades 1 and 2	210	100
Grade 3	150	70
Grade 4	100	35

Education Allowance

3. This allowance, which will be liable to Income Tax, will be payable in respect of the amount by which the cost of boarding school education exceeds a standard figure which is assumed to represent the average normal cost of bringing up and educating a child, up to a maximum of £100 for each child.

This allowance is not payable in respect of more than two children unless the Secretary of State at his discretion so decides.

4. The period during which these allowances will be payable to any individual will be limited to a maximum of five years, before the expiry of which an officer may ordinarily expect to have again been posted abroad.

REGULATION No. 5. LEAVE

The following regulation applies to members of Branch B of the Foreign Service :—

I.—Ordinary Leave

1. Permission to take ordinary leave can only be granted subject to the exigencies of the Service.

2. (a) Officers can take the ordinary leave, for which they are eligible under this regulation, only with the permission :—

- (i) in the case of officers serving at a post abroad, of the Secretary of State and, where applicable, of the Head of the post or of the superintending post or, in the case of superintending consular officers, of the Head of the Mission ;
- (ii) in the case of the Head of a Department in the Foreign Office, the Superintending Under-Secretary of State ;
- (iii) in the case of other officers serving in United Kingdom, of the Head of the Department in which they are serving.

(b) Applications for leave from Heads of posts should state the name of the officer to be left in charge.

(c) Brief absences on local leave may be authorised by the Head of the post without reference to the Foreign Office. Such absences must, however, be reported in Life Certificates.

3. In calculating, for the purposes of paragraphs 6 to 11 below, the number of days of ordinary leave to which an officer is eligible at any time :—

- (a) Sundays, occurring during a period when leave is being taken, are counted ;
- (b) the remainder of the calendar year in which leave is taken may, if the officer so desires, be included in the computation ;
- (c) if an officer falls sick while on ordinary leave or during travelling time under paragraph 11 below and furnishes a medical certificate to that effect, the period of sickness will be regarded as sick leave.

4. Officers serving in the United Kingdom are eligible for the amount of ordinary leave prescribed in paragraph 6.

5. The provisions of paragraphs 7 to 11 apply only to officers serving abroad.

6. Members of Branch B of the Foreign Service are eligible for ordinary leave on the following basis :—

Grade 4 and above : 42 days a year rising to 56 days after fifteen years in a grade carrying 42 days' leave.

Grade 5 : 42 days a year.

Grade 6 : 28 days a year.

Comment :—

(1) In addition they may be eligible for further leave in respect of service in u paragraph 7 of this regulation).

(2) An Officer of Grade 4 or in respect of service of which only the period during which he is eligible for leave a year is eligible for leave days for that part and at the remainder of the period.

Similarly an officer in Grade 6 shall be eligible for leave at 1 year in respect of that part of his and at the rate of 42 days a year of the period.

7. Officers who are stationed at certain posts or in certain countries, which shall from time to time be specified by the Secretary of State with the approval of the Treasury as unhealthy for purposes of leave of absence, and who, at the expiration of their leave, return to the same post or any other of the specified posts, are eligible for additional ordinary leave at the rate of 14 days per annum, with a maximum accumulation of 28 days.

8. Subject to the limitations of paragraph 10 below, ordinary leave may be taken—

- (a) in the country where the officer is serving or in another country ;
- (b) in one period during the calendar year covering all the leave for which the officer is eligible in that year ;
- (c) in more than one period during the calendar year ;
- (d) by accumulating, in accordance with paragraph 10 below, the leave to which the officer is entitled (or any part thereof) over a period of more than one year.

Comment :—

Officers passing through the United Kingdom on transfer will normally be required to take at that time any leave for which they are then eligible.

9. Where an officer has spent sick leave in the United Kingdom, he should take any ordinary leave for which he is eligible at the time his sick leave terminates before he returns to his post abroad, unless the Secretary of State decides otherwise.

10. The following rules are applicable to accumulated leave :—

- (a) No officer may accumulate leave in excess of the number of days shown below :—

Officers in Grade 4 and above with 15 years' service in a grade in which they were eligible for 42 days' leave a year (see paragraph 6) 196 days

Officers in Grade 5 or officers in Grade 4 and above with less than 15 years' service in a grade in which they were eligible for 42 days' leave a year 147 days

Officers in Grade 6 98 days

These limits of 196, 147 and 98 days respectively are increased by 28 days in the case of officers serving at the posts or in the countries referred to in paragraph 7 of this regulation.

- (b) An officer who has accumulated ordinary leave must, unless the Secretary of State otherwise decides, on the next occasion when he is granted travelling time and travelling expenses for the purpose of proceeding on leave, take all the accumulated leave to which he is then entitled.

Comment :—

For the conditions on which travelling allowances are granted see Regulation No. 6.

II.—Sick Leave

12. Unless otherwise stated, the following paragraphs of this regulation apply to members of the Service whether they are serving in the United Kingdom or abroad.

13. The grant of sick leave is subject in all cases to the Secretary of State being satisfied that the officer to whom it is granted has a reasonable prospect of recovery so as to enable him to return to his duties.

14. The grant of sick leave to any officer for a period exceeding four days is conditional on the production by the officer of a certificate by a duly qualified medical practitioner indicating the nature of the illness and the period estimated to be required for recovery. If the number of days during which any officer is absent on sick leave in any period of twelve months without such certificate shall exceed seven in the aggregate, the number of days of absence in excess of seven shall be deducted from the amount of ordinary leave allowable.

15. The permissions required for the grant of sick leave are the same as those described for ordinary leave in paragraph 2 of this Regulation. In the case of officers serving abroad, no reference need be made to the Foreign Office for any period of sick leave not exceeding 14 days.

16. The Secretary of State may require further medical certificates or periodical medical certificates reporting progress where he considers it desirable.

17. Subject to the provision of a medical certificate showing that the officer is likely to be able to resume his duties within a reasonable period, sick leave on full pay may be granted for a period or periods not exceeding six months in the aggregate during any period of twelve months. An officer who has had sick leave on full pay for the maximum period may be granted sick leave on half pay, subject always to a maximum of twelve months' sick leave (whether on whole or half pay and whether on the basis of a medical certificate or not) in any period of four years.

18. Where an officer has been granted the maximum amount of sick leave which can be granted on full or half pay, the grant of further sick leave will be conditional on the receipt by the Secretary of State of a reliable medical certificate showing that the officer is considered likely to be able to resume his duties within a reasonable period. If further sick leave is granted, the officer may be paid a salary at the rate not exceeding the amount of pension (if any) for which he would have been qualified if he had retired for reasons of health at the time when his period of sick leave expired (hereafter referred to as pension rate of pay); or on half pay if this would be less than pension rate of pay. If the officer is unable to furnish a medical certificate as described above the Secretary of State may, if he thinks fit, call on him to retire on grounds of ill-health.

Comment :—

(1) Periods of sick leave in excess of twelve months during any period of four years will be excluded from service on which annual increments of salary, or pension on retirement, are calculated.

(2) See paragraph 9 of this Regulation as to the taking of accrued ordinary leave at the end of sick leave in the case of an officer serving abroad.

(3) See paragraph 3 (c) of this Regulation as regards officers falling sick during their ordinary leave.

III.—Leave (General)

19. Every officer serving abroad must inform the Personnel Department, in advance, if possible, of the date on which he intends to proceed on leave, and of the address to which he is going. Every subsequent change of address must be reported to that Department.

20. Every officer serving abroad must inform the Personnel Department in advance of the date on which he intends to leave the United Kingdom in order to return to his post from leave.

21. The actual dates of every officer's departure from his post abroad on leave and of his return must be officially reported to the Foreign Office by telegram in the case of heads of posts and by despatch in other cases.

Comment :—

When circumstances permit, officers serving abroad will be expected to spend their ordinary leave in the United Kingdom in order that they may keep in touch with developments in this country. They will be expected to undertake such tours or refresher courses and to pay such visits to Government Departments in London as are required of them. Time spent in this way will not count against leave. Officers will, during the period of such tours and visits, be eligible for subsistence allowance at the home rates (see Regulation No. 6).

22. Every officer serving in the United Kingdom must, whenever absent from the Foreign Office for whatever reason, leave his address with his superior officer or must follow such other procedure in this connexion as may be indicated in the departmental instructions in force at the time.

REGULATION No. 6. TRAVELLING ALLOWANCES

1. This regulation applies exclusively to members of Branch B of the Service.

2. Whenever an officer makes a journey on public service, the amount of the fares by rail, ship, aircraft or motor car, as the case may be, for the journey in question by the approved route will be payable to him.

Comment :—

The "approved route" means the route approved for the particular journey in question. In many cases there is a standard route for journeys between different countries which will be the "approved route." An officer who makes the journey by a route other than the approved route (e.g., travels by air or in his own car when the approved route is by rail, &c.) will not be able to claim more than the amount payable for a journey by the approved route. On the other hand, if the route which he takes is cheaper than the approved route he will not be able to claim more than the actual expenses incurred.

3. Journeys on the public Service include :—

(a) Any journey made by an officer serving at home or abroad for the purpose of attending an international conference or discussion or consultation, or of making a tour or visit, which the officer makes with the authority of the Secretary of State.

Comment :—

The Secretary of State may delegate to the Head of a Diplomatic Mission authority to sanction journeys by members of the Service in the territories within his jurisdiction.

(b) Any journeys from the United Kingdom made by an officer to his post abroad on his appointment to such post.

(c) Any journey to his new post made by an officer on transfer from the place where the officer was previously serving or, if he was on leave at the time of transfer, from the place where he was spending his leave. If, however, the journey from the place where he was spending his leave is more expensive than the journey from his previous post, the officer will not be able to claim more than the amount payable in respect of a journey from the United Kingdom or from his previous post as the Secretary of State may decide.

(d) Where the journey in the cases referred to in (b) and (c) above is made by an officer who is being moved at his own request before the completion of three years' service at his post or by an officer who is being moved on account of misconduct, the officer is not entitled to be repaid the cost of his travelling expenses.

4. The amount of the fares by rail, ship, aircraft or motor car, as the case may be, by an approved route, will be payable to an officer serving abroad :—

(a) If he is proceeding from or returning to his post during ordinary leave, in the cases specified in paragraph 5 below.

(b) If he is proceeding from or returning to his post during sick leave, in the cases specified in paragraph 6 below.

(c) If he is retiring on pension and is proceeding from his post to his place of retirement. If the journey to the place of his retirement is a more expensive journey than a journey to the United Kingdom, the officer will not be entitled to claim more than would be payable in respect of the journey to the United Kingdom.

Comment :—

An officer who retires in circumstances where he is not granted a pension (i.e., at his own request or for misconduct) may not claim any travelling allowances on retirement.

5. An officer will only be entitled to receive the amount of fares in the cases referred to in paragraph 4 (a) above (ordinary leave) after 30 months' consecutive service abroad, or in the case of officers serving at certain posts or in certain countries which are regarded as unhealthy for purposes of leave, after 18 months' consecutive service. Where leave is taken in a country other than the United Kingdom, the amounts payable in respect of fares will not usually be paid from public funds and will only be allowed if the Secretary of State decides that payment from public funds is warranted by the special circumstances of the case and in any case, will not exceed those which would be payable in respect of a journey to or from the United Kingdom by an approved route. If, however, the amount of the fares to or from the place at which leave is being taken is less than the amount of the fares for a journey to the United Kingdom, the officer will not receive more than the amount of the fares for the journey actually taken.

6. In the cases referred to in paragraph 4 (b) above (sick leave), the Secretary of State may at his discretion allow the payment to the officer of the amount of the

fares from his post to such place as the officer may proceed under medical advice on health grounds or for the purposes of undergoing treatment which is not available locally.

Comment :—

The Secretary of State will require, before sanctioning the payment of the amount of fares under the above paragraph, the production of a certificate by a duly qualified medical practitioner that it is necessary for the officer to proceed to the place to which the journey is made on health grounds.

7.—(a) An officer who is making a journey in any of the cases referred to in (b) or (c) of paragraph 3 or in (a) or (c) of paragraph 4 above will be entitled to receive the amount of the fares by the approved route for members of his family, as defined in paragraph (b) below. In the cases referred to in (a) of paragraph 3 and (b) of paragraph 4 he will only be entitled to receive the amounts of the fares for any members of his family if the Secretary of State in any particular case so decides.

Comment :—

(1) Families will be expected to travel together. Where the officer's family do not travel with him their expenses will not be paid unless the Secretary of State is satisfied that there was a good reason for separate journeys. Family travelling expenses will be payable only where the family reside continuously with the officer at his post and not in respect of short term visits to the post.

(2) Travelling expenses will be allowed for an officer's wife in cases under (a) of paragraph 3 only where the journey is a local duty journey and is of a strictly representational or ceremonial nature and where the Secretary of State has been satisfied in advance that it was necessary or desirable for her to accompany the officer.

(3) Where, for the reasons given in paragraph 3 (d) and in the comment to paragraph 4, the officer is not entitled to receive the amount of the fares for himself, he will not be able to claim them for his family.

(b) The members of an officer's family referred to in (a) above are—

- (i) his wife. If he is unmarried or a widower without children and occupies a post with representational duties or, a widower who has his children with him the Secretary of State may at his discretion allow the payment to an officer of the fare of a sister or other relative. In no case will payment of expenses under the provisions of this paragraph be made to an officer living in an hotel;
- (ii) sons who at the time of the commencement of the journey are under 16 years of age, or who, though 16 years of age or over, reside with and are dependent on their father by reason of physical or mental infirmity;
- (iii) unmarried daughters residing with and dependent on their father;
- (iv) sons up to the age of 18 years who are resident at their father's post abroad, and are receiving full-time education at that post.

Comment :—

Adopted or step-sons or daughters are included in the above enumeration.

(c) The amount of the fares of the members of the family of an officer serving abroad who dies, leaving his family abroad, for a journey from the place where they are to the place to which they desire to go, will be paid at the request of his widow or other member of his family up to the amount of the fares from the officer's post to the United Kingdom.

(d) If a member of the family of an officer serving abroad who is resident with the officer at his post is seriously ill and is required to proceed elsewhere on health grounds or for the purposes of treatment, the Secretary of State may, at his discretion, allow payment to the officer of the return fares of the sick person and (where necessary) another person travelling with the sick person, from the officer's post to such place as the sick person may proceed on medical advice.

Comment :—

The comment to paragraph 6 above applies here.

8.—(a) An officer who is making a journey in any of the cases referred to in (b) or (c) of paragraph 3 or (a) or (c) of paragraph 4 above will be entitled to receive the amount of the fares by the approved route for servants (within the limits specified in paragraph (b) below). The Secretary of State may in special circumstances authorise the payment of the fares of a servant accompanying the officer in the cases referred to in (b) of paragraph 4 (provided no member of the family is also accompanying the officer) and (a) of paragraph 3 above.

(b) The maximum number of servants in respect of whom the amounts of fares may be paid are—

Married officers in Grade 4 and above: 2;

Unmarried officers of Grade 4 and above: 1.

Except that in the cases referred to in (a) of paragraph 4 (ordinary leave) the maximum number of servants for all officers is one.

Comment :—

Comments (1) and (3) to paragraph 7 (a) above also apply to the case of servants.

(c) Where an officer serving abroad dies, leaving at his post servants whom he had brought from the United Kingdom or elsewhere to his post and for whose return to their homes he had made himself responsible, the amount of the fares for such servants (within the limits of (b) above) for a journey from his post to their homes will be paid on request up to the amount of the fares to the United Kingdom.

9.—(i) Where the amounts of fares are payable under the previous paragraphs of this Regulation, these fares will be (a) in the case of an officer of Grade 4 or above or acting as Grade 4 or above or members of his family, first-class fares, including sleeping berths, where necessary, for a land journey, (b) in the case of an officer of Grades 5 and 6 or members of his family third class in the United Kingdom and second class elsewhere whether by sea or land, including sleeping berths, where necessary for a land journey, (c) in the case of servants, third-class fares in the United Kingdom and second-class fares elsewhere.

(ii) Where, however, the servant is a nurse or governess travelling with the child or children of 10 years of age or under of an officer in Grade 4 or above a first-class fare will be paid. (This does not apply to a journey or part of a journey by land where (a) there is only one such child, or (b) first-class sleeping accommodation is obtainable on payment of a supplement to a second-class fare, in which case this supplement will be payable.)

(iii) First-class fares will, however, be payable in respect of officers and servants in cases where no second-class accommodation is available, or, in exceptional cases abroad, where the Secretary of State is satisfied that second-class accommodation is unsuitable for Europeans.

10.—(a) In any case where the amount of fares is payable under the preceding paragraphs of this regulation (except in the case of journeys on ordinary and sick leave) a subsistence allowance will be granted to

meet the expenses of food and sleeping accommodation when these are not included in the fare. The subsistence allowance (or a proportion thereof—see (b) below) will be at the rate in force at the time for the countries traversed by an approved route or for journeys by sea, except when reduced as under (c) below.

(b) Full subsistence allowance will be payable in respect of the officer himself, three-quarters of the full allowance for his wife, one half of the full allowance for every other member of his family above the age of 12 months, and three-eighths of the full allowance for servants, subject to the limitations as to numbers laid down in paragraph 7 (b) and 8 (b) of this regulation.

(c) Where some, but not all, of the items for which subsistence allowance is granted are provided under the fare, the subsistence allowance will be proportionately reduced.

Comment :—

(1) Where the expenses of a sleeping berth on a long journey are paid, only two-thirds of the subsistence allowance, to meet the cost of food, will be granted.

(2) Subsistence allowances are payable only for children and servants in respect of whom fares can be claimed under paragraphs 7 (b) and 8 (b) of this regulation.

(3) Subsistence allowances are payable only where the expenses of the journey are met from public funds. If, however, no fare is payable (e.g., a journey on one of His Majesty's ships) and the officer has to pay for his board or if the fare payable does not include board, then a modified subsistence allowance is payable. Subsistence allowances are therefore payable, *inter alia*, in cases covered by paragraphs 7c and 8c but not in cases covered by paragraph 3 (d), or when the officer retires in circumstances where he is not granted a pension (i.e., at his own request or for misconduct).

(4) See the comment to paragraph 2 above.

(5) See also Regulation 7, paragraph 3, regarding payment of subsistence allowances to an officer in certain circumstances after arrival at his post.

11. Necessary expenses (such as taxi fares, fees for registration of luggage, portage, &c.) incidental to the journey in respect of which the amount of the fare is payable under the preceding paragraphs of this regulation will be payable to the officer on his application.

Comment :—

(1) Only incidental expenses which are reasonably necessary will be payable under this paragraph and the officer will be required to certify that the expenses which he claims were necessarily incurred.

(2) The comment to paragraph 2 above and comments (1) and (3) to paragraph 7 (a) above apply to claims to these expenses.

12. Where an officer is proceeding to his post on transfer or on first appointment abroad or leaving his post on retirement on pension or on an appointment to the United Kingdom, or when an officer dies while serving abroad, the cost of transporting his personal effects by an approved route and method of transport will be allowed up to such amount as the Secretary of State may consider to be reasonable, except in the circumstances indicated in paragraph 3 (d) or when the officer retires in circumstances where he is not granted a pension (i.e., at his own request or for misconduct).

Comment :—

(1) This paragraph applies to heavy luggage containing personal effects as opposed to ordinary

travelling luggage, which goes under paragraph 11 above, and the furniture which is dealt with in paragraph 13 below. It includes such things as clothes, household linen, books and small articles of decoration. The cost of transporting heavy articles such as pianos, radiograms and large gramophones would not be allowed under this head. As regards the transport of motor cars, see paragraph 16.

(2) Comments (1) and (3) to paragraph 7 (a) above also apply here.

13.—(a) Where an officer is appointed or transferred to a post and has been authorised by the Secretary of State to rent unfurnished accommodation, the cost of packing, unpacking and transporting the officer's own furniture by an approved route and method of transport to his post will be allowed, but only within the following limits:—

- (i) In the case of married and unmarried officers of Grade 6 and unmarried officers of Grade 5, up to 2 tons or 400 cubic feet or 12 cubic metres.
- (ii) In the case of unmarried officers of Grade 4 or above or married officers of Grade 5, up to 4 tons or 800 cubic feet or 23 cubic metres,
- (iii) In the case of married officers of Grade 4 and above, up to 7 tons or 1,400 cubic feet or 40 cubic metres.

Comment:—

(1) The limits specified in (iii) above are the equivalent of about two van loads.

(2) In order to ensure that claims for the cost of transporting furniture are as low as possible, officers should, whenever possible, obtain three competitive tenders for transport, including insurance of the risk against damage in transport.

(3) Where the cost of packing cases or lift vans is included in the charge for removal of furniture, these may be either retained for further use or sold and the proceeds credited to public funds. No storage charges for empty cases or vans can be allowed.

(b) Where an officer is allowed the cost of transporting his furniture under (a) above but cannot immediately find suitable unfurnished accommodation at his new post, he will be allowed storage charges for furniture up to the limits specified in (a) above, for a reasonable period.

Comment:—

The storage under (b) may be at his new post or his old post. The period allowed will not ordinarily exceed three months. Storage charges in the United Kingdom will not be accepted.

(c) Where an officer has been given a rent allowance for furnished accommodation or where his official residence, though furnished, has not been completely equipped, he will be allowed the cost of transporting by an approved route and method of transport any essential articles of furniture which are not included in the furniture provided.

(d) Where an officer is leaving his post on retirement on pension or on appointment to the United Kingdom, or when an officer serving abroad dies, the cost of transporting his furniture to the United Kingdom or place of retirement by an approved route and method of transport will be allowed up to the limits as to quantity specified in (a) above, and up to the limits as to cost of the transport to London. In the case of

an officer on retirement the cost of transport to his place of retirement in the United Kingdom may be paid.

(e) Where the officer is being moved in the circumstances indicated in paragraph 3 (d) and in the comment to paragraph 4, no allowances can be claimed under this paragraph.

14. Where an officer serving abroad is, at the time of his transfer to a new appointment, in possession of furniture at his old post and is not granted an allowance for transferring his furniture to his new post under paragraph 13 (a) above, the officer will, at his option be allowed (unless the transfer is made in the circumstances indicated in paragraph 3 (d) or in the comment to paragraph 4) either the cost of removing the furniture to London up to the limits of the quantity of furniture specified in 13 (a), or the cost of storing the furniture up to these limits as to quantity and up to the limits as to cost of the transport of the furniture to London.

Comment:—

If the officer is subsequently transferred to another post abroad in circumstances where he may be allowed the cost of removing his furniture to this post, he is then eligible to apply for the cost of removing his furniture under paragraph 13 (a) from London or the place abroad where he stored it, as the case may be. If he retires on pension or dies and his furniture has been stored abroad under paragraph 14, application may be made for the cost of removing his furniture to London under paragraph 13 (d).

15.—(a) Where an allowance is granted for the purpose of removing furniture under paragraphs 13 (a) or (d), or 14, or of removing essential articles of furniture under paragraph 13 (e) or of removing heavy luggage under paragraph 12, the reasonable cost of insuring during transit will also be allowed up to the limits specified in (b) below.

Comment:—

Only the premium to cover the additional risk on removal will be allowed. No allowance for insurance will be given in so far as the risk is covered by the contract of removal and therefore covered by the allowances for removal.

(b) The limits referred to in (a) of this paragraph are:—

(i) *Where an allowance for the removal of furniture has been given under paragraph 13 (a)*

The total value of all insured property shall not exceed—

In the case of married officers of Grades 1 to 4	£ 2,000
In the case of unmarried officers of Grades 1 to 4	1,500
In the case of other married officers	1,000
In the case of other unmarried officers	500

(ii) *Where an allowance for the removal of essential articles of furniture has been given under paragraph 13 (c).*

The total value of all insured property shall not exceed—

In the case of married officers of Grades 1 to 4	£ 1,500
In the case of unmarried officers of Grades 1 to 4	1,200
In the case of other married officers	750
In the case of other unmarried officers	400

(iii) *Where an allowance for the removal of personal effects only has been given under paragraph 12*

The total value of all insured property shall not exceed—

In the case of married officers of Grades	£
1 to 4	1,000
In the case of unmarried officers of Grades 1 to 4	700
In the case of other married officers	350
In the case of other unmarried officers	200

16. Where an officer of Grade 4 and upwards is appointed or transferred to a post at which it is necessary for the proper execution of his duties that he should have his own private motor car and where the Secretary of State is satisfied that it is not possible for the officer to purchase a car locally on reasonable conditions, the cost of transporting a car from the United Kingdom or from his previous post by an approved route and method of transport may, in certain circumstances, be allowed.

Comment :—

The motor car need not be included within the limits as regards weight and cubic capacity specified in paragraph 13 above.

17. Where an officer already has a life insurance policy which does not cover the risk of a journey or of service abroad, the amount of the extra premium necessary to extend the insurance to cover these risks may be allowed.

If an officer's existing life insurance has been effected with a company which is unwilling to extend the insurance to cover risk abroad, the cost of the premium necessary to cover the extra risks with another company may be allowed.

If an officer takes out a new life insurance cover or increases an existing cover, the additional premium to cover risk of travel and service abroad may be allowed.

Payments under this paragraph will be limited to policies covering amounts not exceeding in total twice the officer's annual salary.

REGULATION No. 7. RENT ALLOWANCES

1. A member of Branch B serving abroad at a post at which a furnished residence is not provided will receive a rent allowance sufficient, in the opinion of the Secretary of State, to enable him to defray the cost of renting suitable furnished accommodation, excluding services and other tenant's charges. Alternatively, in special cases approved by the Secretary of State, an officer may be provided with a rent allowance sufficient to enable him to defray the cost of renting suitable unfurnished accommodation, excluding services and other tenant's charges, in which cases, under the provisions and within the limits of paragraph 13 (a) of Regulation No. 6, he is entitled to claim the cost of transporting his own furniture to his post.

Comment :—

The Ministry of Works Regulations regarding Government property will apply in all cases where Government furniture is provided. No charge will be made for the use of Government furniture.

2. The rent allowance becomes payable from the day when an officer arrives at his post unless he is granted a subsistence allowance, in which case it becomes payable when this allowance terminates. Subject to paragraph 4 below, rent allowance ceases to be payable on the day on which the officer leaves his post on termination of his appointment.

3. An officer who is unable to find suitable accommodation immediately on arrival at his new post may be allowed to claim in lieu of foreign and rent allowances, subsistence allowance for himself and for each member of his family (including servants) for whom fares are payable from public funds, for a period not normally exceeding 28 days and at the rates specified in paragraph 10 of Regulation No. 6.

4. Where an officer who has been granted a rent allowance is transferred to another post otherwise than at his own request, and can show that he has been unable to dispose of the lease of his residence, he will be allowed to claim, as compensation for the rent for which he is liable, a sum which shall not exceed the rent allowance previously granted to him, for a period which will be determined by the Secretary of State but which will not exceed three months except in special cases.

5. An officer who has been granted a rent allowance may receive that allowance during the periods of authorised absence if the Secretary of State is satisfied that he has not been able to sub-let.

Comment :—

Officers who rent accommodation must furnish a certificate from the Head of the Diplomatic Mission or the Superintending consular officer—as the case may be—that they have made the most economical arrangements consistent with their rank and requirements. They must themselves defray any additional expenditure on rent which may be caused by maintaining larger or more expensive establishments than are necessary. They must also endeavour to obtain a clause (known as a "diplomatic clause") in any lease which will enable them to terminate it at short notice in the event of transfer before its expiry. In the case of a tenancy agreement which does not already provide for termination at short notice, an agreement should be made in writing with the lessor to enable the tenancy to be terminated before its expiry if the lessee is transferred.

REGULATION No. 8. LANGUAGE ALLOWANCE

1. A language allowance of £30 a year (taxable) will be payable to any officer of Branch B of the Foreign Service who is certified by the Civil Service Commission to have passed an examination in or to possess a competent knowledge (colloquial or otherwise) for ordinary purposes of the language (other than English) of the country in which the officer is currently serving:

2. This allowance may, subject to the same conditions, be increased to £60 a year (taxable) in respect of the following languages :—

Amharic.	Finnish.	Polish.
Arabic.	Hungarian.	Russian.
Bulgarian.	Japanese.	Serbo-Croat.
Burmese.	Korean.	Siamese.
Chinese.	Modern Greek.	Turkish.
Czech or Slovak.	Persian.	

Comment :—

(1) Members of Branch B of the Foreign Service will be expected, wherever possible, to learn the language of the country in which they are posted and may be allowed tuition fees on a reasonable scale. The approval of the Secretary of State must be obtained for the course of study proposed before expenditure is incurred under this regulation. It will be necessary to qualify for any language allowance after an absence of more than two years from a country where the allowance is payable.

(2) An officer may receive at any time only one allowance under the provisions of this regulation.

(3) As a general rule an allowance is payable only where the language concerned is an official language of the country.

(4) An officer of the rank of Grade 5, 5A or 6 employed in the Foreign Office in a post where a knowledge of French has been shown to be necessary may be paid an allowance of £30 a year (taxable) provided that he is certified by the Civil Service Commission to have passed an examination in and to possess a competent knowledge of French. The examination for this allowance is not the same as the Branch B French examination. Officers who have passed the Branch B French examination are regarded as having qualified under the Foreign Office examination, but not *vice versa*.

(5) Examinations are held abroad and in London, as necessary, not more often than once in six months, at the request of officers who wish to compete.

REGULATION No. 9. TRANSFERS AND PROMOTIONS

This regulation applies to members of Branch B of the Foreign Service.

1. In regard to all appointments whatever in the Service, the Secretary of State will be free to make any such selection as, on his own responsibility, he may deem right without being bound by claims founded on seniority or on membership of the Service.

Comments:—

(1) The Secretary of State is not bound by the recommendations referred to in paragraphs 3 and 4 below.

(2) In accordance with Article 5 (3) of the Foreign Service Order in Council, 1943, the secondment or appointment of Foreign Service officers to posts outside the Foreign Service will not be excluded when it can be shown to be useful to the public service.

2. All members of the Service, whether married or unmarried, must be prepared to go to any post at which their services may be required.

Comment:—

When appointments and transfers are made account will be taken, so far as possible of the circumstances and wishes of the individual; members of the Service will, however, be expected to regard an intimation that they are to be transferred to a certain post as an order and not as a request.

3. Recommendations for promotions to Grades 1, 2, 3 and 4 and for transfers within Grades 1, 2 and 3 will be made to the Under-Secretary of State responsible for administration.

Comment:—

The Promotions Board will be convened by the Under-Secretary of State responsible for administration as and when he considers it desirable.

The Board will normally sit under the Chairmanship of the Head of Personnel Department and will consist of: one or more members of Personnel Department, the Head of Establishment and Organisation Department or his Deputy. One or more of the Foreign Service Inspectors, if available, with power to co-opt additional members as desired.

In the case of appointments and transfers to posts within the Foreign Office the Heads of Departments concerned may be represented on the Board.

4. Recommendations for promotions to Grades 5 and 5A will be made by Personnel Department in consultation with the Establishment Department, Inspectors of Foreign Service posts and, in the case of appointments to posts within the Foreign Office, the Heads of the Departments concerned. Recommendations

will be subject to the approval of the Head of Personnel Department.

5. Transfers within Grades 4, 5, 5A and 6 will be made by the Personnel Department in consultation with the Establishment Department and the Foreign Service Inspectors.

REGULATION No. 10. DISCIPLINARY QUESTIONS

1—(i) This Regulation applies to all cases where a member of Branch B of the Service is accused of a disciplinary offence. It does not apply to cases where an officer is merely admonished.

(ii) (a) In this Regulation the expression "disciplinary offence" means conduct by a member of the Service prejudicial to the interests of the Service or unbefitting the position which he holds in the Service, or disobedience of official instructions of such a character that a warning or a reprimand with or without a transfer to another post may be an appropriate penalty.

(b) In this Regulation a "grave disciplinary offence" means a disciplinary offence which, in the opinion of the Secretary of State, is of so serious a character that dismissal from the Service or a reduction in rank or a loss of seniority may be an appropriate penalty.

Comment to paragraph 1 (ii) (a) and (b):—

It is not possible or desirable to attempt to lay down rules which determine in all circumstances what conduct constitutes a disciplinary offence or a grave disciplinary offence nor the penalty that would be appropriate. There are certain courses of conduct which are reprehensible whatever the rank of the member; in other cases conduct may be reprehensible if the member holds a high post, but less serious when the member is of junior status. There are also courses of conduct which may most appropriately be dealt with by the Head of the Post at which the officer is serving or by the Head of the Personnel Department direct. The Report of 25th February, 1928 (Cmd. 3037), of a Board of Enquiry appointed to investigate certain statements affecting civil servants is still fully applicable to members of the Foreign Service as a useful guide to their conduct.

(c) "Promotions Board" means either the whole Board or a committee of the Board selected by the Under-Secretary of State responsible for Administration.

(d) Any reference to a person holding any office includes a person who is, with the authority of the Secretary of State, temporarily acting for the holder of that office.

2. The expression "official superior" means in the case of—

- (i) a member of the staff of a Diplomatic Mission abroad, the Head of that Mission or a Foreign Service Inspector or, in the case of an officer in charge of a Mission, a Foreign Service Inspector or a person charged by the Secretary of State to investigate the matter;
- (ii) a member of the staff of a Consulate, the senior Consular Officer of the district or a Foreign Service Inspector or, in the case of the senior Consular Officer of the district, the Head of the Diplomatic Mission of the country in which the Consulate is situated (if any) or a Foreign Service Inspector;
- (iii) a person working in the Foreign Office, the Head of the Department concerned or, where the person concerned is himself the Head of a

Department, the superintending Under-Secretary of State for that Department.

3. The Secretary of State may suspend a member of the Foreign Service from duty if the question whether he has been guilty of a disciplinary offence is raised and the Secretary of State considers that his suspension is desirable until the question has been investigated and a decision reached. Unless the Secretary of State shall determine otherwise, the remuneration of an officer suspended from duty will cease from the date of his suspension. In the event of his reinstatement, it may, however, be restored wholly or in part should the Secretary of State so determine.

4. Complaints of disciplinary offences by a member of the Service shall be made by the official superior in a letter addressed to the Under-Secretary of State responsible for Administration setting out the full facts of the case with any comments or explanations which the official superior feels it necessary to make. A copy of this letter shall be communicated to the person complained of either by the official superior or, if he has not done so, by the Under-Secretary of State.

5. The member of the Service complained of may present his defence to the complaint made against him in a letter addressed to the Under-Secretary of State responsible for Administration. The latter may refer this letter to the official superior for his comments, and any comments received in reply from the official superior will be communicated to the person complained of in order than he may have an opportunity of making any further reply which he may think necessary.

6. It is not desirable that the official superior should address any other communications about the case to the Under-Secretary of State responsible for Administration or to any other person, but should he do so, they will be treated in accordance with the procedure laid down in paragraph 4 above.

7. If the disciplinary offence is an ordinary disciplinary offence and the person complained of does not dispute the facts, the decision as to the penalty to be imposed may be taken by the Under-Secretary of State responsible for Administration and communicated by him or by the Head of the Personnel Department to the person concerned. If the person complained of disputes the facts alleged against him or wishes to appeal against the penalty, the case shall be referred to a committee of the Promotions Board on which a legal adviser of the Foreign Office shall sit if the Secretary of State so directs or if the person complained of so requests. In this event the Board shall furnish to the Secretary of State in writing its opinion on the facts and as to what, if any, offence is proved (if the facts are in dispute), and its advice upon the penalty.

8.—(1) If the disciplinary offence is a grave disciplinary offence, and the person complained of does not dispute the facts alleged against him, the case shall be sent to the Promotions Board to express their advice as to the penalty. This advice shall be furnished to the Secretary of State in writing.

(2) If the person complained of disputes the facts alleged against him, his case shall be heard by a committee of the Promotions Board and the Board shall furnish to the Secretary of State in writing its opinion as to the facts and what offence (if any) is proved and its advice as to the penalty. In either case the decision of the Secretary of State shall be communicated to the person concerned by the Under-Secretary of State responsible for Administration.

9. When any disciplinary offence is referred for consideration to the Promotions Board, all the letters relating to the offence referred to in paragraphs 4,

5 and 6 above shall be laid before the Board. The Board may summon any witnesses whom it considers it desirable to hear, and the accused person shall have a right to be heard and subject to the consent of the Board to bring any witnesses whom he may desire. The accused person shall have the right to be present, when all other witnesses are giving evidence.

10. The decision as to the penalty shall in all cases remain vested in the Secretary of State after he has considered the report and advice of the Board.

REGULATION No. 11. OVERTIME AND HOURS OF ATTENDANCE.

Overtime is payable at home to officers in Grades 5 and 5A in respect of duty in excess of 46 hours per week and to officers in Grade 6 for duty in excess of 42 hours per week. At posts abroad no overtime is payable.

Comment:—

In the Foreign Office the normal working week is 42 hours including lunch and tea intervals but not including time occupied in travelling to and from the place of work.

2. Any officer who is called upon to assume the full duties of a post higher than her own, either at her own or at another station, may after a continuous period of 61 days, be granted an allowance for performing such duties. Where the higher post is vacant, that is, where the salary of the post is not being paid to any other person, the allowance may be paid immediately the officer assumes the higher duties.

The allowance will be calculated so as to bring the salary of the officer up to the amount which she would receive if she were promoted to the grade in which she is acting.

Comment :—

It does not follow that an officer assuming higher duties will always receive an allowance, the payment of which will depend on her ability to assume the full duties of the post.

3. All the posts in Branch C will be filled by women.

REGULATION NO. 2. OUTFIT AND TRANSFER ALLOWANCES

1. Outfit and transfer allowances will be payable on the following basis :—

(i) On first appointment abroad : £50.

2. On appointment to a post at which special clothing is in the opinion of the Secretary of State, necessary for climatic reasons, the allowances in paragraph 1 (i) and (ii) will be increased by the actual cost of such clothing up to £30. This increase will be subject to the production of a certificate that the sum claimed has been expended for the purposes laid down and will be limited to three occasions during an officer's career.

REGULATION NO. 3. FOREIGN ALLOWANCES

1. A foreign allowance will be assigned to officers of Branch C serving abroad.

Comment :—

(1) Salary is intended to cover necessary expenditure in the United Kingdom and to take the first strain of the cost of living of the officer abroad, foreign allowances supplementing it to the extent to which the salary falls short of total necessary expenditure. In assessing foreign allowances, the

following items, *inter alia*, are taken into account : (a) local cost of living and (b) expenditure which an officer serving abroad necessarily incurs, either at home or abroad, over and above that of an officer of corresponding grade serving in the Foreign Office.

(2) Foreign allowance is not subject to United Kingdom income tax.

2. The amount of a foreign allowance to be assigned to an officer will be determined by the Secretary of State in the light of the conditions at the particular post.

3. When an officer to whom a foreign allowance is assigned is absent from her post abroad, the foreign allowance will be paid on the basis specified in paragraphs 4-7 of this regulation.

4. When an officer who is to return to her station after her absence is—

(i) *Absent on Duty.*

(a) In the United Kingdom.

She will retain the foreign allowance of her post, less 12½ per cent., and draw subsistence allowance at the rates in force for the United Kingdom.

(b) Temporarily attached to another station.

She will retain the whole of the foreign allowance of her own post or draw that of the temporary post whichever is higher and subsistence allowance at the discretion of the Secretary of State.

(c) In circumstances other than (a) and (b).

She will retain the foreign allowance of her post, less 12½ per cent., and draw subsistence allowance.

(ii) *Absent on Earned Leave.*

She will draw no subsistence allowance but will retain the foreign allowance of her post, less 12½ per cent.

(iii) *Absent on Sick Leave outside the Country where she is posted.*

She will retain the foreign allowance of her post less one-third, for such period as the Secretary of State considers reasonable in the circumstances. At the end of such period the Secretary of State will exercise full discretion with regard to the further payment of foreign allowance.

5. The reductions under paragraphs 4 (i) (a) and 4 (i) (c) above will not be applied in respect of brief absences on duty within a total of 14 days in one calendar year. The reduction under paragraph 4 (ii) will not be applied in respect of brief absences on leave within a total of 14 days in one calendar year.

6. When an officer who is not returning to her post after her absence is—

(i) *On Temporary Duty.*

(a) In the United Kingdom.

She will cease to receive her foreign allowance.

(b) At another station.

She will receive the foreign allowance of the post.

(ii) *On Earned Leave.*

She will cease to receive her foreign allowance.

(iii) *On Sick Leave in the United Kingdom.*

No allowance will be payable.

7. An officer who is on sick leave in the country where she is posted will retain her foreign allowance, less 12½ per cent., for two months. Thereafter she will receive two-thirds of the full allowance for such period as the Secretary of State considers reasonable in the circumstances.

8. An officer who is called upon to assume the full duties of a higher post at her own station will receive an allowance equivalent to 12½ per cent. of the foreign allowance of an unmarried officer of the grade of the

higher post, always provided that the officer's own foreign allowance together with the acting allowance shall not exceed the foreign allowance of the grade for which she is acting.

9. The additional foreign allowance referred to in paragraph 8 above will not be payable to any officer substituting for an officer absent on duty or leave and in receipt of her full foreign allowance under paragraph 5 above.

10. An officer who is called upon to assume the full duties of a higher post at another station will receive the foreign allowance of that higher post.

REGULATION No. 4. LEAVE

The following regulation applies to members of Branch C of the Foreign Service:—

I.—Ordinary Leave

1. Permission to take ordinary leave can only be granted subject to the exigencies of the Service.

2.—(a) Officers can take the ordinary leave, for which they are eligible under this regulation, only with the permission:—

(i) in the case of officers serving at a post abroad, of the Secretary of State and of the Head of Mission or post;

(ii) in the case of officers serving in the United Kingdom, of the Head of the Department or Section in which they are serving.

(b) Brief absences on local leave may be authorised by the Head of the post without reference to the Foreign Office. Such absences must, however, be reported in Life Certificates.

3. In calculating for the purposes of paragraphs 6 to 11 below the number of days of ordinary leave to which an officer is eligible at any time:—

(a) Sundays, occurring during a period when leave is being taken are counted;

(b) the remainder of the calendar year in which leave is taken may, if the officer so desires, be included in the computation;

(c) if an officer falls sick while on ordinary leave or during travelling time under paragraph 11 below and furnishes a medical certificate to that effect, the period of sickness will be regarded as sick leave.

4. Officers serving in the United Kingdom are eligible for the amount of ordinary leave prescribed in paragraph 6.

5. The provisions of paragraphs 7 to 11 apply only to officers serving abroad.

6. Members of Branch C of the Foreign Service are eligible for ordinary leave on the following basis:—

Grade 1 (Shorthand-Typists): 24 days (including Sundays) a year on appointment to that grade, rising to 28 days a year after 5 years' service in the grade.

Grade 2 (Typists): 21 days (including Sundays) a year, rising to 24 days after 5 years' service.

Comment:—

In addition, they may be eligible for further leave in respect of service in unhealthy posts (see paragraph 7 of this regulation).

7. Officers who are stationed in certain posts or in certain countries which shall from time to time be specified by the Secretary of State with the approval of the Treasury as unhealthy for purposes of leave of absence, and who, at the expiration of their leave, return to the same post or any other of the specified

posts are eligible for additional ordinary leave at the rate of 14 days per annum, with a maximum accumulation of 28 days.

8. Subject to the limitations of paragraph 10 below, ordinary leave may be taken:—

(a) in the country where the officer is serving or in another country;

(b) in one period during the calendar year covering all the leave for which the officer is eligible in that year;

(c) in more than one period during the calendar year;

(d) by accumulating (in accordance with paragraph 10 below) the leave to which the officer is entitled (or any part thereof) over a period of more than one year.

Comment:—

Officers passing through the United Kingdom on transfer will normally be required to take at that time any leave for which they are then eligible.

9. Where an officer has spent sick leave in the United Kingdom, she should take any ordinary leave for which she is eligible at the time her sick leave terminates before she returns to her post abroad, unless the Secretary of State decides otherwise.

10. The following rules are applicable to accumulated leave:—

(a) Every officer may accumulate the ordinary leave to which she is entitled under paragraph 6 above up to and not exceeding the total ordinary leave to which she is entitled for 3½ years. This amount will be increased by 28 days in the case of officers serving at posts or in the countries referred to in paragraph 7 of this regulation.

(b) An officer who has accumulated ordinary leave must, unless the Secretary of State otherwise decides, on the next occasion when she is granted travelling time and travelling expenses for the purpose of proceeding on leave, take all the accumulated leave to which she is then entitled.

(c) Save in exceptional circumstances and with the express permission of the Secretary of State, no leave may be accumulated in respect of service in the United Kingdom.

11. Travelling time (i.e., the time actually occupied by the outward and return journey by an approved route between the country where the officer is serving and the country where she is taking her leave) is allowed on one occasion in respect of each calendar year in addition to the periods of ordinary leave under the previous paragraphs of this regulation with the proviso that travelling time thus allowed shall not exceed the time occupied by a journey to and from the United Kingdom by an approved route.

Comment:—

For the conditions on which travelling allowances are granted, see Regulation No. 5.

II.—Sick Leave

12. Unless otherwise stated, the following paragraphs of this regulation apply to members of the Service whether they are serving in the United Kingdom or abroad.

13. The grant of sick leave is subject in all cases to the Secretary of State being satisfied that the officer to whom it is granted has a reasonable prospect of recovery so as to enable her to return to her duties.

14. The grant of sick leave to any officer for a period exceeding four days is conditional on the production by the officer of a certificate by a duly qualified medical

practitioner indicating the nature of the illness and the period estimated to be required for recovery. If the number of days during which any officer is absent on sick leave in any period of twelve months without such certificate shall exceed seven in the aggregate, the number of days of absence in excess of seven shall be deducted from the amount of ordinary leave allowable.

15. The permissions required for the grant of sick leave are the same as those described for ordinary leave in paragraph 2 of this regulation. In the case of officers serving abroad, no reference need be made to the Foreign Office for any period of sick leave not exceeding 14 days.

16. The Secretary of State may require further medical certificates or periodical medical certificates reporting progress where he considers it desirable.

17. Subject to the provision of a medical certificate showing that the officer is likely to be able to resume her duties within a reasonable period, sick leave on full pay may be granted for a period or periods not exceeding six months in the aggregate during any period of twelve months. An officer who has had sick leave on full pay for the maximum period may be granted sick leave on half-pay, subject always to a maximum of twelve months' sick leave (whether on whole or half-pay and whether on the basis of a medical certificate or not) in any period of four years.

18. Where an officer has been granted the maximum amount of sick leave which can be granted on full or half-pay, the grant of further sick leave will be conditional on the receipt by the Secretary of State of a reliable medical certificate showing that the officer is considered likely to be able to resume her duties within a reasonable period. If further sick leave is granted, the officer may be paid a salary at the rate not exceeding the amount of pension (if any) for which she would have been qualified if she had retired for reasons of health at the time when her period of sick leave expired (hereafter referred to as pension rate of pay); or on half-pay if this would be less than pension rate of pay. If the officer is unable to furnish a medical certificate as described above, the Secretary of State, may, if he thinks fit, call on her to retire on grounds of ill-health.

Comment :—

(1) Periods of sick leave in excess of twelve months during any period of four years will be excluded from service on which annual increments of salary, or pension on retirement, are calculated.

(2) See paragraph 9 of this regulation as to the taking of accrued ordinary leave at the end of sick leave in the case of an officer serving abroad.

(3) See paragraph 3 (c) of this regulation as regards officers falling sick during their ordinary leave.

III.—Leave (General)

19. Every officer serving abroad must inform the Personnel Department, in advance if possible, of the date on which she intends to proceed on leave, and of the address to which she is going. Every subsequent change of address must be reported to that Department.

20. Every officer serving abroad must inform the Personnel Department in advance of the date on which she intends to leave the United Kingdom in order to return to her post from leave.

21. The actual dates of every officer's departure from her post abroad on leave and of her return must be officially reported to the Foreign Office by despatch.

Comment :—

When circumstances permit, officers serving abroad will be expected to spend their ordinary leave in the United Kingdom in order that they may keep in touch with developments in this country.

22. Every officer serving in the United Kingdom must, whenever absent from the Foreign Office for whatever reason, leave her address with her superior officer or must follow such other procedure in this connexion as may be indicated in the departmental instructions in force at the time.

REGULATION No. 5. TRAVELLING ALLOWANCES

1. This regulation applies exclusively to Branch C of the Service.

2. Whenever an officer makes a journey on public service, the amount of the fares by rail, ship, aircraft or motor car, as the case may be, for the journey in question by the approved route will be payable to her.

Comment :—

The "approved route" means the route approved for the particular journey in question. In many cases there is a standard route for journeys between different countries which will be the "approved route." An officer who makes the journey by a route other than the approved route (*e.g.*, travels by air or in her own car when the approved route is by rail, &c.) will not be able to claim more than the amount payable for a journey by the approved route. On the other hand if the route which she takes is cheaper than the approved route she will not be able to claim more than the actual expenses incurred.

3. Journeys on the public service include—

(a) Any journey made by an officer serving at home or abroad for the purpose of attending an international conference or accompanying any officer called for discussion or consultation, or of making a tour or visit, which the officer makes with the authority of the Secretary of State.

(b) Any journeys from the United Kingdom made by an officer to her post abroad on her appointment to such post.

(c) Any journey to her new post made by an officer on transfer from the place where the officer was previously serving or, if she was on leave at the time of transfer, from the place where she was spending her leave. If however, the journey from the place where she was spending her leave is more expensive than the journey from her previous post, the officer will not be able to claim more than the amount payable in respect of a journey from the United Kingdom or from her previous post as the Secretary of State may decide.

(d) Where the journey in the cases referred to in (b) and (c) above is made by an officer who is being moved at her own request before the completion of three years' service at her post or by an officer who is being moved on account of misconduct, the officer is not entitled to be repaid the cost of her travelling expenses.

4. The amount of the fares by rail, ship, aircraft or motor car, as the case may be, by an approved route will be payable to an officer serving abroad—

(a) If she is proceeding from or returning to her post during ordinary leave, in the cases specified in paragraph 5 below.

- (b) If she is proceeding from or returning to her post during sick leave, in the cases specified in paragraph 6 below.
- (c) If she is retiring on pension and is proceeding from her post to her place of retirement. If the journey to the place of her retirement is a more expensive journey than a journey to the United Kingdom, the officer will not be entitled to claim more than would be payable in respect of the journey to the United Kingdom.

Comment :—

An officer who retires in circumstances where she is not granted a pension (i.e., at her own request or for misconduct) may not claim any travelling allowances on retirement.

5. An officer will only be entitled to receive the amount of fares in the cases referred to in paragraph 4 (a) above (ordinary leave) after 30 months' consecutive service abroad, or, in the case of officers serving at certain posts or in certain countries which are regarded as unhealthy for purposes of leave, after 18 months' consecutive service. Where leave is taken in a country other than the United Kingdom, the amounts payable in respect of fares will not usually be paid from public funds and will only be allowed if the Secretary of State decides that payment from public funds is warranted by the special circumstances of the case and, in any case, will not exceed those which would be payable in respect of a journey to or from the United Kingdom by an approved route. If, however, the amount of the fares to or from the place at which leave is being taken is less than the amount of the fares for a journey to the United Kingdom, the officer will not receive more than the amount of the fares for the journey actually taken.

6. In the cases referred to in paragraph 4 (b) above (sick leave) the Secretary of State may at his discretion allow the payment to the officer of the amount of the fares from her post to such place as the officer may proceed under medical advice on health grounds or for the purposes of undergoing treatment which is not available locally.

Comment :—

The Secretary of State will require, before sanctioning the payment of the amount of fares under the above paragraph, the production of a certificate by a duly qualified medical practitioner that it is necessary for the officer to proceed to the place to which the journey is made on health grounds.

7. Where the amounts of fares are payable under the previous paragraphs of this regulation, these fares will be third-class fares in the United Kingdom and second class elsewhere, whether by sea or land, including sleeping berths where necessary for a land journey. First-class fares will, however, be payable where the Secretary of State is satisfied that second-class accommodation is unsuitable for Europeans.

8.—(a) In any case where the amount of fares is payable under the preceding paragraphs of this regulation except in the case of journeys on ordinary sick leave, a subsistence allowance will be granted to meet the expenses of food and sleeping accommodation where these are not included in the fare. The subsistence allowance for officers of Branch C will be three quarters of the full subsistence allowance authorised for the country in which the officer is travelling, except where reduced as under (b) below.

(b) Where some, but not all, of the items for which subsistence allowance is granted are provided under the fare, the subsistence allowance will be proportionately reduced.

Comment :—

(1) Where the expenses of a sleeping berth on a long journey are paid, only two-thirds of the subsistence allowance to meet the cost of food will be granted.

(2) Subsistence allowances are payable only where the expenses of the journey are met from public funds. If, however, no fare is payable (e.g., a journey on one of His Majesty's ships) and the officer has to pay for her board or if the fare payable does not include board, then a subsistence allowance is payable.

(3) See also Regulation No. 6, paragraph 3, regarding payment of subsistence allowances to an officer in certain circumstances after arrival at her post.

9. Necessary expenses (such as taxi fares, fees for registration of luggage, portage, &c.) incidental to the journey in respect of which the amount of the fare is payable under the preceding paragraphs of this regulation will be payable to the officer on her application.

Comment :—

(1) Only incidental expenses which are reasonably necessary will be payable under this paragraph and the officer will be required to certify that the expenses which she claims were necessarily incurred.

(2) The comment to paragraph 1 above applies to claims to these expenses.

10. Where an officer is proceeding to her post on transfer or on first appointment abroad or leaving her post on retirement on pension or on an appointment to the United Kingdom, or when an officer dies while serving abroad, the cost of transporting her personal effects by an approved route and method of transport will be allowed up to such amount as the Secretary of State may consider to be reasonable, except in the circumstances indicated in paragraph 3 (d) or when she retires in circumstances where she is not granted a pension (i.e., at her own request or for misconduct).

Comment :—

This paragraph applies to heavy luggage containing personal effects as opposed to ordinary travelling luggage, which goes under paragraph 9 above. It includes such things as clothes, household linen, books and small articles of decoration. The cost of transporting heavy articles such as pianos, radiograms and large gramophones would not be allowed under this head.

11. Where the cost of removing heavy luggage under paragraph 10 above is allowed, the reasonable cost of insuring that luggage up to the maximum insurable value of £200 during transit will also be allowed.

12. Where an officer already has a life insurance policy which does not cover the risk of a journey or of service abroad, the amount of the extra premium necessary to extend the insurance to cover these risks may be allowed.

If an officer's existing life insurance has been effected with a company which is unwilling to extend the insurance to cover risk abroad, the cost of the premium necessary to cover the extra risks with another company may be allowed.

If an officer takes out a new life insurance cover or increases an existing cover, the additional premium to cover risk of travel and service abroad may be allowed.

Payments under this paragraph will be limited to policies covering amounts not exceeding in total twice the officer's annual salary.

REGULATION No. 6. RENT ALLOWANCES

1. A member of Branch C of the Foreign Service serving abroad at a post at which furnished accommodation is not provided will receive a rent allowance sufficient in the opinion of the Secretary of State to enable her to defray the cost of renting suitable furnished accommodation, excluding services and other tenant's charges.

Comment :—

The Ministry of Works regulations regarding Government property will apply in all cases where Government furniture is provided. No charge will be made for the use of Government furniture.

2. The rent allowance becomes payable from the day when an officer arrives at her post unless she is granted a subsistence allowance, in which case it becomes payable when this allowance terminates. Subject to paragraph 4 below, rent allowance ceases to be payable on the day on which the officer leaves her post on termination of her appointment.

3. An officer who is unable to find suitable accommodation immediately on arrival at her new post may be allowed to claim, in lieu of foreign and rent allowances, subsistence allowance for a period not normally exceeding 28 days at the rate of three-quarters of the full subsistence allowance authorised for the post.

4. Where an officer who has been granted a rent allowance is transferred to another post otherwise than at her own request and can show that she has been unable to dispose of the lease of her residence, she will be allowed to claim as compensation for the rent for which she is liable, a sum which shall not exceed the rent allowance previously granted to her, for a period which will be determined by the Secretary of State, but which will not exceed three months except in special cases.

5. An officer who has been granted a rent allowance may receive that allowance during the periods of authorised absence if the Secretary of State is satisfied that she has not been able to sub-let.

Comment :—

Officers who rent accommodation must furnish a certificate from the Head of the Diplomatic Mission or the Superintending consular officer—as the case may be—that they have made the most economical arrangements consistent with their rank and requirements. They must themselves defray any additional expenditure on rent which may be caused by maintaining larger or more expensive establishments than are necessary. They must also endeavour to obtain a clause (known as a "diplomatic clause") in any lease which will enable them to terminate it at short notice in the event of transfer before its expiry. In the case of a tenancy agreement which does not already provide for termination at short notice, an agreement should be made in writing with the lessor to enable the tenancy to be terminated before its expiry if the lessee is transferred.

REGULATION No. 7. LANGUAGE ALLOWANCES

1. A language allowance of 10/- a week for full-time use of the language, or 6/- a week for occasional use of the language, will be payable to any officer of Grade 1 of Branch C of the Foreign Service who is certified by the Civil Service Commission to have passed an examination in, and to possess a competent knowledge, colloquial or otherwise, of the language (other than English) of the country in which the officer is currently serving.

2. These allowances will be subject to Income Tax.

Comment :—

(1) In certain cases, where knowledge of the language is certified as essential, tuition fees on a reasonable scale may be allowed for the following languages :—

German.	Portuguese.
Italian.	Spanish.

Should an officer resign before the end of the tour of duty in respect of which tuition fees have been paid, the Secretary of State may, at his discretion, call upon her to refund the fees in question.

(2) An officer may, at any time, receive only one allowance under the provisions of this regulation.

(3) As a general rule, an allowance is payable only where the language concerned is an official language of the country.

(4) Examinations, which will be of the same standard as those for members of Branch B of the Foreign Service, will be held abroad and in London, as necessary, not more than once in six months at the request of officers who wish to compete. No officer will be permitted to take part in an examination unless the Foreign Office is satisfied that she is required to make use of her knowledge of the language in her official duties.

REGULATION No. 8. TRANSFERS AND PROMOTIONS

1. All members of Branch C of the Foreign Service must be prepared to go to any post at which their services may be required.

Comment :—

When appointments and transfers are made account will be taken as far as possible, of the circumstances and wishes of the individual members of the Service will, however, be expected to regard an intimation that they are to be transferred to a certain post as an order and not as a request.

2. Recommendations for promotion and transfers within Branch C will be made by Personnel Department in consultation with Establishment and Organisation Department and with the Foreign Service Inspectors. Recommendations for promotion will be subject to the approval of the Head of Personnel Department.

REGULATION No. 9. DISCIPLINARY QUESTIONS

1.—(1) This regulation applies to all cases where a member of Branch C of the Service is accused of a disciplinary offence. It does not apply to cases where an officer is merely admonished.

(ii)—(a) In this regulation the expression "disciplinary offence" means conduct by a member of the Service prejudicial to the interests of the Service or unbefitting the position which she holds in the Service, or disobedience of official instructions of such a character that a warning or a reprimand with or without a transfer to another post may be an appropriate penalty.

(b) In this regulation a "grave disciplinary offence" means a disciplinary offence which, in the opinion of the Secretary of State, is of so serious a character that dismissal from the Service or a reduction in rank or a loss of seniority may be an appropriate penalty.

Comment to paragraph 1 (ii) :—

It is not possible or desirable to attempt to lay down rules which determine in all circumstances what conduct constitutes a disciplinary offence or a grave disciplinary offence or the penalty that would be appropriate. There are certain courses of conduct which are reprehensible whatever the rank of the member; in other cases conduct may

be reprehensible if the member holds a high post, but less serious when the member is of junior status. There are also courses of conduct which may most appropriately be dealt with by the Head of the post at which the officer is serving or by the Head of the Personnel Department direct. The Report of 25th February, 1928 (Cmd. 3037), of a Board of Enquiry appointed to investigate certain statements affecting civil servants is still fully applicable to members of the Foreign Service as a useful guide to their conduct.

2. The expression "official superior" means in the case of—

- (i) a member of the staff of a Diplomatic Mission abroad, the Head of that Mission or a Foreign Service Inspector;
- (ii) a member of the staff of a Consulate, the senior Consular Officer of the district or a Foreign Service Inspector;
- (iii) a person working in the Foreign Office, the Head of the Department concerned.

3. The Secretary of State may suspend a member of the Foreign Service from duty if the question whether she has been guilty of a disciplinary offence is raised and the Secretary of State considers that her suspension is desirable until the question has been investigated and a decision reached. Unless the Secretary of State shall determine otherwise, the remuneration of an officer suspended from duty will cease from the date of her suspension. In the event of her reinstatement, it may, however, be restored wholly or in part should the Secretary of State so determine.

4. Complaints of disciplinary offences by a member of the Service shall be made by the official superior in a letter addressed to the Under-Secretary of State responsible for Administration setting out the full facts of the case with any comments or explanations which the official superior feels it necessary to make. A copy of this letter shall be communicated to the person complained of either by the official superior or, if he has not done so, by the Under-Secretary of State.

5. The member of the Service complained of may present her defence to the complaint against her in a letter addressed to the Under-Secretary of State responsible for Administration. The latter may refer this letter to the official superior for his comments and any comments received in reply from the official superior will be communicated to the person complained of in order that she may have an opportunity of making any further reply which she may think necessary.

6. It is not desirable that the official superior should address any other communications about the case to the Under-Secretary of State responsible for Administration or to any other person, but should he do so, they will be treated in accordance with the procedure laid down in paragraph 4 above.

7. If the disciplinary offence is an ordinary disciplinary offence and the person complained of does not dispute the facts, the decision as to the penalty to be imposed may be taken by the Under-Secretary of State responsible for Administration and communicated by him or by the Head of the Personnel Department to the person concerned. If the person complained of disputes the facts alleged against her or wishes to appeal against the penalty, the case shall be referred to a committee, hereinafter referred to as "the Committee," called by the Under-Secretary of State responsible for Administration, consisting of representatives of Personnel Department and Establishment and Organisation Department, and on which a legal

adviser of the Foreign Office shall sit if the Secretary of State so directs, or if the person complained of so requests. In this event the Committee shall furnish to the Secretary of State in writing its opinion on the facts and as to what, if any, offence is proved (if the facts are in dispute), and its advice upon the penalty.

8.—(i) If the disciplinary offence is a grave disciplinary offence and the person complained of does not dispute the facts alleged against her, the case shall be sent to the Committee to express their advice as to the penalty. This advice shall be furnished to the Secretary of State in writing.

(ii) If the person complained of disputes the facts alleged against her, her case shall be heard by the Committee and the Committee shall furnish to the Secretary of State in writing its opinion as to the facts and what offence (if any) is proved and its advice as to the penalty.

(iii) In either case the decision of the Secretary of State shall be communicated to the person concerned by the Under-Secretary of State responsible for Administration or by the Head of Personnel Department.

9. When any disciplinary offence is submitted for consideration to a committee called in the circumstances referred to above, all the letters relating to the offence referred to in paragraphs 4, 5 and 6 above shall be laid before the Committee. The Committee may summon any witness whom it considers it desirable to hear, and the accused person shall have a right to be heard and, subject to the consent of the Committee, to bring any witnesses whom she may desire. The accused person shall have the right to be present when all other witnesses are giving evidence.

10. The decision as to the penalty shall, in all cases, remain vested in the Secretary of State after he has considered the report and advice of the Committee.

REGULATION No. 10. OVERTIME AND HOURS OF ATTENDANCE

Overtime is payable at home to officers of Branch C in respect of duty in excess of 42 hours per week, but at posts abroad no overtime is payable.

Comment :—

In the Foreign Office the normal working week is 42 hours including lunch and tea intervals but not including time occupied in travelling to and from the place of work.

CHAPTER V Branch D

REGULATION No. 1. GRADES AND SALARIES

The grades and salaries of members of Branch D of the Foreign Service are* :—

Grade 1. £390 rising by annual increments of £15 to £490.

Grade 2. £360 rising by annual increments of £10 to £420.

Grade 3. £300 rising by annual increments of £10 to £340.

A responsibility allowance of £30 a year is payable in appropriate cases.

Comment :—

Members of Branch D in their several grades are responsible at Foreign Service posts abroad for the carrying out of security and messengerial duties and for the supervision of other staff, whether locally engaged or not, carrying out similar duties. Branch D consists of men only and there are no posts in the United Kingdom in which its members are employed.

* These salaries have been revised since this Regulation was issued.

2. Any officer who is called upon to assume the full duties of a post higher than his own, either at his own or at another station, may after a continuous period of 61 days, be granted an allowance for performing such duties. Where the higher post is vacant, that is, where the salary of the post is not being paid to any other person, the allowance may be paid immediately the officer assumes the higher duties.

The allowance will be calculated so as to bring the salary of the officer up to the amount which he would receive if he were promoted to the grade in which he is acting.

Comment :—

It does not follow that an officer assuming higher duties will always receive an allowance, the payment of which will depend on his ability to assume the *full* duties of the post.

REGULATION No. 2. OUTFIT AND TRANSFER ALLOWANCES

1. Uniform will be provided at the expense of His Majesty's Government.

2. Outfit and transfer allowances will be payable on the following basis :—

(i) On first appointment abroad : £60 for a married man, £30 for an unmarried man. Payment of this allowance will be subject to the production of a certificate that the sums claimed have actually been expended.

(ii) On any subsequent transfer from one post abroad to another post abroad : one-tenth of the mean of the salary scale of the grade of the officer concerned in the case of a transfer to a post where furniture is not provided and one-twentieth if furniture is provided or the cost of furnished accommodation is met from public funds.

Comment :—

(1) Where transfer is accompanied by promotion this allowance will be based on the new salary scale. No outfit allowance will be granted in respect of promotion alone.

(2) Exceptionally, those officers who are established while serving at a post abroad may be given on the occasion of their first transfer to another post abroad, the allowance specified in 2 (i) above or the allowance specified in 2 (ii) above, whichever is the greater.

3. On appointment to a post at which special clothing is, in the opinion of the Secretary of State, necessary for climatic reasons, the allowances in paragraph 2 (i) and (ii) will be increased by the actual cost of such clothing up to £45 in respect of a married officer whose wife accompanies him and £30 in respect of an unmarried officer. These increases will be subject to the production of a certificate that the sums claimed have been expended for the purposes laid down and will be limited to three occasions during an officer's career.

REGULATION No. 3. FOREIGN ALLOWANCES

1. A foreign allowance will be assigned to officers of Branch D serving abroad.

Comment :—

(1) Salary is intended to cover necessary expenditure in the United Kingdom and to take the first strain of the cost of living of the officer abroad, foreign allowances supplementing it to the extent to which the salary falls short of total necessary expenditure. In assessing foreign allowances, the following items, *inter alia*, are taken into account : (a) local cost of living and (b) expenditure which an

officer serving abroad necessarily incurs, either at home or abroad, over and above that of an officer of corresponding grade serving in the Foreign Office.

(2) Foreign allowance is not subject to United Kingdom income tax.

2. The amount of a foreign allowance to be assigned to an officer will be determined by the Secretary of State in the light of the conditions at the particular post.

3. When an officer to whom a foreign allowance is assigned is absent from his post abroad, the foreign allowance will be paid on the basis specified in paragraphs 4-8 of this regulation.

4. When an officer who is to return to his station after his absence is—

(i) *Absent on Duty.*

(a) In the United Kingdom.

He will retain the foreign allowance of his post, less 12½ per cent., and draw subsistence allowance at the rates in force for the United Kingdom.

Comment :—

In the case of a married officer who takes his wife and family (if any) with him, he will draw subsistence allowance for himself only. The position will be reviewed after two months' absence. The officer will be responsible for the travelling expenses of his wife and family.

(b) Temporarily attached to another station.

He will draw the foreign allowance of the temporary post and subsistence allowance at the discretion of the Secretary of State. Where approval is given for his wife to accompany him officially, he may also draw subsistence allowance for his wife at the discretion of the Secretary of State.

(c) In circumstances other than (a) and (b).

He will retain the foreign allowance of his post, less 12½ per cent., and draw subsistence allowance. When an officer is married and approval is given for his wife to accompany him officially, he may draw subsistence allowance for his wife.

(ii) *Absent on Earned Leave.*

He will draw no subsistence allowance but will retain the foreign allowance of his post, less 12½ per cent.

(iii) *Absent on Sick Leave outside the Country where he is posted.*

If the officer is married and takes his wife and family (if any) with him or if he is unmarried he will retain the foreign allowance of his post less one-third, for such period as the Secretary of State considers reasonable in the circumstances. At the end of such period the Secretary of State will exercise full discretion with regard to the further payment of foreign allowance.

If the officer is married and leaves his wife and family (if any) at his station, his case will be dealt with on its merits.

5. The reductions under paragraphs 4 (i) (a) and 4 (i) (c) above will not be applied in respect of brief absences on duty within a total of 14 days in one calendar year. The reduction under paragraph 4 (ii) will not be applied in respect of brief absences on leave within a total of 14 days in one calendar year.

6. When an officer who is not returning to his post after his absence is—

(i) *On Temporary Duty.*

(a) In the United Kingdom.

He will cease to receive his foreign allowance and will receive a taxable allowance of £50 a year if he is married. No allowance will be payable to an unmarried officer.

(b) At another station.

He will receive the foreign allowance of the post.

(ii) On *Earned Leave*.

He will receive the allowance described in paragraph 6 (i) (a) above.

(iii) On *Sick Leave in the United Kingdom*.

No allowance will be payable.

7. When a married officer, who is not returning to his station, is absent on temporary duty or on earned leave but leaves his wife and family (if any) at his station the case will be dealt with on its merits.

8. An officer, married or unmarried, who is on sick leave in the country where he is posted will retain his foreign allowance, less 12½ per cent., for two months. Thereafter he will receive two-thirds of the full allowance for such period as the Secretary of State considers reasonable in the circumstances.

9. An officer who is called upon to assume the full duties of a post in another Branch of the Foreign Service at his own station will receive an allowance equivalent to 12½ per cent. of the foreign allowance of an officer of his own marital status of the grade of that post, always provided that the officer's own foreign allowance together with the acting allowance shall not exceed the foreign allowance of the grade for which he is acting.

10. The additional foreign allowance referred to in paragraph 9 above will not be payable to any officer substituting for an officer absent on duty or leave and in receipt of his full foreign allowance under paragraph 5 above.

11. An officer called upon to assume the full duties of a post in another Branch of the Foreign Service at another station will receive the allowance of that post.

REGULATION No. 4. LEAVE.

The following regulation applies to members of Branch D of the Foreign Service:—

I.—Ordinary Leave.

1. Permission to take ordinary leave can only be granted subject to the exigencies of the Service.

2.—(a) Officers can take the ordinary leave for which they are eligible under this Regulation only with the permission of the Secretary of State and of the Head of Mission or post.

(b) Brief absence on local leave may be authorised by the Head of the post without reference to the Foreign Office. Such absences must, however, be reported in Life Certificates.

3. In calculating, for the purposes of paragraphs 4 to 9 below, the number of days of ordinary leave to which an officer is eligible at any time:—

(a) Sundays, occurring during a period when leave is being taken, are counted;

(b) The remainder of the calendar year in which leave is taken may, if the officer so desires, be included in the computation;

(c) If an officer falls sick while on ordinary leave or during travelling time under paragraph 9 below and furnishes a medical certificate to that effect, the period of sickness will be regarded as sick leave.

4. Members of Branch D of the Foreign Service are eligible for ordinary leave on the following basis:—

Grades 1 and 2 : 36 days a year.

Grade 3 : 28 days a year.

Comment:—

In addition, they may be eligible for further leave in respect of service in unhealthy posts (see paragraph 5 of this regulation).

5. Officers who are stationed in certain posts or in certain countries which shall from time to time be specified by the Secretary of State with the approval of the Treasury as unhealthy for purposes of leave of absence, and who, at the expiration of their leave, return to the same post or any other of the specified posts, are eligible for additional ordinary leave at the rate of 14 days per annum, with a maximum accumulation of 28 days.

6. Subject to the limitations of paragraph 8 below, ordinary leave may be taken:—

(a) in the country where the officer is serving or in another country;

(b) in one period during the calendar year covering all the leave for which the officer is eligible in that year;

(c) in more than one period during the calendar year;

(d) by accumulating, in accordance with paragraph 8 below, the leave to which the officer is entitled (or any part thereof) over a period of more than one year.

Comment:—

Officers passing through the United Kingdom on transfer will normally be required to take at that time any leave for which they are then eligible.

7. Where an officer has spent sick leave in the United Kingdom, he should take any ordinary leave for which he is eligible at the time his sick leave terminates before he returns to his post abroad, unless the Secretary of State decides otherwise.

8. The following rules are applicable to accumulated leave:—

(a) Every officer may accumulate the ordinary leave to which he is entitled under paragraph 4 above, up to and not exceeding the total ordinary leave to which he is entitled for 3½ years. This amount will be increased by 28 days in the case of officers serving at posts or in the countries referred to in paragraph 5 of this regulation.

(b) An officer who has accumulated ordinary leave must, unless the Secretary of State otherwise decides, on the next occasion when he is granted travelling time and travelling expenses for the purpose of proceeding on leave, take all the accumulated leave to which he is then entitled.

9. Travelling time (i.e., the time actually occupied by the outward and return journey by an approved route between the country where the officer is serving and the country where he is taking his leave) is allowed on one occasion in respect of each calendar year in addition to the periods of ordinary leave under the previous paragraphs of this regulation, with the proviso that travelling time thus allowed shall not exceed the time occupied by a journey to and from the United Kingdom by an approved route.

Comment:—

For the conditions on which travelling allowances are granted, see Regulation No. 5.

II.—Sick Leave.

10. The grant of sick leave is subject in all cases to the Secretary of State being satisfied that the officer to whom it is granted has a reasonable prospect of recovery so as to enable him to return to his duties.

11. The grant of sick leave to any officer for a period exceeding four days is conditional on the production by the officer of a certificate by a duly qualified medical practitioner indicating the nature of the illness and the period estimated to be required for recovery. If the number of days during which any officer is absent on sick leave in any period of twelve months without such certificate shall exceed seven in the aggregate, the number of days of absence in excess of seven shall be deducted from the amount of ordinary leave allowable.

12. The permissions required for the grant of sick leave are the same as those described for ordinary leave in paragraph 2 of this regulation. No reference need be made to the Foreign Office for any period of sick leave not exceeding 14 days.

13. The Secretary of State may require further medical certificates or periodical medical certificates reporting progress where he considers it desirable.

14. Subject to the provision of a medical certificate showing that the officer is likely to be able to resume his duties within a reasonable period, sick leave on full pay may be granted for a period or periods not exceeding six months in the aggregate during any period of twelve months. An officer who has had sick leave on full pay for the maximum period may be granted sick leave on half-pay, subject always to a maximum of twelve months' sick leave (whether on whole or half-pay and whether on the basis of a medical certificate or not) in any period of four years.

15. Where an officer has been granted the maximum amount of sick leave which can be granted on full or half-pay, the grant of further sick leave will be conditional on the receipt by the Secretary of State of a reliable medical certificate showing that the officer is considered likely to be able to resume his duties within a reasonable period. If further sick leave is granted, the officer may be paid a salary at the rate not exceeding the amount of pension (if any) for which he would have been qualified if he had retired for reasons of health at the time when his period of sick leave expired (hereafter referred to as pension rate of pay); or on half-pay if this would be less than pension rate of pay. If the officer is unable to furnish a medical certificate as described above, the Secretary of State may, if he thinks fit, call on him to retire on grounds of ill-health.

Comment :—

(1) Periods of sick leave in excess of twelve months during any period of four years will be excluded from service on which annual increments of salary, or pension on retirement, are calculated.

(2) See paragraph 7 of this regulation as to the taking of accrued ordinary leave at the end of sick leave.

(3) See paragraph 3 (c) of this regulation as regards officers falling sick during their ordinary leave.

III.—Leave (General).

16. Every officer must inform the Personnel Department, in advance if possible, of the date on which he intends to proceed on leave, and of the address to which he is going. Every subsequent change of address must be reported to that Department.

17. Every officer must inform the Personnel Department in advance of the date on which he intends to leave the United Kingdom in order to return to his post from leave.

18. The actual dates of every officer's departure from his post abroad on leave and of his return must be officially reported to the Foreign Office by despatch.

Comment :—

When circumstances permit, officers will be expected to spend their ordinary leave in the United Kingdom, in order that they may keep in touch with developments in this country.

REGULATION No. 5. TRAVELLING ALLOWANCES.

1. This regulation applies exclusively to members of Branch D of the Service.

2. Whenever an officer makes a journey on public service, the amount of the fares by rail, ship, aircraft or motor car, as the case may be, for the journey in question by the approved route will be payable to him.

Comment :—

The "approved route" means the route approved for the particular journey in question. In many cases there is a standard route for journeys between different countries which will be the "approved route." An officer who makes the journey by a route other than the approved route (*e.g.*, travels by air or in his own car when the approved route is by rail, &c.), will not be able to claim more than the amount payable for a journey by the approved route. On the other hand, if the route which he takes is cheaper than the approved route he will not be able to claim more than the actual expenses incurred.

3. Journeys on the public service include :—

(a) Any journey made by an officer for the purpose of attending an international conference or discussion or consultation, or of making a tour or visit, which the officer makes with the authority of the Secretary of State.

(b) Any journeys from the United Kingdom made by an officer to his post abroad on his appointment to such post.

(c) Any journey to his new post made by an officer on transfer from the place where the officer was previously serving or, if he was on leave at the time of transfer, from the place where he was spending his leave. If, however, the journey from the place where he was spending his leave is more expensive than the journey from his previous post, the officer will not be able to claim more than the amount payable in respect of a journey from the United Kingdom or from his previous post as the Secretary of State may decide.

(d) Where the journey in the cases referred to in (b) and (c) above is made by an officer who is being moved at his own request before the completion of three years' service at his post or by an officer who is being moved on account of misconduct, the officer is not entitled to be repaid the cost of his travelling expenses.

4. The amount of the fares by rail, ship, aircraft or motor car, as the case may be, by an approved route, will be payable to an officer :—

(a) If he is proceeding from or returning to his post during ordinary leave, in the cases specified in paragraph 5 below.

- (b) If he is proceeding from or returning to his post during sick leave, in the cases specified in paragraph 6 below.
- (c) If he is retiring on pension and is proceeding from his post to his place of retirement. If the journey to the place of his retirement is a more expensive journey than a journey to the United Kingdom, the officer will not be entitled to claim more than would be payable in respect of the journey to the United Kingdom.

Comment :—

An officer who retires in circumstances where he is not granted a pension (i.e., at his own request or for misconduct) may not claim any travelling allowances on retirement.

5. An officer will only be entitled to receive the amount of fares in the cases referred to in paragraphs 4 (a) above (ordinary leave) after 30 months' consecutive service abroad or, in the case of officers serving at certain posts or in certain countries which are regarded as unhealthy for purposes of leave, after 18 months' consecutive service. Where leave is taken in a country other than the United Kingdom, the amounts payable in respect of fares will not usually be paid from public funds and will only be allowed if the Secretary of State decides that payment from public funds is warranted by the special circumstances of the case and, in any case, will not exceed those which would be payable in respect of a journey to or from the United Kingdom by an approved route. If, however, the amount of the fares to or from the place at which leave is being taken is less than the amount of the fares for a journey to the United Kingdom, the officer will not receive more than the amount of the fares for the journey actually taken.

6. In the cases referred to in paragraph 4 (b) above (sick leave), the Secretary of State may at his discretion allow the payment to the officer of the amount of the fares from his post to such place as the officer may proceed under medical advice on health grounds or for the purposes of undergoing treatment which is not available locally.

Comment :—

The Secretary of State will require, before sanctioning the payment of the amount of fares under the above paragraph, the production of a certificate by a duly qualified medical practitioner that it is necessary for the officer to proceed to the place to which the journey is made on health grounds.

7.—(a) An officer who is making a journey in any of the cases referred to in (b) or (c) of paragraph 3 or in (a) or (c) of paragraph 4 above will be entitled to receive the amount of the fares by the approved route for members of his family, as defined in paragraph (b) below. In the cases referred to in (a) of paragraph 3 and (b) of paragraph 4 he will only be entitled to receive the amounts of the fares for any members of his family if the Secretary of State in any particular case so decides.

Comment :—

(1) Families will be expected to travel together. Where the officer's family do not travel with him their expenses will not be paid unless the Secretary of State is satisfied that there was a good reason for separate journeys. Family travelling expenses will be payable only where the family reside continuously with the officer at his post, and not in respect of short term visits to the post.

(2) Travelling expenses will not be allowed for an officer's wife in cases under (a) of paragraph 3.

(3) Where, for the reasons given in paragraph 3 (d) and in the comment to paragraph 4, the officer is not entitled to receive the amount of the fares for himself, he will not be able to claim them for his family.

(b) The members of an officer's family referred to in (a) above are—

- (i) his wife;
- (ii) sons who at the time of the commencement of the journey are under 16 years of age, or who, though 16 years of age or over, reside with and are dependent on their father by reason of physical or mental infirmity;
- (iii) unmarried daughters residing with and dependent on their father;
- (iv) sons up to the age of 18 years who are resident at their father's post abroad and are receiving full-time education at that post.

Comment :—

Adopted or step-sons or daughters are included in the above enumeration.

(c) The amount of the fares of the members of the family of an officer serving abroad who dies, leaving his family abroad, for a journey from the place where they are to the place to which they desire to go, will be paid at the request of his widow or other member of his family up to the amount of the fares from the officer's post to the United Kingdom.

(d) If a member of the family of an officer serving abroad who is resident with the officer at his post is seriously ill and is required to proceed elsewhere on health grounds or for the purposes of treatment, the Secretary of State may, at his discretion, allow payment to the officer of the return fares of the sick person and (where necessary) another person travelling with the sick person, from the officer's post to such place as the sick person may proceed on medical advice.

Comment :—

The comment to paragraph 6 above applies here.

8. No expenditure for servants will be payable.

9. Where the amounts of fares are payable under the previous paragraphs of this regulation, these fares will be third-class fares in the United Kingdom and second-class elsewhere, whether by sea or land, including sleeping berths where necessary for a land journey. First-class fares will, however, be payable where the Secretary of State is satisfied that second-class accommodation is unsuitable for Europeans.

10.—(a) In any case where the amount of fares is payable under the preceding paragraphs of this regulation, except in the case of journeys on ordinary or sick leave, a subsistence allowance will be granted to meet the expenses of food and sleeping accommodation where these are not included in the fare. The subsistence allowance for officers of Branch D will be three quarters of the full subsistence allowance authorised for the country in which the officer is travelling, except when reduced as under (c) below.

(b) Subsistence allowance at the rate specified in (a) above will be payable in respect of the officer himself, three-quarters of that rate for his wife and one-half of that rate for each other member of his family above the age of 12 months, subject to the limitations laid down in paragraph 7 (b) of this regulation.

(c) Where some, but not all, of the items for which subsistence allowance is granted are provided under the fare, the subsistence allowance will be proportionately reduced.

Comment:—

(1) Where the expenses of a sleeping berth on a long journey are paid, only two-thirds of the subsistence allowance, to meet the cost of food, will be granted.

(2) Subsistence allowances are payable only for children in respect of whom fares can be claimed under paragraph 7 (b) of this regulation.

(3) Subsistence allowances are payable only where the expenses of the journey are met from public funds. If, however, no fare is payable (*e.g.*, a journey on one of His Majesty's ships) and the officer has to pay for his board or if the fare payable does not include board, then a subsistence allowance is payable. Subsistence allowances are therefore payable, *inter alia*, in cases covered by paragraph 7 (c) but not in cases covered by paragraph 3 (d) or when the officer retires in circumstances where he is not granted a pension (*i.e.*, at his own request or for misconduct).

(4) See also Regulation 6, paragraph 3, regarding payment of subsistence allowances to an officer in certain circumstances after arrival at his post.

11. Necessary expenses (such as taxi fares, fees for registration of luggage, portage, &c.) incidental to the journey in respect of which the amount of the fare is payable under the preceding paragraphs of this regulation will be payable to the officer on his application.

Comment:—

(1) Only incidental expenses which are reasonably necessary will be payable under this paragraph and the officer will be required to certify that the expenses which he claims were necessarily incurred.

(2) The comment to paragraph 2 above and Comments (1) and (3) to paragraph 7 (a) above apply to claims to these expenses.

12. Where an officer is proceeding to his post on transfer or on first appointment abroad or leaving his post on retirement on pension, or when an officer dies while serving abroad, the cost of transporting his personal effects by an approved route and method of transport will be allowed up to such amount as the Secretary of State may consider to be reasonable, except in the circumstances indicated in paragraph 3 (d) or when the officer retires in circumstances where he is not granted a pension (*i.e.*, at his own request or for misconduct).

Comment:—

(1) This paragraph applies to heavy luggage containing personal effects as opposed to ordinary travelling luggage, which goes under paragraph 11 above, and the furniture which is dealt with in paragraph 13 below. It includes such things as clothes, household linen, books and small articles of decoration. The cost of transporting heavy articles such as pianos, radiograms and large gramophones would not be allowed under this head.

(2) Comments (1) and (3) to paragraph 7 (a) above also apply here.

13.—(a) Where an officer is appointed or transferred to a post and has been authorised by the Secretary of State to rent unfurnished accommodation, the cost of packing, unpacking and transporting the officer's own furniture by an approved route and method of transport to his post will be allowed up to 1½ tons or 350 cubic feet or 10 cubic metres.

Comment:—

(1) In order to ensure that claims for the cost of transporting furniture are as low as possible, officers should, whenever possible, obtain three competitive

tenders for transport, including insurance of the risk against damage in transport.

(2) Where the cost of packing cases or lift vans is included in the charge for removal of furniture, these may be either retained for further use or sold and the proceeds credited to public funds. No storage charges for empty cases or vans can be allowed.

(b) Where an officer is allowed the cost of transporting his furniture under (a) above but cannot immediately find suitable unfurnished accommodation at his new post, he will be allowed storage charges for furniture up to the limits specified in (a) above, for a reasonable period.

Comment:—

The storage under (b) may be at his new post or his old post. The period allowed will not ordinarily exceed three months. Storage charges in the United Kingdom will not be accepted.

(c) Where an officer has been given a rent allowance for furnished accommodation or where his official residence, though furnished, has not been completely equipped, he will be allowed the cost of transporting by an approved route and method of transport any essential articles of furniture which are not included in the furniture provided.

(d) Where an officer is leaving his post on retirement on pension or when an officer serving abroad dies, the cost of transporting his furniture to the United Kingdom or place of retirement by an approved route and method of transport will be allowed up to the limits as to quantity specified in (a) above, and up to the limits as to the cost of the transport to London. In the case of an officer on retirement the cost of transport to his place of retirement in the United Kingdom may be paid.

(e) Where the officer is being moved in the circumstance indicated in paragraph 3 (d) and in the comment to paragraph 4, no allowances can be claimed under this paragraph.

14. Where an officer serving abroad is, at the time of his transfer to a new appointment, in possession of furniture at his old post and is not granted an allowance for transferring his furniture to his new post under paragraph 13 (a) above, the officer will, at his option, be allowed (unless the transfer is made in the circumstances indicated in paragraph 3 (d) or in the comment to paragraph 4) either the cost of removing the furniture to London up to the limits of the quantity of furniture specified in 13 (a), or the cost of storing the furniture up to these limits as to quantity, and up to the limits as to cost of the transport of the furniture to London.

Comment:—

If the officer is subsequently transferred to another post abroad in circumstances where he may be allowed the cost of removing his furniture to this post, he is then eligible to apply for the cost of removing his furniture under paragraph 13 (a) from London or the place abroad where he stored it, as the case may be. If he retires on pension or dies and his furniture has been stored abroad under paragraph 14, application may be made for the cost of removing his furniture to London under paragraph 13 (d).

15.—(a) Where an allowance is granted for the purpose of removing furniture under paragraphs 13 (a) or (d) or 14, or of removing essential articles of furniture under paragraph 13 (c) or of removing heavy baggage under paragraph 12, the reasonable cost of insuring during transit will also be allowed up to the limits specified in (b) below.

Comment :—

Only the premium to cover the additional risks on removal will be allowed. No allowance for insurance will be given in so far as the risk is covered by the contract of removal and therefore covered by the allowances for removal.

(b) The limits referred to in (a) of this paragraph are :—

(i) *Where an allowance for the removal of furniture has been given under paragraph 13 (a).*

The total value of all insured property shall not exceed—

	£
In the case of married officers ...	1,000
In the case of unmarried officers ...	500

(ii) *Where an allowance for the removal of essential articles of furniture has been given under paragraph 13 (c).*

The total value of all insured property shall not exceed—

	£
In the case of married officers ...	750
In the case of unmarried officers ...	400

(iii) *Where an allowance for the removal of personal effects only has been given under paragraph 12.*

The total value of all insured property shall not exceed—

	£
In the case of married officers ...	350
In the case of unmarried officers ...	200

16. Where an officer already has a life insurance policy which does not cover the risk of a journey or of service abroad, the amount of the extra premium necessary to extend the insurance to cover these risks may be allowed.

If an officer's existing life insurance has been effected with a company which is unwilling to extend the insurance to cover risk abroad, the cost of the premium necessary to cover the extra risks with another company may be allowed.

If an officer takes out a new life insurance cover or increases an existing cover, the additional premium to cover risk of travel and service abroad may be allowed.

Payments under this paragraph will be limited to policies covering amounts not exceeding in total twice the officer's annual salary.

REGULATION No. 6. RENT ALLOWANCES

1. A member of Branch D of the Foreign Service serving abroad at a post at which furnished accommodation is not provided will receive a rent allowance sufficient in the opinion of the Secretary of State to enable him to defray the cost of renting suitable furnished accommodation, excluding services and other tenant's charges. Alternatively, in special cases approved by the Secretary of State an officer may be provided with a rent allowance sufficient to enable him to defray the cost of renting suitable unfurnished accommodation, excluding services and other tenant's charges, in which cases, under the provisions and within the limits of paragraph 13 (a) of Regulation No. 5 he is entitled to claim the cost of transporting his own furniture to his post.

Comment :—

The Ministry of Works regulations regarding Government property will apply in all cases where Government furniture is provided. No charge will be made for the use of Government furniture.

2. The rent allowance becomes payable from the day when an officer arrives at his post unless he is granted a subsistence allowance, in which case it becomes payable when this allowance terminates. Subject to paragraph 4 below, rent allowance ceases to be payable on the day on which the officer leaves his post on termination of his appointment.

3. An officer who is unable to find suitable accommodation immediately on arrival at his new post may be allowed to claim, in lieu of foreign and rent allowances, subsistence allowance for himself and for each member of his family for whom fares are payable from public funds, for a period not normally exceeding 28 days and at the rates specified in paragraph 10 of Regulation No. 5.

4. Where an officer who has been granted a rent allowance is transferred to another post otherwise than at his own request and can show that he has been unable to dispose of the lease of his residence, he will be allowed to claim, as compensation for the rent for which he is liable, a sum which shall not exceed the rent allowance previously granted to him, for a period which will be determined by the Secretary of State, but which will not exceed three months except in special cases.

5. An officer who has been granted a rent allowance may receive that allowance during the periods of authorised absence if the Secretary of State is satisfied that he has not been able to sub-let.

Comment :—

Officers who rent accommodation must furnish a certificate from the Head of the Diplomatic Mission or the Superintending consular officer—as the case may be—that they have made the most economical arrangements consistent with their rank and requirements. They must themselves defray any additional expenditure on rent which may be caused by maintaining larger or more expensive establishments than are necessary. They must also endeavour to obtain a clause (known as a "diplomatic clause") in any lease which will enable them to terminate it at short notice in the event of transfer before its expiry. In the case of a tenancy agreement which does not already provide for termination at short notice, an agreement should be made in writing with the lessor to enable the tenancy to be terminated before its expiry if the lessee is transferred.

REGULATION No. 7. LANGUAGE ALLOWANCES.

1. A language allowance of £10 a year (taxable) will be payable to any officer of Branch D of the Foreign Service who is certified by the Head of the post to possess a knowledge (colloquial and otherwise) for ordinary purposes of the language (other than English) of the country in which the officer is currently serving.

2. This allowance may, subject to the same conditions, be increased to £20 a year (taxable) in respect of the following languages :—

Amharic	Korean
Arabic	Modern Greek
Bulgarian	Persian
Burmese	Polish
Chinese	Russian
Czech or Slovak	Serbo-Croat
Finnish	Siamese
Hungarian	Turkish
Japanese	

Comment :—

(1) Members of Branch D of the Foreign Service will be expected, wherever possible, to learn the language of the country in which they are posted.

(2) Candidates for any of the allowances specified in this Regulation will normally be required to pay their own teacher's fees.

(3) An officer may receive at any time only one allowance under the provisions of this regulation.

REGULATION No. 8. TRANSFERS AND PROMOTIONS.

1. All members of Branch D of the Foreign Service must be prepared to go to any post at which their services may be required.

Comment :—

When appointments and transfers are made account will be taken, so far as possible, of the circumstances and wishes of the individual; members of the Service will, however, be expected to regard an intimation that they are to be transferred to a certain post as an order and not as a request.

2. Recommendations for promotion and transfers within Branch D will be made by Personnel Department in consultation with Establishment and Organisation Department and with the Foreign Service Inspectors. Recommendations for promotion will be subject to the approval of the Head of Personnel Department.

REGULATION No. 9. DISCIPLINARY QUESTIONS.

1.—(i) This regulation applies to all cases where a member of Branch D of the Service is accused of a disciplinary offence. It does not apply to cases where an officer is merely admonished.

(ii)—(a) In this regulation the expression "disciplinary offence" means conduct by a member of the Service prejudicial to the interests of the Service or unbefitting the position which he holds in the Service, or disobedience of official instructions of such a character that a warning or a reprimand with or without a transfer to another post may be an appropriate penalty.

(b) In this regulation a "grave disciplinary offence" means a disciplinary offence which, in the opinion of the Secretary of State, is of so serious a character that dismissal from the Service or a reduction in rank or a loss of seniority may be an appropriate penalty.

Comment to paragraph 1 (ii) :—

It is not possible or desirable to attempt to lay down rules which determine in all circumstances what conduct constitutes a disciplinary offence or a grave disciplinary offence nor the penalty that would be appropriate. There are certain courses of conduct which are reprehensible whatever the rank of the member; in other cases conduct may be reprehensible if the member holds a high post, but less serious when the member is of junior status. There are also courses of conduct which may most appropriately be dealt with by the Head of the post at which the officer is serving or by the Head of the Personnel Department direct. The Report of 25th February, 1928 (Cmd. 3037), of a Board of Enquiry appointed to investigate certain statements affecting civil servants is still fully applicable to members of the Foreign Service as a useful guide to their conduct.

2. The expression "official superior" means in the case of:—

(i) a member of the staff of a Diplomatic Mission abroad, the Head of that Mission or a Foreign Service Inspector;

(ii) a member of the staff of a Consulate, the senior Consular Officer of the district or a Foreign Service Inspector.

3. The Secretary of State may suspend a member of the Foreign Service from duty if the question whether he has been guilty of a disciplinary offence is raised and the Secretary of State considers that his suspension is desirable until the question has been investigated and a decision reached. Unless the Secretary of State shall determine otherwise, the remuneration of an officer suspended from duty will cease from the date of his suspension. In the event of his reinstatement, it may, however, be restored wholly or in part should the Secretary of State so determine.

4. Complaints of disciplinary offences by a member of the Service shall be made by the official superior in a letter addressed to the Under-Secretary of State responsible for Administration setting out the full facts of the case with any comments or explanations which the official superior feels it necessary to make. A copy of this letter shall be communicated to the person complained of either by the official superior or, if he has not done so, by the Under-Secretary of State.

5. The member of the Service complained of may present his defence to the complaint made against him in a letter addressed to the Under-Secretary of State responsible for Administration. The latter may refer this letter to the official superior for his comments and any comments received in reply from the official superior will be communicated to the person complained of in order that he may have an opportunity of making any further reply which he may think necessary.

6. It is not desirable that the official superior should address any other communications about the case to the Under-Secretary of State responsible for Administration or to any other person, but should he do so, they will be treated in accordance with the procedure laid down in paragraph 4 above.

7. If the disciplinary offence is an ordinary disciplinary offence and the person complained of does not dispute the facts, the decision as to the penalty to be imposed may be taken by the Under-Secretary of State responsible for Administration and communicated by him or by the Head of the Personnel Department to the person concerned. If the person complained of disputes the facts alleged against him or wishes to appeal against the penalty, the case shall be referred to a committee, hereinafter referred to as "the Committee," called by the Under-Secretary of State responsible for Administration, consisting of representatives of Personnel Department and Establishment and Organisation Department, and on which a legal adviser of the Foreign Office shall sit if the Secretary of State so directs or if the person complained of so requests. In this event the Committee shall furnish to the Secretary of State in writing its opinion on the facts and as to what, if any, offence is proved (if the facts are in dispute), and its advice upon the penalty.

8.—(i) If the disciplinary offence is a grave disciplinary offence, and the person complained of does not dispute the facts alleged against him, the case shall be sent to the Committee to express their advice as to the penalty. This advice shall be furnished to the Secretary of State in writing.

(ii) If the person complained of disputes the facts alleged against him, his case shall be heard by the Committee and the Committee shall furnish to the Secretary of State in writing its opinion as to the facts and what offence (if any) is proved and its advice as to the penalty.

(iii) In either case the decision of the Secretary of State shall be communicated to the person concerned by the Under-Secretary of State responsible for Administration or by the Head of Personnel Department.

9. When any disciplinary offence is submitted for consideration to a committee called in the circumstances referred to above, all the letters relating to the offence referred to in paragraphs 4, 5 and 6 above shall be laid before the Committee. The Committee may summon any witnesses whom it considers it desirable to hear, and the accused person shall have a right to

be heard and, subject to the consent of the Committee, to bring any witnesses whom he may desire. The accused person shall have the right to be present when all other witnesses are giving evidence.

10. The decision as to the penalty shall in all cases remain vested in the Secretary of State after he has considered the report and advice of the Committee.

REGULATION No. 10. OVERTIME AND HOURS OF ATTENDANCE.

No overtime is payable to members of the Foreign Service at posts abroad.

* By virtue of article 26 of the Convention of the Economic Union between Belgium and Luxembourg dated July 25, 1921, the defence of the Luxembourg interests is entrusted to the Belgian Consular Agents in those regions where the Grand Duchy of Luxembourg has not appointed its own Consular Agents.

Under an arrangement of 6-7th January, 1880, between the Governments of Luxembourg and the Netherlands, Luxembourg diplomatic representation is entrusted to the Netherlands diplomatic agents in countries where Luxembourg has not appointed its own diplomatic agents. The diplomatic representation of the Grand Duchy by Netherlands diplomatic agents does not in principle extend to Luxembourg political affairs.
